# From the Club Manager

**W**e hope everyone had a wonderful holiday season with many friends and family around. The staff at the club always enjoys the festive time of year, and being a part of our members' celebrations. It was a great ending to a wonderful year at the club, and we are already looking forward to 2017.

If you are new to the neighborhood or just haven't had time to check out all the activities, groups and organizations that are available in our community, I hope you will take the time this year to get involved. As many of us are making our New Year's resolutions, the first obvious choice is our Fitness Center. More and more people have continued to utilize the facility since it opened two years ago, and we have a great staff that will be more than happy to help you get started toward a healthier 2017.

If you are a golfer, we also have our golf organizations for ladies, men and senior men.

If you're looking for something less physical, you can choose from groups and organizations like the Weston Lakes Women's Association, Garden Club, Book Club, Car Club, Bridge groups, Bunko, and Poker Night at the club. There are also local chapters of organizations like the Rotary Club and Lion's Club that do great work in our community. We hope you will get plugged into one or more of these groups this year, and promise you will enjoy the experiences you have.

We wish each of you a very Happy New Year and look forward to seeing you at the club soon.

# Garden Club

**D**ef: A God-Spot where each individual is valued and feels loved. While this definition could easily be a start to describing some of the wonderful aspects of the Garden Club, it also just scratches the surface of defining the amazing community of Brookwood. Our members were grateful for the opportunity to have toured this inspiring place in December. And wasn't lunch delicious?

We're looking forward to our next meeting on **Tuesday, January 24th** when Weston Lakes own **David Hopkins** presents "Growing Orchids - You CAN do it!" You'll surely want to hear his expert tips and tricks.

After the meeting we will be filling Valentine's bags for the Brookshire Retirement Center on 359. A big thanks to **Deb Cooper** for spearheading the effort. If you'd like to donate any travel size personal care items or other small (non-food) items a resident might enjoy, please contact Deb at cooperdac@gmail.com.

January is resolution time and I'll admit to having the same one for 20+ years and hope I always will - it's to be more grateful. Our life in this tremendous neighborhood and the Garden Club certainly are near the top of my gratitude list. If your resolution is to meet new friends, get more involved, have more fun, or even learn a bit about gardening - we'd love to have you with us!

# Property Owners Association

**T**he Annual Meeting of the Weston Lakes Property Owner's Association was held on December 3, 2016. The election for 3 Board Members and two Architectural Control Committee (ACC) Members was concluded. The following were elected for 2-year terms for the Board and the ACC:

**Lawrence Meleski**

**Jane Poe**

**Rhea Ragle**

For the ACC:

**Jason Beal**

**Cathy Hayward**

Roadwork was performed on Waterbeck during December. We will be repairing additional road areas in the coming months. We ask that you all please co-operate and pay attention to the barriers and potential detours that may result. Because the future road work will not be done under emergency conditions, we will have more time to notify and remind. We will communicate these events through the neighborhood e-mail blasts so be sure that your e-mail information is up to date.

Once again, please clean up your E-Z tag information and your guest lists. We are facing a critical database storage issue and if we cannot get these cleaned up, we will need to take corrective action.

### BOOK CLUB

JANUARY 9th at 2 p.m.

Hosted by Suzi Telage and Jane Poe  
At the home of Suzi Telage at 5218 Westerdale

*Standing in the Rainbow* by Fannie Flagg

Along with Neighbor Dorothy, the lady with the smile in her voice, whose daily radio broadcasts keep us delightfully informed on all the local news, we also meet Bobby, her ten-year-old son, destined to live a thousand l, most of them in his imagination; Norma and Macky Warren and their ninety-eight-year-old Aunt Elner; the oddly sexy and charismatic Hamm Sparks, who starts off in life as a tractor salesman and ends up selling himself to the whole state and almost the entire country; and the two women who love him as differently as night and day. Then there is Tot Whooten, the beautician whose luck is as bad as her hairdressing skills; Beatrice Woods, the Little Blind Songbird; Cecil Figgs, the Funeral King; and the fabulous Minnie Oatman, lead vocalist of the Oatman Family Gospel Singers. The time is 1946 until the present. The town is Elmwood Springs, Missouri, right in the middle of the country, in the midst of the mostly joyous transition from war to peace, aiming toward a dizzyingly bright future.

## Women's Association

**H**urray! The new year is finally here and it's time to make those New Year's Resolutions! One of the best New Year's Resolutions you can make is to get organized and reduce stress and clutter in your life. WLWA can help you ladies do that if you'll come to our January meeting. **Ashley Galligan**, owner of Outlandish Organization, will show us how to organize our homes, closets, kitchens and more. Ashley is a professional organizer that specializes in both residential and business organization. She lives in the Richmond area, so she is easily accessible. Come and enjoy her tips and suggestions that will help us live more stress-free lives. **Check Resolution #1** off your list!

**Resolution #2** should definitely be making new friends in the neighborhood. There's no better way to do that than by joining the Weston Lakes Women's Association. We meet the third Tuesday of each month (except summer months) at 10 am at the WLCC. Meetings are fun, the programs (planned by **Carolyn Martinez** and **Jamie Johnson**) are top notch, and the friends and fellowship you'll have can last a lifetime!

Last, but certainly not least, **Resolution #3** on your list can be getting involved in the newly formed Keep Weston Lakes Beautiful group. WLWA has joined forces with the WL Garden Club and many other community groups to improve Weston Lakes by becoming an Affiliate of Keep Texas Beautiful. You won't want to miss this opportunity to get involved in this worthwhile project! Put **January 17th** on your calendar so you'll be sure to come to our next meeting and hear specifics about this and all our WLWA projects!

With these three resolutions on your list of doable ones, plus losing weight and getting in shape, we can all look forward to a great new year! See you **January 17th** at WLCC at 10 am!

**Earlene Hopkins**  
Corresponding Secretary

# Golf Course Maintenance

**I** hope everyone had a Safe and Happy Holiday. The maintenance staff and I are looking forward to the New Year and continuing with the improvements to the course. We will be trimming trees, cutting back the pampas grass, and edging cart paths to start the New Year. As I look back at last year I can see that the quality of the golf course has improved considerably. We have put a good Agronomic program in place that will help us keep improving the conditions and giving you a more consistent golf course. The maintenance staff and I wish everyone a Safe and Happy New Year. Hope to see you on the course and as always please repair your ball marks and divots.

## DID YOU KNOW?

# Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*

wishes you and your  
family a prosperous and  
blessed 2017!*
