# From the Club Manager

If you've been to the club lately, you've probably noticed the signs of construction. We are always striving to make our club better, and we have started several projects around the clubhouse that provide additional services for our members and also help with the operations and maintenance of the facility.

The first project is the renovation of the former golf pro shop into an expanded men's locker room. Years ago a portion of the original locker room was renovated and turned into additional dining space in the Waterside Grill. Since our golf membership has grown over the years, we reached a point where a larger men's locker room was needed and the only place to expand was into the former pro shop. We hope to have this space completed by May of this year.

At the same time we are building a new storage

building in an unused area near the Adult Pool. We have needed more storage space at the clubhouse for years, and this will allow us to more efficiently operate our food and beverage and banquet activities. Once the storage area is complete, we plan to renovate some of our existing storage space into an expanded ladies' locker room, and a bride's room when we have weddings.

And last but not least, we will be having a bulkhead installed along Pecan Lake on the north side of the clubhouse. This will provide a more dramatic appearance of the club as you enter the community, and also serve to stabilize the area along the lake.

We feel all these projects will serve to improve the club for our members and guests, and we appreciate your patience as we continue to serve you during the renovations.

### Our Great Golf Accomplishments for the month:

**Cliff Bottoms**-hit two eagles, one on our 11th hole from 165 yards with a hybrid, and the second at The Bandit from 195 yards out with a 3 wood.

Dave Mangel

**Dave Clark** - made a par on #13 after hitting his tee shot in the water.

**Dave Mangel** - had a career best round of 75 in very windy conditions.

Finally each month we will have an article on proper golf etiquette, the rules of golf, or just golf related knowledge. . . .

## Proper Green Divot Repairs

The rule of thumb should be to repair your ball mark and three others that you find on the green. Repairing those little depressions is very important. Equally important is doing it the right way. Because while many golfers fail to repair ball marks, there are also many well-meaning golfers who do "repair" the pitch marks, only to do so incorrectly.

A ball mark can cause the grass in the depression to die, leaving not just a scar but also a pit in the putting surface that can knock well-struck putts offline. Repairing a ball mark restores a smooth surface and helps keep the grass healthy. But "repairing" a ball mark incorrectly can cause more damage than not attempting to repair it at all, per a study done at Kansas State University.

The KSU researchers, whose conclusions were reported on [Cybergolf.com](http://Cybergolf.com), found that incorrectly "repaired" ball marks take up to twice as long to heal as those that are properly repaired.

### Step #1:

Take your ball mark repair tool and insert the prongs into the turf at the edge of the depression. Note: **Do NOT** insert the prongs into the depression itself, but at the rim of the depression.

### Step #2:

The next step is to push the edge of the ball mark toward the center, using your ball mark repair tool in a "gentle twisting motion." This is the step where golfers who incorrectly "repair" ball marks usually mess up. Many golfers believe the way to "fix" a ball mark is to insert the tool at an angle, so the prongs are beneath the center of the crater, and then to use the tool as a lever to push the bottom of the ball mark back up even with the surface. **Do not do this!** Pushing the bottom of the depression upward only tears the roots, and kills the grass.

### Step #3:

Once you've worked around the rim of the ball mark with your repair tool, pushing the grass toward the center, there's only one thing left to do: Gently tamp down the repaired ball mark with your putter smooth the putting surface.

Ensure that fairway divots are filled with the sand that is provided on the cart, or replace the divot. Do not use the sand provided in the cart on the tee, as we will come and fill these divots with a sand seed mix. Let us see you fixing your divot and **THREE** more!

# Women's Association

**C**alling all women of Weston Lakes! It's time to come visit and join the Weston Lakes Women's Association. Several fun events are planned for this spring, so mark the following important dates on your calendars.

On **April 18**, **Scott McClelland**, president of HEB, will be our guest speaker for our regular monthly meeting at 10:00 a.m. at the WLCC. Scott is well known for his humorous commercials with JJ Watt and other famous sports figures. He will be giving us some inside information about the inner workings of HEB, which is a "Texas-based" and "Texas Proud" company. We are proud to have **Carolyn Martinez** and **Jamie Johnson** who have planned this and all the fantastic programs for the WLWA this year.

**Dana Sarles** is busy planning this year's **Progressive Dinner for Saturday, May 6**. This year's theme is Luau, so grab your Hula skirts and Hawaiian shirts and get ready to PAR-TEE! The evening will begin for members and their guests at Dana Sarles' home for appetizers and Hawaiian-themed cocktails. Then the group will break into small groups for a Luau Dinner at one of several members' homes. Desserts and entertainment will cap off the evening at the home of Carol Fairbanks. Be sure to sign up and purchase tickets (\$25.00 each/\$50.00

per couple) from Dana soon.; the cut off date for purchase is **April 21**.

Another important date is **May 16 at 7:00 p.m.** for the WLWA Community Foundation presentation of their annual scholarships and grants. This will be a night meeting at the WLCC to give our members the opportunity to meet the students and parents of this year's scholarships. The Foundation is a 501(c)(3) organization and gives yearly grants and scholarships to worthy students and organizations that benefit our entire community. You won't want to miss hearing about these students and their future plans. Scholarship committee members of the Foundation are **Shirley Meyers, Chair, Allison Mayhugh, and Earlene Hopkins**.

Membership in the Weston Lakes Women's Association is open to all ladies who live in Weston Lakes. Dues are \$30.00 per year and our meetings are held on the third Tuesday of each month (except June, July, and August) at 10:00 a.m. at the WLCC. Please come for a great opportunity to meet some really nice and friendly neighbors, enjoy fellowship with them, and be educated and entertained at our meetings and events! We would love to see you there!

### Winter Garden

by *Kristin Hannah*

Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family business; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, these two estranged sisters will find themselves together again, standing alongside their disapproving mother, Anya, who even now offers no comfort to her daughters. On his deathbed, their father extracts a promise: Anya will tell her daughters a story; it is one she began years ago and never finished. This time she will tell it all the way to the end. The tale their mother tells them is unlike anything they've heard before a captivating, mysterious love story that spans more than sixty years and moves from frozen, war-torn Leningrad to modern-day Alaska. Nina's obsession to uncover the truth will send them all on an unexpected journey into their mother's past, where they will discover a secret so shocking, it shakes the foundation of their family and changes who they believe they are. Mesmerizing from beginning to end, *Winter Garden* is that rarest of novels at once an epic love story and an intimate portrait of women poised at the crossroads of their lives. Evocative, lyrically written, and ultimately uplifting, it will haunt the listener long after the last word is spoken.

## From the Golf Shop

**A**pril is here and “Spring has Sprung” with the warmer weather the course is greening up and looking great. We are also enjoying seeing more people out playing. The tournament season is in full swing and we are looking forward to the upcoming events including the **SMGA Ringer** on **April 7th & 8th** followed by the **LGA Member Member** on **April 19th**.

Now that daylight savings time is here the **Golf Shop will be open until 7 p.m.** Unfortunately, we will have to start closing the driving range a little earlier on Sunday evenings to pick it clean for mowing on Mondays. Please remember to come out a little earlier on Sunday afternoon if you would like to hit some balls.

Titleist is offering a Loyalty Reward Program through **April 16th**. If you purchase three dozen of Pro V1 or Pro V1x you receive one dozen free with your own personal imprint.

One other quick note on the golf course rules: The Course is for golfing only (No bicycling, jogging, skateboarding, roller-blading, motorcycle’s unauthorized carts, etc.)

**S**uch talent! Wow! For those lucky enough to have attended the Art and Original Creations Show on March 28th you had a treat indeed. A big thank you to all of the many talented residents who shared their beautiful work.

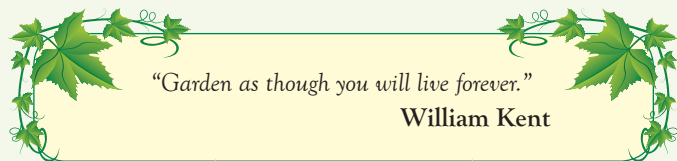

**Thursday, April 6th**, we will enjoy our **Magical Mystery Bus Tour** through bluebonnet covered hills to an Out on the Range Party in La Grange. Members who have prepaid their reservations will be touring the Quilt Museum, enjoying lunch and shopping in the historic town square then touring and Meade tasting at Blissful Folly Farms. If you’ve been on one of our road trips in the past, you know what great fun they are.

**April 25th** will find club members experiencing the always impressive **Florescence Exhibit at the Museum of Fine Arts Houston** and a delicious lunch at Maggianos. Presented by the Garden Club of America, Florescence is one of the largest competitive flower shows in America and is known for its stunning creations inspired by the beautiful art work of MFA-Houston. Prepaid reservations are required for this limited capacity and always popular event.

Mark your calendar for the **5th Annual Golf Course Tour, Monday, May 8th**. Club members will have the opportunity to explore many private gardens along the course in a merry caravan of golf carts. It’s a great time to enjoy your neighborhood and the company of new and dear friends.

# Fitness Center

**D**id you know your Fitness Center has group exercise classes? When talking with Members genuinely interested in trying a class the most common response I hear is, "I'm not fit enough to participate!" Truth be told, that's exactly why you should try it! Group fitness is great for ALL fitness levels and is the safest, most non-judgmental environment to try something new and outside your comfort zone! There are so many added benefits too like accountability, motivation, social opportunities, and let's not forget the physical changes! Check out what Livestrong.com has to say about the advantages of group exercise classes.

## Accountability:

A group exercise setting helps keep you accountable to attend the class. When the instructor and other participants ask why you were absent, they generally are concerned for your well-being, and you will not want to have an "I sat on the couch" answer.

## Motivation:

Participating in a group exercise class challenges you to work out beyond your perceived limitations. The instructor observes your body for signs of fatigue and pushes you to your limits. You are likely to work out harder, as everyone is exercising toward the same goal, than you would on your own.

## Physical Benefits:

If your goals are cardiovascular improvement and weight loss, select aerobic-based classes such as cardio strength or zumba. Select weight training, calisthenics or boot camp classes if you also want to improve your muscular endurance and strength. If flexibility is your goal, a stretching or yoga class is a nice option.

Visit <http://www.livestrong.com/article/512900-the-advantages-of-group-exercise-classes/> to find out more.

Stop by the front desk today and check out our class schedule. Fitness Members can have access to EVERY class on the schedule for the whole month of April by purchasing one \$30.00 Group Fitness Pass!

If you have any questions, would like more information about group fitness classes, personal training, or scheduling a massage, please feel free to stop by the front desk today. Call (281) 346-2266, or contact **Kylee Ford** at [kylee@westonlakes.net](mailto:kylee@westonlakes.net).

## Member/Member Tournament

The Weston Lakes SMGA held our annual Member/Member Tournament on February 25th. This was a blind-draw tournament where pairings and competitive groupings/flights were completely random. There were three gold flights and one red flight. Awards were given for the best three teams within each flight and closest-to-pin for holes #13 and #16.

Flights	1st Place	2nd Place	3rd Place
<b>Gold</b>	Harold Frauli James McDonald	Clay Anderson Tom Gray	Tom Gerber Richard Delmar
<b>Gold</b>	Kirk Hanson Jeff Donofri	Wayne Gibson Paul Danni	Tim Christ Mike Bednarz
<b>Gold</b>	Mark Griffith Alan Forster	Louis Stoerner Ron Mersman	Dan Bishop Norm Omsberg
<b>Red</b>	Dan Riley John Kemper	John Jorgenson John Walton	Clarence Bedsole Allen Schoppe

Clay Anderson won closest-to-pin for hole #13 and Tom Gray for hole #16 from the gold tees, while Dan Riley won closest-to-pin for hole #16 from the red tee.

## Match Play Continues

Our individual match play competition is well underway. Players in the event are competing in three different brackets. It is a double-elimination tournament. While some players have already been eliminated, there are several front-runners who are currently undefeated through their first two matches.

Bracket	Undefeated Through First Two Rounds of Match Play			
<b>Van Dyke</b>	Rodney Bartek	Don Wells	Leon Viaclovsky	
<b>Burton</b>	Dick Farris	Tim Christ	John Kemper	Alan Forster
<b>Johnson</b>	Gene Harbers	Dan Riley	Terry Miller	Allen Schoppe

## Upcoming Ringer Tournament

The SMGA Ringer tournament is scheduled for April 7-8 under the direction of John Kemper. In this two day tournament, players play 18 holes on Friday, and then play again on Saturday. Scores are computed by taking the better score per hole for both days. Results will be posted in next month's publication.

# Keep Weston Lakes Beautiful

**K**eepeston Lakes Beautiful along with our co-sponsor, Weston Lakes Country Club, are busy with final preparations and planning of our 1st FUNdraising event, “Boots & Bling” dinner/dance **April 29th** at the Weston Lakes Country Club. The band is busy adding some of your favorite songs ranging from Country, Standards, Pop, and Rock, making sure there is something for everyone. Tickets are selling fast so you don’t want to miss out. The **Keep Weston Lakes Beautiful** Board of Directors hopes everyone marks his or her calendar for this fun event of dinner, live music, dancing, silent and live auction. Tickets are available at the Country Club business office.

**And, speaking of auctions.** If you would like to donate an item, or service to either the live or silent auction, please contact Lynn Lipp, at 713-582-2269 or email her at [lippski@yahoo.com](mailto:lippski@yahoo.com) before April 15th. This is an effective advertising tool for your business, as your business will be promoted on, Next Door, Facebook, and in the Weston Lakes newsletter. Approximately 1300 homes will be reached!

The **Recycling Committee** had its first event on March 24th. Neighbors participated in a “paper shred” event at the Riverwood Park. Look forward to many other recycle events in the future. For

more information on how to get involved, contact Carol Fairbanks ([carolfairbanks26@gmail.com](mailto:carolfairbanks26@gmail.com))

The **Education Committee** of Keep Weston Lakes Beautiful has several projects in the works such as a butterfly garden and a blue bonnet seeding project. As reported last month scout troops, both boys and girls, and Camp Fire Girls will have the opportunity to earn several awesome patches for gardening and beautification projects. Children of all ages will be able to earn “community service hours” when they get involved in these projects. Teachers can get lesson plans and curriculum on many subjects from “Young Environmental Leaders” to the “Waste in Place” curriculum and Patch Programs offered by Keep Texas Beautiful. For more information on how to get involved in a specific project or if you are interested in helping with the Education Committee, contact Garreta Kipp ([glkipp\\_95@4securemail.com](mailto:glkipp_95@4securemail.com)) or Earlene Hopkins ([CougarMomUH@aol.com](mailto:CougarMomUH@aol.com)).

## Golf Course Maintenance

**T**he spring green up has officially begun, the grass is coming out of dormancy and the trees and shrubs are starting to bloom. I want to thank everyone for their help with repairing ball marks and sanding divots I have seen a definite improvement in our greens and fairways. The spring weather has started to bring more play to the course I would like to remind everyone to keep your carts at least thirty yards from the green and to watch your wear patterns entering and exiting the fairways. I will be putting up rope in the worst areas. Hope to see you on the course.

## **DID YOU KNOW?**

# *Waterside Grill*

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*

## Brent and Kerry Used Martin Mortgage!

"In the past we have purchased many homes but none as memorable as this one when it came to the mortgage. **Martin Mortgage, Michael and Evelyn Martin**, were so unbelievably awesome...customer service oriented, down to earth, very accessible, and they provided the

best rates I could find. We really can't say enough about how wonderful Martin Mortgage is. We have referred them to two of my friends and both have used Martin Mortgage and say the same great things about the Martins. **The Martins go above and beyond to make your experience the best possible.**"

Martin Mortgage is beyond thankful to be Fulshear's Hometown Mortgage Company!
