# From the Club Manager

**W**ork has begun on the interior of the Fitness Center and Golf Shop, and we are already looking forward to the completion of the work and reopening of the facility this fall. It's hard to believe the building had only been open a little over two years when we suffered the lightning damage, but it had become one of the most popular amenities for our members. While the work is ongoing, please remember that fitness members are welcome to use our temporary fitness facilities located near the practice putting green at no charge. Our fitness staff is also offering numerous classes during the week, so call the club office for more details.

We had another successful Independence Day celebration this year with our annual parade and festivities at the clubhouse afterwards. It's always fun to see everyone showing off their patriotic spirit with the decorated cars, golf carts and other vehicles. Members also enjoyed the July activities of the Kid's Splash, Live Music

in the Courtyard, and the golfers were able to participate in the MGA's Pinehurst tournament and the SMGA's Member-Partner and Redball events.

If you are looking for activities to get involved with, we have so many in the neighborhood to choose from. At the club we host the Car Club, Poker Night, several Bridge groups, Bunko, Women's Association, Garden Club, Keep Weston Lakes Beautiful, Rotary Club, men's and ladies' golf associations, and the City of Weston Lakes Emergency Management team, just to name a few. All these groups are glad to welcome new members, so for more information please contact the club office.

Please remember that the club will be open on Monday, September 4th for Labor Day, and closed on Tuesday the 5th.

Have a wonderful August and end of the summer.

We would like to welcome our newest member Todd Segmond, although originally from New York Todd and family have lived in WL for the past 12 years and since he has recently retired has become an avid golf enthusiast.

WLMGA presented a check for \$750 to the Brookwood Community as part of our ongoing initiative to support Brookwood for the fantastic job they are doing. As part of the presentation we had a putting contest with the residents (of which we lost) and got to intermingle in their daily work chores in the stone casting workshop.

A special shout-out to the Weston Lakes Men's Golf Association for selecting Brookwood as a beneficiary from their golf tournament.

"Thank you for supporting day citizens such as Erin who works in Stone Casting to have meaning and purpose in their lives!"

*The Brookwood Community*

Our next tournament is the Ringer scheduled for August 5th & 6th. Sign-up sheets will be in the pro shop.

## Golf etiquette

Refers to a set of rules and practices designed to make the game of golf safer and more enjoyable for golfers and to minimize possible damage to golf equipment and courses. Although many of these practices are not part of the formal rules of golf, golfers are customarily expected to observe them.[1] The R&A rule book states that "[t]he overriding principle is that consideration should be shown to others on the course at all times." [2]

## Fairway divots

Divots should always be repaired, either by placing sand in the divot or replacing the grass, preferably with a driver. Some courses also place containers of divot repair mix on carts and at tees, which can be poured into the divot.[3]

## Walking

Golfers should avoid distracting fellow golfers. Golfers should not run during play, but instead walk quickly but lightly during play and remain stationary while others play their shots. Players should be still and remain silent during a fellow player's pre-shot routine and subsequent shot.[4]

## Golf carts and equipment

Golf carts should not be used to annoy or distract other players. The cart should be parked on the cart path when at the tee box or putting green. Carts should normally stay only on the paths, and are required to do so on many courses. Golfing equipment (bags, clubs and carts) should never be placed in front of the green as annoyance to the approaching players. Should carts be permitted off the paths, golfers should observe the "90 degree rule": make a 90 degree turn off the path toward the fairway to a given ball, and return straight back to the path, not along the path of greatest convenience. Carts inflict wear and tear on the course, and can be accidentally driven over another player's ball. Golfers should keep the noise of backing up to a minimum and must always set the park brake before disembarking.[5]

## Ball identification

A golfer should always know which brand of ball he or she is using, or mark it to avoid confusion during play.

## Line of sight

In the tee box, other players should stand alongside the person playing, out of the way and not behind the player getting ready to swing. Should the player about to play the ball ask his partners to move, the request should be honored.

## Pitch marks on the green

A ball hitting the green often leaves an indentation, a pitch mark, where it strikes the ground. These need to be repaired to keep the green in good condition. After golfers have arrived at the green, they should make it a point to find their pitch marks and repair them.

## Putting lines

Golfers should note each player's putting line, and avoid stepping on it as they play on the green or stand on a line of sight, that is, in the line of sight either ahead or behind a player who is attempting to putt. Players should not stand close to or directly behind the ball, or directly behind the hole, when a player is about to play. In the event that your ball is in another player's line, it is important to mark your ball's position, and only then remove it (pick it up) from the green.[3] A second but related concern involves the hole itself. A golfer should avoid stepping within at least a one-foot radius of the hole.

## Bunker

Play from a bunker- According to the rules of golf, a player is not allowed to "ground" the club in any type of hazard. This means that a player getting ready for a shot cannot allow the club to touch the ground, sand, water, or anything else during a practice swing. A player is allowed to thrash as much sand, water, etc., as necessary during the actual shot. A player should always enter and leave a bunker from the low side. After the shot, a player should rake the sand smooth again to leave a fresh surface for other players. Normally, the rake should be replaced alongside the bunker, not inside it.

## Slower players

Slower players should allow following faster players to play through if there is substantial room in front of them. Golfers should try to follow closely the group ahead of them, and not to be "pushed" by the group behind them.

## Tee

A golfer should choose the correct tee for their skill level, regardless of where the other members of the group are playing. The different tee lengths are one way to help even the playing field. A golfer should tee the ball between the two markers, within 2 club lengths behind. Should a golfer address the ball, swing and miss, the golfer incurs no penalty (but the stroke counts). If the ball is moved, anywhere off the tee at address, a one-stroke penalty will be incurred.[6]

## Women's Association

**B**e sure to put **September 30th** on your calendars for the **2nd Annual Fulshear 5K**. You won't want to miss it. Last year's event was fun—with lots of activities and entertainment besides the walk/run event. This year's event promises to be even better than last. The event will be at the Fulshear High School beginning at 8:00 a.m. Be sure to visit the website, [www.Fulshear5k.com](http://www.Fulshear5k.com) for registration, sponsorships, and all the details you will need to join in this community-wide event.

Once again, **Jamie Johnson and Carolyn Martinez** have a fun program planned for our September 19th meeting. A style show from Chico's is planned with some local "celebrity models" from our very own membership. Fun, fellowship, and fashion will be the perfect combination for the very first meeting after our summer break. You won't want to miss this one!

Officers will be elected at the September meeting with the Nominating Committee submitting the following slate: **Dana Sarles**, President; **Earlene Hopkins**, 1st Vice President; **Rachel Durham** and **Lorelei Nash**, 2nd Vice Presidents; **Deb Gillis**, Treasurer; **Carole Sandoval**, Recording Secretary; **June Lobo**, Corresponding Secretary; and **Nancy Case**, Parliamentarian. Nominations will also be taken from the floor. Newly elected officers will begin their duties in January, 2018.

The Weston Lakes Women's Association is open to all women in Weston Lakes who are looking for fellowship as well as wanting to be a part of some very worthy causes. The Women's Association in conjunction with the Foundation gives annual scholarships and grants to local youth and service organizations. Meetings are the 3rd Tuesday of each month beginning at 10:00 a.m. at the WLCC. Programs are always informative, educational, and fun. We would love for you to visit and join!

**Earlene Hopkins**,  
*Corresponding Secretary*

## Tournament Schedule

### August 2017

#### NOTICE:

We appreciate your cooperation and understanding on doubling up players on Weston Lakes CC golf carts due to the increase in play and the number of golf carts being used on a daily bases. This will continue to help improve our course conditions by reducing golf cart damage.

## Golf Course Maintenance

**J**uly ended with a few beneficial rain showers that really helped the golf course in some areas that we don't have irrigation. The grass has started to grow very rapidly and the maintenance staff is working hard to keep up with its growth. We had a few weeks last month that we got behind on mowing the rough due to the rain which will happen from time to time so we appreciate your patience during these rain events.

I hope August brings a few showers like we had in July to keep us heading in the right direction. We started weed control in July and will continue into August you will notice some yellowing of the turf in the roughs so don't be alarmed, it will green right back up in a couple of weeks. I hope everyone is enjoying the course conditions and as always please repair your ball marks and divots.

**Shannon Donaway**  
*Golf Course Superintendent*

# Property Owners Association

**W**e would like to introduce Stacey Gootee who will be working part time in the POA office. Please feel free to stop by and welcome her.

## Front Gate Information:

There have been an excessive number of resident gate arm hits in recent weeks. Gate arm hits are the result of "tailgating" the vehicle ahead of you, and/or excessive speed. Speeding will NOT make the gate arm lift faster. The system is designed for one vehicle at a time. Do NOT cross the speed bump until the vehicle ahead of you has completely passed the gate arm. Remember, you will be billed for damage/repair.

## RECREATION COMMITTEE Update

We hope you are enjoying your summer and staying cool. We are excited to announce that the manufacturing of the playground equipment will be completed the first of August. We will begin installation at Riverwood Park the middle of August, which will take approximately one week. During that period, we will also be installing a new swing set in Pecan Park. Please do not use the play equipment, while the installation is taking place. The recreation committee will be monitoring progress to ensure the equipment is installed as per specification.

We are planning a community celebration at the end of summer. Details to follow!

The next scheduled POA meeting is September the 28th. We hope to see everyone there.

# Senior Men's Golf Association

## Interclub News

We have reached the midpoint of the Interclub season. Our team competes against seven other west Houston Country Clubs, and we are currently tied for second place. The most recent competition was hosted by Falcon Point Country Club and our Weston Lakes team won the event. Participants included; **Leon Viaclovsky, Benny Bixenman, John Kemper, Rodney Bartek, Harry Wilson, Rick Kimbrell, Eric Fotheringham, and Mark Griffith.** In addition to winning the event, John Kemper had a hole-in-one on hole #2. This is the second time John has aced this hole at Falcon Point during interclub completion. The last time was two years ago. There has only been four hole-in-ones during interclub play, and John Kemper now has two of them. Congratulations to all the players for the win and to John Kemper!

## Interesting Tidbits from Last Month's Play

There were several news-worthy rounds of golf recorded during the month. **Clarence Bedsole** shot a 74, which is one less than his age. **Richard Delmar** shot a personal best of 88, and **John Kemper** also tied his personal best score with an 81. We also had three members with hole-in-ones during the last few weeks who also deserve recognition. **Jeff Donofri** aced #3, **Harry Wilson** aced #13, and **John Kemper** had a hole-in-one at Falcon Point #2.

## Upcoming Events

The Weston Lakes Senior Men's Golf Association hosted our annual Member/Partner event on July 14th. Thirty-three teams are signed up to play and we expecting a great day of golf and fellowship. Results will be posted in next month's newsletter. We are also scheduled for our Red Ball Tournament on Saturday, July 22nd. **Rodney Bartek** will be directing the tournament and we are expecting another large turnout for the event.

Jeff Donofri

Harry Wilson

John Kemper

# Ladies' Golf Association

**M**atch play continues. Be sure to keep up with your match and follow it on [Challonge.com](http://Challonge.com)

Interclub this month is at **Willowfork on August 24th**. We can have 15 players. Let Wendee know if you are interested in playing.

New scorecards are coming with the "new" handicap holes. These cards are good for 4 years. Extensive work was done by the SMGA and LGA on calculating the new handicaps for the holes.....I'm just the messenger!!!!

Mark your calendars now for the LGA Christmas party on **December 7, 6:30 pm** in the Ballroom. There is a theme this year... "wear your ugly Christmas sweater"!!!! There will be prizes.

New Ladies Lounge is now open to all LGA on Wednesday's after play. Go and enjoy the beautiful room and eat your lunch in there. Any other time, the room must be reserved. Check out the pictures!

The heat continues in August. Please find the shade and hydrate yourself. Have a wet towel available to put around your neck.

The "Pot of Gold Tournament" is coming up on **March 14, 2018** . . . I'm just sayin' . . .

August birthdays: Jordyn Roller: Aug. 4

**Happy golfing!**

# Garden Club

**W**elcome! Welcome!

We are excited to greet all the "move-ins" that have found a new home in our wonderful little bit of paradise. Those that have lived here a while know that Weston Lakes is a very special neighborhood. What makes it such a terrific place to live? Well, surely it's beautiful aesthetically, but more than that, the people who have made it their home are among the kindest, friendliest, warmest folks you'll ever meet. So, New Neighbor, we are mighty glad to welcome you!

One of the best ways to meet the lovely folks out here is through the many neighborhood groups. We want to invite you to join us in the Garden Club. First let me explain that we are not all gardeners, but we do all appreciate learning about the beauty around us together.

We gather monthly, usually on the fourth Tuesday, from September to May to hear expert speakers give interesting and educational presentations, go on adventurous day trips to garden spots across the area, and most of all, we enjoy the company of some terrific friends. We'd love to have you along!

Dues are just \$25 until September 15th, \$30 thereafter. Mail your dues check made to WL Garden Club to Mary Kanney @ 4806 Waterbeck and be sure to include your email and mobile number so we can keep you in the loop for all the upcoming fun.

# From the Golf Shop

The summer is heating up, and so are the activities around the club. Many of you have stopped by to compliment on the New Bulkhead which is now complete in front of the clubhouse along with the Weston Room/Ladies Lounge and 19th Hole Men's Lounge. Like you, we are excited about the huge difference this has made in the overall appearance of the club grounds.

We are now operational from the temporary buildings for the Proshop and Fitness Center. The Proshop is in the single portable building closest to the #1 Tee Box and the Fitness Center is in the larger portable on the far side of the putting green.

We have also installed speed bumps on the cart path to and from the courtyard to help slow traffic down. With summer time here, pools open and family events there has been more traffic around the club so we ask members to be cautious while driving carts around the club house areas.

July was a very active month around the club with the 4th of July Festivities, MGA Pinehurst tournament, SMGA Member Partner that was rained out last month, along with the SMGA Redball at the end of the month. Everyone seemed to a great time.

Have a great summer, and I look forward to seeing you around the club.

As always our team goal is to provide a quality experience for all our members and their guest.

**Keith Simmons**  
Director of Golf

# Keep Weston Lakes Beautiful

**W**ho doesn't love a parade? *Keep Weston Lakes Beautiful* does and participated in the Weston Lakes 4th of July celebration. We were represented with three patriotic parade entries. Many thanks to **Janet Bartek**, **Nancy Rose** and **Earlene Hopkins** for providing the transportation and our drivers, **Rodney Bartek**, **David Hopkins** and **Dr. Gary Rose**. We had so much fun decorating our entries and handing out special packets of Bluebonnet seeds in preparation for the Bluebonnet Garden in Pecan Park! Stay tuned for more details to come in the future.

Our Boots-n-Bling Gala Volunteer Appreciation Luncheon was held on a picture perfect day and thank you to **Nancy Case** for hosting a lovely luncheon at her home for the committee volunteers! The delicious lunch, dessert, fellowship and fun was a special treat. We all loved the boot themed flour sack kitchen towel take home gift! We'll start planning for next year's event soon!

### Our next community projects:

**Calling All Cooks!** *Keep Weston Lakes Beautiful* is creating a beautiful cookbook to be published in time for the holidays! **Valerie Planchard** has graciously volunteered as Committee Chair and is very excited to gather committee volunteers to help her. If you would like to be a part of this committee, please contact us. All profits from the sale of this cookbook will go right back to *Keep Weston Lakes Beautiful*, Weston Lakes Garden Club and the Weston Lakes Women's Association so that we can continue supporting beautification, education, recycling and other community programs.

Want to share some of your favorite recipes? Please email between 1 to 5 recipes to [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com). If you do not have access to the internet, please mail them to:

**Keep Weston Lakes Beautiful**  
P.O. Box 212  
Simonton TX 77476

Please include the recipe title, comments, ingredients, complete preparation instructions, your name and phone number. All recipes must be submitted no later than **Saturday, August 19th**.

**Don't Mess with Texas Litter Pickup.** We are currently planning a *Keep Weston Lakes Beautiful* Litter Pickup. We have recently adopted a 2 mile section running along FM 1093 in front of Weston Lakes, and partnering with "The B.O.B.'s" (otherwise known as Babes on Bikes), we will be cleaning up "our" highway. If you are interested in volunteering to help, please email [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com).

*Keep Weston Lakes Beautiful* is a volunteer group whose goal is to reach into every segment of our community. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

*Keep Weston Lakes Beautiful* receives no funding from the City of Weston Lakes or the POA, and is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

If you would like more information on how you can get involved, please go to: [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com)

## Darryl and Angela Used Martin Mortgage!

"Doing business with **Martin Mortgage** was a breath of fresh air. Their customer service and response times were fantastic. We have bought eight houses in two different countries, and this was by far the easiest process we have gone through. **Michael and his team were there with us every step of the way**, everything was explained and easy to understand.

The timing for approval to close was excellent. **When we buy our next house we will be calling Michael to work with again.** If you're looking for a partner in the home buying experience Martin Mortgage is the one!"
