# From the Club Manager

**W**e had wonderful turnouts for our annual Egg Hunt and Easter Brunch events last month, and thanks to all those who attended for making both events huge successes. Congratulations go out to all the winners in the LGA's Member-Member tournament, the SMGA's Ringer event, and the SMGA Interclub team that played well enough to win on our home course last month. Great job in taking advantage of the home field advantage!

room in the former golf shop should also be wrapping up this month, and the renovation of the ladies' locker room will also be ongoing.

Events to look forward to in May include the SMGA Scramble on Saturday the 6th, the Mother's Day Brunch on Sunday the 14th, Live Music in the Courtyard on Thursday the 18th, and the MGA's Member-Guest event on the 19th through 21st. The month ends with Memorial Day weekend, and the club will be open on Monday the 29th and closed on Tuesday the 30th.

We look forward to seeing you at the club soon.

The start of our bulk-heading project in front of the clubhouse was delayed by a few days because of the rain, but the work is going smoothly and should be complete soon. The renovation of the men's locker

Two events are scheduled for May.

The WLMGA Member Guest will be May 19th - 21st. A Memorial Day Ryder cup competition with teams based upon school affiliation. Information for both of these events can be found on the MGA website. [wlmga.golfgroup.info](http://wlmga.golfgroup.info)

What are the two basic premises which underlie the USGA handicap system?

- 1) Each player will try to make the best score at every hole.
- 2) The player will post every acceptable round under ESC guidelines for peer review.

If these two premises are not followed, then your handicap is invalid.

If you can do two out of three of these things, then you've had a successful round of golf - play good, play fast, have fun. "Tom Fredericks"

## Women's Association

**T**he Women's Association, in conjunction with the WL Women's Association Community Foundation, will hold a special meeting on **May 17th at 7 p.m.** at the WLCC to present scholarships, awards and grants to worthy students in our area. Students eligible for these awards live in the Huggins Elementary school zone in Lamar Consolidated Independent School District. These students turned in applications before a March 24th deadline and went through a rigorous scoring/ranking process as well as a personal interview. As of this writing, students were being selected so the names cannot be published, but the honorees will be listed in the June issue. All members are encouraged to attend this meeting where we will have a chance to hear about the honorees' future plans. A reception will follow the presentation to honor these students, their parents and guests. Scholarship committee members are: **Shirley Meyers, Chairman, Allison Mayhugh, and Earlene Hopkins.** Our thanks go out to the WLWA Community Foundation for their hard work and generosity to make these awards possible. Foundation Board members are: **Shirley Cassell, President, Bonnie Carr, Rachel Durham, Deb Gillis, Earlene Hopkins, Allison Mayhugh, and Shirley Meyers.**

Opportunities for all members to sign up to help with the WLWA Fulshear 5K are still available. Contact **Nancy Rose, President,** or **Collette Horton, Fulshear 5K chair,** for more information on how you can help. This year the event will be on **Saturday, October 7th.** Be sure to visit the website [Fulshear5K.com](http://Fulshear5K.com) for all the details.

The Women's Association will hold no meetings in the summer months (June, July, and August). The first meeting for the fall will be Tuesday, September 19th at the WLCC. The WLWA is made up of women of all ages, some working, some retired, some with children at home, some with no children or grown children, but we all have the love of fellowship with our neighbors in common. This group is also filled with women with benevolent spirits wanting to improve our community and be a part of something bigger than ourselves. **Jamie Johnson** and **Carolyn Martinez** do an amazing job of planning programs that are interesting, educational, and fun at all our meetings.

We encourage all women in Weston Lakes to join us at our September 19th meeting. You will be glad you did!

**Earlene Hopkins,**  
*Corresponding Secretary*

## Garden Club

**W**hat's more fun than a bus full of Garden Club Members enjoying a Party on the Range? Well, I just don't think there's an answer to that. And wasn't Florescence at the Museum of Fine Arts amazing? As our Vice Presidents, **Kathy Smith** and **Janet Bartek** have worked tirelessly to organize tremendous outings, speakers and events for us all to enjoy. We are so blessed that they have decided to serve another year.

Among our other blessings, **Terri Oliver, Nancy Reichardt** and **Mary Kanney** are also giving another year of service to the board. We will be celebrating the board installation just before heading out for the annual golf course tour. A big thanks to all the gracious homeowners who have so generously opened their gates to allow us to tour their garden splendor.

This event will wrap up our year, but will represent the start of all the hard work the board will be doing to get ready for a year full of fun and friends as the Garden Club celebrates its 25th year beginning in September.

As our hearts are with Mother's everywhere this Mother's Day month, we will be collecting new baby items (clothing, diapers, care products, etc.) and new, unused cosmetics for the mothers at the Fort Bend Women's Center. Please bring your donation to the patio outside of the Grille between 9:00 a.m. - 10 a.m. on Monday, May 8th.

**Elizabeth Robbins,**  
*Correspondence Secretary*

*The greatest gift of the garden is the

## Mayor's Comments

**T**he State of the County was well attended by the City of Weston Lakes' City Council and Mayor.

Fort Bend County's population has grown by 5% this past year, increasing the population to 756,000.

Weston Lakes Emergency Management has finished the installation of the repeater for the radio communication system. This will allow our CERT team to talk to each other and work in a larger area as a unit during an emergency incident.

**T**he POA Board has accepted the resignation of Board Member Everett Owen. We would like to thank him for his commitment to the community and wish him well on his future endeavors.

We have appointed Kevin Smith to fill his remaining term. Welcome Kevin.

As Weston Lakes continues to be a sought after neighborhood, we continually welcome new neighbors. As a reminder to both old and new residents, any exterior home improvements need to be submitted to the Architectural Control Committee (ACC) for approval BEFORE the work begins. This includes, but is not limited to, new roofs, windows, exterior paint, exterior structures, pools, fences, etc. The home improvement forms and process can be found on the POA website. During the home improvement process, if you have any questions/concerns, please contact KPM at 281 685-3090.

The next scheduled POA meeting is June 22nd. Hope to see you there.

# Keep Weston Lakes Beautiful

## K eep Weston Lakes Beautiful Update:

What better way to kick off Spring, than with some paper Spring cleaning?

The Recycling Committee of KWLB had its "Shred It" event April 24th. It was a huge success thanks to all of the residents who participated!

Paper is the most common material in our trash. In order to significantly reduce the amount of trash in our landfills, we need to recycle it. Recycling can really make a difference in the environment and it is something that more and more people should begin to do.

With over 3,800 lbs. of paper shredded, based on US EPA standard, here are a few facts about what our recycling event did for our environment:

- We saved:
- 34 trees
  - 14,000 gallons of water
  - 168 gallons of oil
  - Saved the cost of producing 8,200 KW
  - 6 cubic yards of landfill space

A-1 Shredding Company, the Recycling Committee and residents worked

Shred Event

hard sorting, tearing down boxes, and making sure every piece of paper was shredded by our 4:00 p.m. deadline! Thank you Weston Lakes.

We are looking forward to scheduling more events such as, E-waste, medication, paint disposal, and of course paper recycling!

The Education Committee of KWLB sponsored a craft booth at the Weston Lakes Country Club Easter Festival, on Good Friday. Children had a great time decorating eggs with stickers and Easter coloring sheets. Coloring books supplied by the Keep Texas Beautiful state organization were given out. A few are still available so be sure to e-mail Earlene Hopkins at: [cougarmomuh@aol.com](mailto:cougarmomuh@aol.com) if you would like one of them. It's a great way to educate young children about taking care of

Earlene Hopkins, Carole Sandoval, Nancy Case, Carol & Ty Fairbanks

our resources is one of the goals of the Education committee. (E- teaching them to save electricity by turning off lights, TVs, computers, etc., teaching them to turn off the water when brushing their teeth, helping them know what items can be re-cycled—it's all in the Keep Weston Lakes plan for helping them be good citizens of WL!) In addition, it reminds adults of the things we do can have a positive or negative impact on our world.

Another initiative in the planning stages is the planting and maintaining of a butterfly garden. The committee has several ideas on what to plant, where the garden would be located, and how both adults and children can get involved. Be watching for a meeting of volunteers, because it's a great opportunity for children of all ages to learn to appreciate the wonders of nature and to nurture their curiosity about science. Contact Earlene Hopkins @ [CougarmomUH@aol.com](mailto:CougarmomUH@aol.com) for information about the Education Committee!

Other committee volunteer projects in the works:

Beautification & Community Improvement, Litter Prevention, Lakes & Illegal Dumping and Wildflower Planting

If you would like more information on how you can get involved, please go to: [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com)

## For Your Information

Other ways to take care of our environment, lakes and health have to do with our four legged friends. The Poop Squad Pet Waste Removal Services provided some very interesting information to us and we wanted to pass it along.

Dealing with pet waste is one of those topics that every pet owner must deal with but no one likes to talk about. The fact is that the majority of community and neighborhood pet problems result from the inappropriate handling of pet waste. In addition, pet waste is the greatest source of potential health risk for your pet and your family.

There are several very common diseases that can be transmitted to dogs, cats and people through feces. These include giardia, roundworms, salmonella, and E.coli. In addition, your dog can spread or contract parvovirus or coronavirus through infected feces. Dog feces will damage and harbor unwanted harmful parasites, bacteria, and pest. Dog waste can team up with other bacteria, which can cause

(continued on page 11)

Keep WL Beautiful Tenta at Easter Festival

serious kidney disorders, intestinal illness, and diarrhea in humans. When humans or animals come into contact with the soil through every-day activities like walking barefoot, gardening, or playing, they risk infection from those eggs.

All of these diseases are very serious, common and every effort should be made by pet owners to keep their pets and family away from potentially infected feces. "POOP" doesn't just wash away or "Disappear" which is why it is so important to dispose of your dog's waste properly. It's as easy as taking one of the many extra plastic bags that we all have, with you when you take your dog for your daily walk and disposing them in the trash when you get home. This one little step will help and prevent putting our health and water supply at risk.

## Golf Course Maintenance

**A**pril was a great month for tournaments. We held the SMGA interclub and the LGA Member/Member and we had very good course conditions and great weather for both of the tournaments. May looks to be just as good as April. Our MGA Member/Guest tournament will be held this month and the course should be in great shape. I hope we continue to get a few rain showers to keep our non irrigated areas plush. I have noticed a few people in the afternoon coming on the course and using one of the golf holes as a practice facility and want to remind our members that this is not acceptable and we have a practice facility at the clubhouse for your practice needs. I have also noticed a few people coming out on Mondays and would like to reinforce that the course is closed on Mondays for the maintenance staff to perform cultural practices that we are unable to do during regular play and to give the course a break from cart traffic. I hope to see you on the course and please sand your divots and repair your ball marks.

## BOOK CLUB

May 1st at 2 p.m.

At the home of Jamie Johnson at 4510 Oxbow Circle East

*Charm Bracelet*

by Viola Shipman

Three generations of women share the tradition of wearing charm bracelets to honor the big moments of their lives. When Arden and her daughter, Lauren, take a vacation from Chicago to visit Arden's mother, Lolly, a lifelong resident of a small lake resort town, they realize she's having memory issues. When she's diagnosed with an early stage of dementia, they decide to extend their vacation to help her figure out how to stay in her own home as long as possible. Arden is a frustrated writer working as an online editor who has let life roll over her too many times, while Lauren is a talented artist taking college business courses, due mainly to her mother's pressure to be practical. When the three women wind up spending the summer together, Lolly shares much of her life story through the many charms on her bracelet, a family tradition passed down from her grandmother and now to her own granddaughter. As Lolly feels the pressure of sharing her stories and memories with her daughter and granddaughter while she can still access them, Arden begins to reassess her own choices, made mostly from fear, lack, and inadequacy, and reconsider the path she has sent her daughter on, which doesn't seem to be making her happy. Debut novelist Shipman—a pen name chosen by memoirist Wade Rouse (*It's All Relative*, 2011, etc.) in homage to his grandmother—pulls out all the emotional bells and whistles here; his book reads like a fictionalized guide to living the good life ("Live! Love! Laugh!") and checks all the boxes—family, friends, God, love, and simple living—designed to warm the heart and fill the tear ducts. Smooth writing, unabashed sentimentality: if it sometimes feels a little forced or relentless, where's the harm? (304 pages)

## Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*
