From the Club Manager

We have finally wrapped up the clean-up from the damage to the Fitness Center and Golf Shop, and will now begin the process of rebuilding the interior of the facility. Our temporary Golf Shop is located in the trailer that has been placed in the parking lot near the Fitness/Golf Shop building. The temporary Fitness Center is set up in the trailer located on the west side of the putting green near the clubhouse. If you are a Fitness Member, you are free to use the temporary fitness facility at no charge.

We are also introducing the new 19th Hole/Men's Lounge in the former Golf Shop at the west end of the main clubhouse. The space will be open for our men golf members and their guests from 11:00 a.m. to 7:00 p.m. daily. Along with this space, we are also introducing the "Weston Room/Ladies Lounge" that will be available upon request

for our lady members and their guests. The newly renovated space is adjacent to the ladies locker room in the main clubhouse.

July looks to be a very busy month at the club. We'll kick it off with our annual Independence Day festivities on Tuesday the 4th. Be sure to decorate your golf cart, bicycle or classic car and come be a part of our parade in the neighborhood. The MGA's Pinehurst event will be on Saturday the 8th, Homestyle Brunch will be on Sunday the 9th, Live Music in the Courtyard on Thursday the 13th, Kid's Splash on Tuesday the 18th, and the SMGA Redball tournament on Saturday the 22nd. Please contact the club for more information about any of these events or to make your reservation.

Have a great Independence Day and month of July.

Summertime has finally arrived and we need to make sure we are prepared to play: sunscreen, insect repellent, and stay hydrated while on the course. Our next tournament is the Pinehurst on July 8th. You can sign up in the pro shop.

I would like to welcome our new members and look forward to seeing them out on the course:

Peter Fagot (pronounced Fay-geaux) - no need to say where he came from. Peter hits his drives a mile, beware playing against him.

Dan Masch - Dan previously played at Falcon Point and moved to WL 2 years ago, he's a Cougar alum.

Tim McWilliams - moved to WL in March and works in the Chemical industry. I've heard he and his wife Bridget are quite a team on the course.

Todd Segmond - Todd was out of town for the writing but will follow up with him for next months edition.

The MGA would like to recognize and thank the following individuals, groups, and/or organizations who provided sponsorships and/or contributions to MGA events and activities in 2017 YTD. These sponsorships/partnerships are vital to the continued success of MGA events, which provides funding for meals, prizes, and entertainment during events like the Member/Guest Golf Tournament, and on behalf of the membership, would like to recognize the following;

- **Ambler Jewelry**~ Jewelry for the ladies "Putting Competition"
- **Central Automotive Group**~Hole-In-One Prizes during the 2017 Member/Guest Tournament including a New Vehicle
- **Fulshear Family Medical**
- **Jim Sitko**
- **Linda Roblyer, Prestige Properties**
- **Lee Patton, Prestige Properties**
- **Remedy Roofing**
- **The Salons**
- **Wallis State Bank**
- **Weston Lakes Country Club**

From the Rules of Golf

Section 4 ADJUSTING HOLE SCORES

Definitions

The game of golf is based on the premise that a player will play as well as the player can play. Under the USGA Handicap System, each player is required to record a hole score for a hole not finished, not played, or not played under "The Rules of Golf," and to reduce any hole score when it is higher than the maximum number allowed under *Equitable Stroke Control*.

4-1. Unfinished Holes and Conceded Strokes

A player who starts, but does not complete a hole or is conceded a stroke must record for handicap purposes the *most likely score*. The *most likely score* may not exceed the player's *Equitable Stroke Control* limit, defined in Section 4-3. This *most likely score* should be preceded by an "X." (See Decision 4-1/1.)

There is no limit to the number of unfinished holes a player may have in a round, provided that failure to finish is not for the purpose of handicap manipulation.

Example 1: A and B are partners in a four-ball stroke play competition. On a hole on which neither player receives a handicap stroke, A lies two, 18 feet from the hole. B lies two, 25 feet from the hole. B holes a putt for a 3. A picks up on the hole, because A cannot better B's score. A records X-4 on the scorecard because 4 is A's *most likely score*.

4-2. Holes Not Played or Not Played Under The Rules of Golf

If a player does not play a hole or plays it other than under the Rules of Golf (except for *preferred lies*), the score recorded for that hole for handicap purposes must be *par* plus any handicap strokes the player is entitled to receive on that hole. This hole score, when recorded, should be preceded by an "X."

Example: A player with a *Course Handicap* of 10 receives a handicap stroke on the first 10 allocated handicap-stroke holes. If the player does not play the sixth allocated handicap-stroke hole, which is a *par* 4, because of construction on the green, the player must record a score of *par* plus one for handicap purposes, or X-5. (See Decision 4-2/1 and Section 5-2b.)

4-3. Equitable Stroke Control

All scores for handicap purposes, including *tournament scores*, are subject to the application of *Equitable Stroke Control (ESC)*. This mandatory procedure reduces high hole scores for handicap purposes in order to make handicaps more representative of a player's potential ability.

A handicap determined from scores to which ESC has not been applied may not be termed a *Handicap Index*.

ESC is used when a player's actual or *most likely score* exceeds a maximum number, based on the table below, for the player's *Course Handicap* from the tees played. (For nine-hole *Equitable Stroke Control* table, See Section 10-5c.)

b. Scores on All Courses

Adjusted gross scores from all courses with a *USGA Course Rating* and *Slope Rating* made during an *active season*, both at home and away, must be posted by the player along with the appropriate *USGA Course Rating* and *Slope Rating*. (See Decision 5-1b/1.)

c. Scores in All Forms of Competition

Scores in both match play and stroke play must be posted for handicap purposes. This includes scores made in match play, in multi-ball, or in team competitions in which players have not completed one or more holes or in which players are requested to pick up when out of contention on a hole. (See Section 4 and Decision 5-1c/1, 5-2a/5, 5-2a/7.)

Women's Association

It looks like it's going to be a long, hot summer! Stay indoors and stay cool. And that is exactly what the ladies in the WL Women's Association are planning—staying cool and enjoying the summer months with our families in some cool spot—maybe far away or maybe just in our homes. And we're keeping the AC guy on speed dial! Consequently, there won't be any meetings in the hot and muggy months of June, July and August. However, an exciting fall is planned, so mark September 19 on your calendars so you won't forget the next meeting! The program will be a style show to get us ready for the fall season, and hopefully some cooler weather. Many other fun things are planned for the fall like the Fulshear 5K on September 30 and the Christmas Home Tour. You won't want to miss them! Stay tuned for more information.

Officer elections will be held for the 2018 officers at the September meeting. The Nominating Committee's slate of officers for the new year is as follows: President, Dana Sarles; 1st Vice President, Earlene Hopkins; 2nd Vice Presidents, Lorelei Nash and Rachel Durham; Corresponding Secretary, Jean Lobo; Recording Secretary, Carole Sandoval; Treasurer Deb Gillis; Parliamentarian, Nancy Case. Nominations will be taken from the general membership at this meeting, with elections following.

All women in Weston Lakes are invited to join the Weston Lakes Women's Association. Meetings are the third Tuesday of each month (except June, July, and August) and are held at 10:00 am at the WL Country Club Ballroom. Meetings are fun, educational, and inspirational. Many social and philanthropic events and projects are held during the year, and there's something for everyone! All ladies in WL are encouraged to visit and/or join this group. If you need further information or have questions, contact Earlene Hopkins, Corresponding Secretary at Cougarmomuh@aol.com.

Earlene Hopkins,
Corresponding Secretary

City of Weston Lakes

Mayor's Comments

We are once again in mosquito season. West Nile virus and the Zika virus are still a concern. The best prevention from breeding mosquitoes is to identify standing water and drain it if possible. If not you can break the mosquito life cycle by using a larvacide to kill the larva before they become adult mosquitoes. The larvacide is in the shape of a donut and is called a Dunk. It can be placed in the standing water and will kill the mosquito larva.

Swim lessons have started. A big thank you goes out to Dominic Lese for being the swim teacher once again this year.

There will not be a City Council meeting this month, July.

Hurricane season is here, make sure you are prepared.

As always be aware of the children at play and watch your speed.

Mary Rose Zdunkewicz
Mayor

Golf Course Maintenance

Summer is officially here and the temperatures are starting to get hot. The golf course is in great condition. The rains we received in May and June have helped us fill in some of the weak areas in the rough. The greens transitioned very well from winter grass to summer grass and are in great condition. The maintenance staff has been busy keeping up with the mowing and edging to keep the course in good shape and as always please repair your ball marks and fill your divots with sand..

Shannon Donaway
Golf Course Superintendent

Margaret Inlow

(281) 533-9152

Senior Men's Golf Association

S MGA Welcomes New Members

The Weston Lakes Senior Men's Golf Association continues to grow in membership. This month we welcomed Tim McWilliams, Hunter Rowe, and Bob Brown. We also welcomed back Steve Benson to our group. Our organization is open to any man 55 years old or older with a Weston Lakes golf membership. Our official play times are Tuesday and Thursday mornings at 9:00. If you are interested in playing with the group, please be at the driving range by 8:30.

Match Play

We had 46 players compete in the 2017 SMGA Match Play event. The brackets were named for former SMGA members who have passed away. This year the brackets were named in honor of Ed Van Dyke, Jerry Burton and Tom Johnson. Peggy Van Dyke, Betty Burton and Judy Johnson were invited to hand out the prizes to the top three finishers in each bracket and to join the SMGA members for lunch following the Member-Guest tournament. The top three in each bracket were:

	Van Dyke Bracket	Burton Bracket	Johnson Bracket
1st Place	Tom Gerber	John Kemper	Gene Harbers/Dan Riley
2nd Place	Don Wells	Clarence Bedsole	
3rd Place	Glenn Seay	Ron Court	Terry Miller

Three Holes-in-One

During a six-day period, three of our members had holes-in-one. **John Bradway** aced #16 and **Harry Wilson** aced #13 on Saturday, and then **Tom Gray** put it in the hole in one shot on hole 13 the following Thursday. Congratulations to all three! We also witnessed several other remarkable shots and scores during the month including; an Eagle by **Don Wells** on hole 18, **Ron Court** shot an all time low of 82, and **Clay Anderson** recorded his low on the course with a 76. **Dan Bishop** shot a 68, which is an SMGA all time record!

Tom Gray Hole-in-One Hole #13

Dan Bishop - Shot SMGA Record Score 68

John Bradway Hole-in-One Hole #16

Property Owners Association

It is so exciting to see the children out of school and enjoying summer! We are thrilled to announce that the Recreation Committee and the POA Board have finalized and approved funding for the playground equipment. One unit will be placed in Riverwood Park, and a new swing set in Pecan Park. The estimated manufacturing time for the units is 8 weeks. We will be adding kiddie mulch and plastic timbers around the new unit as well as the existing play equipment creating one large play area in Riverwood, and kiddie mulch and timbers will also be added to the swings in Pecan Park.

The walking trail is also our top priority. We are continuing to investigate the best products and the best placement for our residents. We will keep you posted as we progress.

We are also planning various events for the Weston Lakes Community. Details to come!

Until the new swing unit is in place in Pecan, please do not use the existing unit, as it has suffered storm damage and is taped off.

All applications for Home Improvement and Home addition should now be directed to the POA office. The forms and instructions are located on the Weston Lakes POA web site under the documents folder.

Hurricane season began June 1st. The City of Weston Lakes Emergency Management Team has valuable information regarding emergency preparedness. If you have any questions or would like to join the Emergency Management Team, please contact the City of Weston Lakes.

As a reminder, there is no hunting or discharge of any firearms allowed in Weston Lakes. Specifically, no hunting or discharge of any rifle, pistol, shotgun or any other firearm, or bow and arrow, or any other device capable of killing OR injuring.

The next scheduled POA meeting is **September the 28th**. There will be no meetings in July and August.

Garden Club

25th Anniversary

Save the date 'cause the party train is making a stop on **Tuesday, September 26** as the Garden Club kicks off our **25th year!** We'll be honoring those pioneer women that in their brilliance formed our club and laid the ground work for one of the most popular clubs in Weston Lakes.

We generally meet on the fourth Tuesday of the month, September to May, to hear interesting speakers, travel to local garden spots and generally just have a great time.

A year of fun is just \$25 until September 15th, \$30 afterward. Dues received prior to 9/15 will be eligible for a special drawing at the September meeting. Checks made to WL Garden Club can be mailed to Mary Kanney @ 4806 Waterbeck.

Join in! We'd love to have you and promise you'll have a grand time meeting some terrific folks!

My garden is my favorite teacher.

Betsy Cañas Garmon

Elizabeth Robbins,
Correspondence Secretary

Garden Tip:

Fire Ant Season is coming to a close so the chinch bug invasion is about to commence. Watch for irregular brown patches in your yard and treat as soon as possible as the majority of damage happens underground. We've had good luck with Spectracide's Trazicide in the hose attachment form for chinch bugs and Ortho's Orthene powder for fire ants. As with any lawn treatment chemical, please consider wearing gloves, protective eyewear and a face mask. Read and follow all directions. Store as directed and away from children and pets.

From the Golf Shop

We have now moved into the temporary building by the Pro Shop and Fitness Center building for the next several months.

The annual SMGA Member Partner tournament was postponed due to rain. We're looking forward to the events in July including the MGA Pinehurst on July 8th and the SMGA Redball on July 22nd.

The summer heat has defiantly arrived so please make sure you take care of yourself while out in the heat by drinking plenty of fluids. Also, there are some great items leftover from the Member Guest (All at a very special tournament pricing) so be sure to come by check them out.

As always we ask for your assistance in repair their ball marks, divots and staying the proper distance away from the green.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

RECREATION COMMITTEE

It is so exciting to see the children out of school and enjoying summer! We are thrilled to announce The Recreation Committee and the POA Board have finalized and approved funding for the playground equipment. This unit will be placed in Riverwood Park. They expect manufacturing of the unit to take 8 weeks. We will be adding kiddie mulch and plastic timbers around the new unit as well as the existing play equipment creating one large play area.

The walking trail is also our top priority. We are continuing our investigation for the best product and the best placement for our residents.

We are also planning various events for the Weston Lakes Community. Details to come!

During one of the storms a large tree branch fell on the swing set in Pecan Park. The POA is looking into the repair. To avoid an injury, please do not use the unit until it has been repaired.

Linda Roblyer, Chairman
Recreation Committee

Keep Weston Lakes Beautiful

It's now summer and the Keep Weston Lakes Beautiful team is in full swing with many upcoming projects and activities to benefit our wonderful community. As we approach these projects, activities and the execution of our Keep Weston Lakes Beautiful mission, many of our Weston Lakes residents have asked us... "What can we do?" So, the Keep Weston Lakes Beautiful Board held a volunteer luncheon in early May to share information on its current projects, as well as to gather resident ideas for new ones. Beautification projects such as planting flower beds, creating a butterfly garden, fence painting, and youth art participation were suggested to name a few.

One idea, presented by Debby Hass, was a Bluebonnet garden in Pecan Park:

Springtime in Texas conjures visions of bluebonnet fields and families making pilgrimages to take photographs to document the beauty of nature. Keep Weston Lakes Beautiful would like to populate a small section of Pecan Park with a Wildflower Preserve that would allow our residents ample opportunity to convene with nature, take photographs and paint our own little slice of heaven during springtime in Texas. Keep Weston Lakes Beautiful completed its research with the [Lady Bird Johnson Wildflower Center](#) and subsequently requested from the Weston Lakes POA, the use of a small triangular space within the north end of Pecan Park for this purpose. If designated a Wildflower Preserve, Keep Weston Lakes Beautiful would like to sow that small area with a native wildflower mixture containing bluebonnets. Native to our great state of Texas as our state flower, the bluebonnets will require no special watering or upkeep. Keep Weston Lakes Beautiful will provide the seed, volunteers to sow the seed, and nature should then produce a beautiful palette of color for our residents to enjoy year after year. This could take a couple of sowing seasons to get our bluebonnets started, but once established, the Wildflower Preserve will have a beautiful natural blooming season. The other native flowers in the mix should continue to provide summer and fall color. When complete and mature, Weston Lakes residents will enjoy the enhanced nature and our resident artists will have a colorful natural venue for painting and photography. Simultaneously, Keep Weston Lakes Beautiful will have enhanced our local ecosystem with native vegetation. Plans are to acquire the bulk seed from Fredericksburg, Texas to ensure the native viability of the seed.

Keep Weston Lakes Beautiful Honors our Veterans on Memorial Day:

Keep Weston Lakes Beautiful visited our local cemetery to place flowers and flags on and around the headstones of those you served our nation. Keep Weston Lakes Beautiful is committed to remind our community at this time each year that we will not forget those you have served so bravely in defense of our freedom.

Keep Weston Lakes Beautiful attends 50th Annual Keep Texas Beautiful Conference in San Antonio:

Keep Texas Beautiful Affiliate Cities from all over Texas come together each year to celebrate achievements and share ideas on helping to make Texas the most beautiful state in the nation. Keep Weston Lakes Beautiful's Chairman and Co-founder Carol Fairbanks, and Board member and Co-founder Nancy Case represented Keep Weston Lakes Beautiful during the 2 day event and garnered numerous new ideas to bring back to Keep Weston Lakes Beautiful's committees for consideration during the upcoming year to further beautify our community.

If you would like more information on how you can get involved, please go to: keepwestonlakesbeautiful@gmail.com

Memorial Day Randon Bottom Cemetery

Springtime in Texas conjures visions of bluebonnet fields, and families make pilgrimages to take photographs and document the beauty of nature. **Keep Weston Lakes Beautiful** would like to create a small section of a *Wildflower Preserve* that would allow our residents ample opportunity to convene with nature, take photographs and paint our own little slice of heaven during springtime in Texas. The committee has researched through the Lady Bird Johnson Wildflower Center and has requested the use of the small triangular space within the north end of Pecan Park. If designated a *Wildflower Preserve*, the committee would like to sow that small area with a native wildflower mixture containing bluebonnets. Native to our great state of Texas as our state flower, the bluebonnets will require no special watering or upkeep. **Keep Weston Lakes Beautiful** will provide the seed, volunteers will sow the seed, and nature should produce a beautiful palette of color for our residents to enjoy year after year. This could take a couple of sowing seasons to get bluebonnets started, but once established, the *Wildflower Preserve* will have a beautiful natural blooming season requiring mowing only after blooming for continued seed dispersal. The other native flowers in the mix should continue to provide summer as well as fall color. Weston Lakes residents will enjoy the enhanced nature and dog walks, our resident artists will have a colorful nature venue for painting and photography areas, and in return, **Keep Weston Lakes Beautiful** has enhanced our local ecosystem with native vegetation. Plans are to acquire the bulk seed from Fredericksburg, Texas, to ensure the native viability of the seed.

Nancy Feichardt, Carol Fairbanks, Terri Oliver, Connie Kelley, Debby Haas

Carolyn Martinez, Dana Sarles, Earlene Hopkins, Debbie Rodriguez, Bonnie Carr

Lunch is served

Keep Texas Beautiful Conference

Fitness Center

We have loved getting to see some of our Members join us for classes last month and look forward to seeing everyone again soon! We are happy to announce that until we are able to move back into and fully operate in our permanent building, we will be operating the Fitness Center from a portable building! The portable building will not be large enough to accommodate all the equipment that we would normally offer, but will house a variety of treadmills, ellipticals, free weights, and strength training equipment available for use to our Fitness Members! We will be scheduling classes like Yoga, Pilates, and PiYo around existing events in the ballroom until we return to our permanent building. All other classes including, but not limited to, Boot Camp, Power Pump, and Core will be held in the portable building, or outside depending on weather conditions! Use of the portable building and ALL scheduled group fitness classes will be available to Fitness Members at no charge!

Massages will also be available for appointments and will be in the Weston Room. Massage appointments are available Mondays, Thursdays, and Saturdays. To schedule your next appointment, please email Kylee at kylee@westonlakes.net.

For class schedules, or updates on when we will be open for Operation, please look for our E-blasts or check out our Facebook page at www.facebook.com/wlccfitnesscenter/. For more information or any questions, please email Kylee Ford at kylee@westonlakes.net.
