# From the Club Manager

**I**t's hard to believe that we're already in August and the summer will be over before we know it. I remember when I was a kid and how much I dreaded the thought of going back to school, but after becoming a parent I realize kids starting school again and everyone getting back on a schedule isn't necessarily such a bad thing.

We had a great Independence Day parade and celebration at the club again this year thanks to all of our members and guests who decorated bikes, carts and cars for the event. On the golf course, the MGA held their Pinehurst tournament, the LGA had their two-day Ringer tournament, and the SMGA hosted their Redball event. The LGA also hosted the other neighboring golf clubs to the Interclub tournament at the end of the month. We had our typical summer Splash

Day and Live Music in the Courtyard, along with the many groups that regularly meet at the club including Bridge, Poker, Car Club, Bunko, and Mah Jung, just to name a few.

This month we'll have the MGA Ringer on the 6th & 7th, Kid's Splash on the 9th, Live Music on the 18th, and our Homestyle Brunch on the 21st. Local schools will begin again on Monday the 22nd, so be sure you watch for the school bus loading and unloading around the neighborhood. After school starts, our Family Pool will be open the weekends of the 27th & 28th and the following Labor Day weekend of September 3rd through 5th, then it will close again for the off-season.

I look forward to seeing you at the club soon.

Jason

# Garden Club

**D**o you enjoy digging in the dirt to create a beautiful garden, or would you prefer to gaze at beauty created by someone else? Either way you will be inspired and encouraged by joining the 2016/2017 Garden Club and experiencing guest speakers, tours, trips, and special events. You will also have the opportunity to meet and mingle with lots of super fun neighbors! Now is the time to register for our "Bloomin' Good Time" social kick-off event on Tuesday, August 23rd, at the Clubhouse Ballroom, 6:30-8:30 p.m. This event is open to all residents of Weston Lakes, but you must reserve your spot. Cost is \$10 per person, and includes live entertainment and light refreshments. Cash bar available. Send reservation and payment to Mary Kanney, Treasurer, 4806 Waterbeck. You may include your membership dues in your payment if you would like. Dues are \$25 if paid before/by the August social event, or \$30 thereafter. Checks should be made out to WL Garden Club. Typically the Garden Club meets on the 4th Tuesday of the month in the Clubhouse Ballroom, with a Meet & Greet from 10:00-10:30, and the meeting beginning at 10:30. Our first meeting will be on September 27th.

Seen any ladybugs lately? We want them in our gardens! Here are 5 "bad bugs" these good garden predators will eat: Aphids, mites, whiteflies, scale insects, and mealy bugs. Garden trivia: They can actually eat up to 50 aphids a day!

As the dog days of summer settle in, your Garden Club board members are keeping their brains active by planning some wonderful meetings, outings, and events for the upcoming Weston Lakes Garden Club year. Our first event is **"A Blooming Good Time" on Tuesday evening August 23rd from 6:30 - 8:30 at the clubhouse** which kicks off our new year. We will have light appetizers, drink specials at the cash bar, and live music provided by the always popular Guillermo.

The most important ingredient for a great time is you! So please mail your \$10 per person reservation check made out to WL Garden Club to Mary Kanney, 4806 Waterbeck. Since we must give a head count to the club, the **deadline is Wednesday, August 17th**. Please bring family and friends to share the fun.

Dues paid by August 23rd remain at \$25 for the year and, afterwards, will be \$30. Dues can be mailed to Mary Kanney along with your event check.

**B**ob Poe had a Hole-In-One on #16. He said he used a PW to accomplish the feat. Can anyone guess what tee box he was on and how far the shot was? Approximately 104 yards because he did not tell me if the flag was up, in the middle, or towards the back of the green. Regardless, good shot Bob.

The SMGA held its Member-Guest/Partner Tournament on June 18, 2016. The Shot of the Day was made by Pete Robler on hole number eight when he made a gross double eagle from approximately 210 yards. For those who can't do the math, that is a two on a Par 5. Pete might get use to playing from the gold tee box.

Good shot Pete.

The tournament had a format of Best Ball on the front nine and a Modified Alternating Shot on the back nine. There were thirty-one teams of two players making up five flights. The results are as follows:

Over all Low Gross Robler & Clark 71

## Interclub News

The Senior Men Golf Association Interclub was held on June 14, 2016 at Quail Valley and the team of Mike Bednarz, Dan Bishop, Duane Blanscet, Tim Christ, Mark Griffith, Ron Mersman, Norm Omsberg, and Rob Yarbrough finished in second place after a score card playoff that went to the seventh hole. Weston Lakes' high point player was Duane Blanscet with 35 points. There were four other players with scores ranging from 32 - 34 points.

Rob Yarbrough received a Closest to the Pin award.

Good Job

## Mayor's Comments

**A**t the June City Council meeting, Gary Owens was honored for his service as Alderman from 2008 to 2016. Thank you Gary for all you have done. Linda Harnist replaced Gary as our newest Alderman. Linda is a long-time resident of Weston Lakes and the secretary of Emergency Management Committee.

The Emergency Management Committee will hold a meeting on August 9, 2016 at Simonton City Hall at 6 p.m. If at all possible please make plans to attend.

Summer is coming to a close, but the kids are still at play so please watch your speed when driving through our beautiful community.

**Mary Rose Zdunkewicz**  
Mayor

**Reminder:** The golf course is for authorized golfing use only. Please refrain from walking, running, bicycling, or using unauthorized golf carts on the golf course at any time.

**W**hen the record levels of rain finally ended, the familiar heat of an August in Texas arrived in full force. For all those who don't want to take on the mid-day heat, we are keeping the golf shop open until 7 p.m. during the summer to accommodate golfers who want to wait until it cools off later in the day. We are currently asking golfers who begin later in the day to please return our Weston Lakes carts to the Golf Shop around 8 p.m. This will move up as it gets darker earlier in the evening.

One way to help beat the heat is with clothing. Come shop in the golf shop for some of these NEW fabrics that actually "wick moisture" away from your body. We have quite a few styles and colors of these new items so come in and take a look.

## Small Things Make a Big Difference

There are many small things golfers can do to help their course play and look better such as picking up broken tees which also helps prevent damage to costly mower reels. Also, when driving your cart onto the course please avoid following the same path as the carts before you.

Our goal is always to provide a quality experience for all of our members and their guests.

Director of Golf

# Property Owners Association

## Information From the Lake Committee:

Keeping our lake waters clear and preventing bank erosion is always a challenge. Our storm drains all feed into the lakes and the banks sides will collapse if not protected due to the rise and fall of the water levels. There are couple of ways home-owners might want to volunteer some help mitigating these issues.

To minimize silt run-off, consider planting native trees and bushes or other dense vegetation along shorelines, the deeper the better. As an added bonus those plant roots are far longer than grass so they will help bind the banks together. The Lake Committee will provide a list of suitable plants on request. If you desire the list, please contact KPM Management at at 281- 685-3090.

Grass clippings thrown up and into the water are always a problem so please try to communicate this to your yard crew. Perhaps a bigger problem is the over-use of fertilizers, which can cause algae blooms. If you have to use fertilizer, we recommend only low or zero phosphorus products. We recommend no use of fertilizer within 25 feet of the shoreline.

As a reminder, please do not park/store trailers, boats, RVs, tractors,etc. for longer than 10 hours. Parking for longer than that is a deed violation.

*Thanks to all who participated!*

Our Rules Chairman, Penelope Murphy, has an official ruling for us. Thank you, Penelope.

Decisions of the Rules of Golf 8-2a/1:

**Q:** A player places a club on the ground parallel to the line of play to assist him in aligning his feet properly. Is this permissible?

**A:** Yes, provided the player removes the club before playing his stroke. Otherwise, a breach of Rule 8-2a would occur. Penalty is 2 strokes in Stroke Play. Loss of hole in Match Play.

HOWEVER, Use of Rod During Round for Alignment or as Swing Aid. Decision 14-3/10

**Q:** During a stipulated round, a player uses a rod to check his alignment or his swing plane.

**A:** Player is disqualified under Rule 14-3 as the rod is unusual equipment and such case, during the stipulated round is not permitted.

Our "Pot of Gold" Invitational (formerly Weston Classic) will be next March 15, 2017. Catherine Tinkler and Paula Britt have graciously volunteered to spearhead this tournament. If you are asked to help with something, please do not hesitate to say yes! We will need lots of help. I will send an E-mail on this later.

# Women's Association

**I**t's been a long, hot summer! How about a glass of wine or two to help forget the heat temporarily? Our September meeting will feature the Braman Winery, a family legacy steeped in Texas roots. We will learn from these experts about food and wine pairings and do some taste testings. What a great way to kick off our fall meetings and prepare for the entertaining season ahead. As always **Carolyn Martinez** and **Jamie Johnson** have some informative and entertaining programs coming up this fall, beginning with the Braman Winery in September. You won't want to miss this meeting so be sure to put September 20th at 10 a.m. at the WLCC on your calendar. Maybe do a few taste-tests of your own in the meantime? It's a long time until September!

The nominating committee has compiled a slate of officers for voting in September. Nominations can also be taken from the floor for anyone who is interested in serving in a leadership role. The slate to be presented is as follows:

President	Nancy Rose
Vice Pres.	Dana Sarles
2nd V Pres.	Jamie Johnson & Carolyn Martinez
Treasurer	Deb Gillis
Recording Sec.	Carole Sandoval
Corresponding Sec.	Earlene Hopkins
Parliamentarian	Nancy Case
Membership	Carole Fairbanks
Scholarship	Shirley Meyers, Carmen Izzo, and Gilma Leask

Please add the following dates to your calendars: regular club meetings on Sept. 20th, Oct. 18th and November 15th, and the Fun Run scholarship fundraiser on Oct. 8th. Collette Horton and her Fun Run team have an amazing event planned. The Fun Run just keeps getting better and better! We even have a website, where you can register, order a T-shirt and even pay with PayPal/credit card.

Membership dues are \$30.00 for former members, with a reduced rate of \$15.00 for new members only from September through December. The new membership year begins in January, with the new officers assuming their roles at that time.

The Women's Association is a great group to join. We would love for everyone to come out and enjoy fun and fellowship, learn some new things, and meet some great ladies in our community! See you on September 20th at 10 a.m. at the WLCC!

## Golf Course Maintenance

**T**he driving range tee project is complete! It will take a few more weeks until we can hit off the grass so during this time we will be using the new hitting mats. July was a hot and windy month without any beneficial rains, so I hope we see a few showers in August. We will start back on tree trimming and cart-path edging in August, which will continue through September. I hope to see you on the course and as always please sand your divots and fix your ball marks.

## DID YOU KNOW?

## Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*
