From the Club Manager

Looking back, it's hard to believe all that has happened in the past month in our neighborhood and the entire Gulf Coast area. Hurricane Harvey has caused some of our residents to be displaced from their homes, and we feel for them as they work to put their homes and lives back together.

Although the damage caused by the storm was overwhelming, a silver lining has been the way our community came together to help those in need. From the Emergency Management volunteers that worked around the clock to monitor the storm and coordinate life safety activities afterward, to

so many residents stepping up to assist with transporting stranded residents or bring them food. Also, the residents who weren't affected by the flooding opening their homes to flood victims they didn't even know before the storm, and these are just a few of the many examples of goodwill that should make us all proud to live in such a caring community.

I know there will still be difficult times ahead for some of our neighbors, but I'm sure the caring spirit of Weston Lakes will continue and we will all get through this together.

Women's Association

Our thoughts and prayers go out to all our neighbors who are rebuilding their homes and lives after Hurricane Harvey. Out of respect for those neighbors, we have cancelled this year's 5K which was scheduled for September 30th. Our membership has been focused on donating to help our neighbors, providing meals, doing laundry, and praying that our neighbors can recover quickly. Plans are to re-visit fundraising efforts later in the year since we know there will be a great need for our annual scholarships and grants.

The Women's Association has geared up for an exciting fall of meetings and special events. Officers for the 2018 year were elected at the September meeting. They are: President, **Dana Sarles**; 1st Vice President, **Earlene Hopkins**; 2nd Vice Presidents, **Rachel Durham** and **Lorelei Nash**; Corresponding Secretary, **Jean Lobo**; Recording Secretary, **Carole Sandoval**; Treasurer, **Deb Gillis**; Parliamentarian, **Nancy Case**.

The next meeting will be held on **October 17th** and features the Fulshear Police Chief, **Kenny Seymour**. He will share valuable information regarding self-defense tactics for women. Come and learn how to protect yourself in various situations. You will be able to improve awareness of your surroundings as you go about "the busy-ness" of shopping and preparing for the Holidays ahead.

The holidays are fast approaching, so let the WLWA get you ready for that fun time of the year. The best way to get in the spirit is to attend the WLWA Christmas Tour of Homes. Tickets will be available soon, so watch for announcements over social media and in the WLCC newsletter for how to purchase. Touring the beautifully decorated homes in Weston Lakes truly gets you in the Christmas spirit. Chairwoman of this year's Tour of Homes is Dana Sarles.

The Weston Lakes Women's Association is open to all women in Weston Lakes who want to connect with neighbors and get involved in some worthwhile community projects. The WLWA Foundation gives annual scholarships and grants to local students and various community organizations. Meetings are fun and casual, with a little business, a little fun, and a delicious lunch prepared by the WLCC especially for our membership. Meetings are the third Tuesday of each month September through May. Dues for the remainder of this year are \$30.00 for returning members and \$15.00 for new members. We would love to have you visit and/or join us for some great times.

Corresponding Secretary

Ladies' Golf Association

October is a busy month for the LGA. We start off on **Oct. 4** with our "Pink Lady Scramble". The 9th and 18th-hole ladies play together in this event. It benefits the "Susan G. Koman Race for the Cure" event to raise money to cure breast cancer. This year, we will dedicate this event to one of our own, **Caroline MacDonald**, who is battling the disease. We want a big turnout for this event. Bring your contribution in a sealed envelope made payable to the Susan B. Komen Foundation. Sign up will be with Eileen when she sends out the Email. Be sure to wear pink!

The 2017 Club Championship and President's Cup will be held **Friday and Saturday, October 13th and 14th**. Tee times begin at **8:00 am** on both days, with lunch (LGA sponsored) and meeting Saturday after play in the library. A sign up list will be in the pro shop beginning **Saturday, September 30th** or you may RSVP to the event in our Facebook group, or you may reply to Catherine in an Email at CATinkler@yahoo.com.

Judy Johnson and her nominating committee have been working on the new slate of officers for 2018. They will present a slate of nominees at the meeting on **Oct. 14th**. If you are called upon by one of them to take a position, please do not hesitate to say yes! We will also take nominations from the floor at the meeting and then we will vote.

Our last Interclub of the year is **Oct. 26 at Pecan Grove**. Be sure to sign up with Wendee when she sends out the Email.

November 15 will be our Member/Guest Tournament. This was a very fun event last year. Be thinking of who you want to invite as your guest. A format for this event is yet to be determined.

Congratulations to **Betsy Martin** for her Hole-In-One on play day Wednesday Aug. 23 on Hole #7. She won a whopping \$125 from the hole in one pot. So, we need to start over. The cost is \$5 and give your money to Ting. This was Betsy's first Hole in one... sweet!

Garden Club

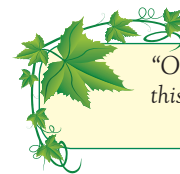

What an outpouring of love! When the skies above opened, the members of this community proved it would take more than a record storm to bring down our neighborhood. Folks opened their homes, boats, pantries, and most especially their hearts to neighbors they might not have even met before. I tell you, it's a blessing to live in the kind of community that pours out such love to one another.

If you're familiar with the Garden Club, you may already know that it's really about all the dear folks that join us for our speaker meetings and adventurous outings. We love learning about gardening and exploring the splendor around us, but it's those beautiful hearts that keep us coming back. And we are delighted to be celebrating our 25th year as one of Weston Lakes' most popular clubs.

October 26th will take us on a road trip to the scenic Painted Churches. Members will carpool to the churches led by a fascinating docent who will guide us through these historic buildings. Advanced reservations (before 10/15/17) and paid membership are required, but such a bargain! Just \$22 covers the tour and luncheon and \$30 in dues for a year of fun (September - May). Check the Garden Club page on the POA website for further information.

Won't you come join us! We'd love to have you with us!

Correspondence Secretary

Dan Riley: Hole-in-One #16

Red Ball 2nd Place Team: Tim Christ, Mike Bednarz, Todd Segmond, Steve Utterback

Senior Men's Golf Association

Tidbits from the Course

We would like to congratulate **Dan Riley** for his hole-in-one. Dan aced #16 during one of our regular play days last month. In addition, **Kirk Hanson** shot his age, 73, **John Kemper** shot a career low of 79, and **John Sharadin** shot his course record score with a 76, including five birdies. We also need to thank **Rob Yarbrough** and **Marty Dubroc** for organizing and leading more than 30 SMGA members as we came to the aid and cleaned up fellow SMGA golfers **Clarence Bedsole's** and **Don Mallon's** flooded houses following Hurricane Harvey.

Red Ball Tournament

The SMGA Red Ball Tournament was held on July 22nd. This is always a fun tournament which is actually two tournaments in one. Four man teams compete in a typical best two-ball game, but also compete in a separate game where team members alternate by hole, playing with the red ball. If the red ball is hit out of bounds or into a hazard, the team is disqualified from the red ball competition. This was an exceptional year with six of the eleven teams completing all 18 holes with their red balls. It was also a unique year in that both the first and second place teams won in both the best two-ball game as well as the red ball competition. Thanks to **Rodney Bartek** for directing the tournament.

	1st Place	2nd Place	3rd Place
Best Two/Ball	Mark Taylor Jack Taylor Norm Omsberg Bob Poe	Mike Bednarz Tim Christ Steve Utterback Todd Segmond	Kirk Hanson Clarence Bedsole Roger Pruett Jim Self
Red Ball	Mark Taylor Jack Taylor Norm Omsberg Bob Poe	Mike Bednarz Tim Christ Steve Utterback Todd Segmond	Gary Hensley Bob Wall Terry Miller Bob Cleghorn

In addition to team awards, the tournament also awarded prizes for closest to pin on each par 3 hole. Awards were given for both the Red Ball and the regular Best Two-Ball game.

	Red Ball Game	Regular Game
Hole #3	Gene Harbers	Mike Bednarz
Hole #7	Bob Poe	Leon Viaclovsky
Hole #13	Gary Hensley	Bob Pfaffenberger
Hole #16	Joe Kuhla	Clarence Bedsole

Property Owners Association

Last month saw unprecedented rainfall and flooding to many of our neighborhood homes in Weston Lakes. The Weston Lakes Community came together and assisted friends as well as strangers, that have now become friends.

There are many stories of evacuation, massive assistance once the water receded, and the outpouring of kindness by our neighbors and local church groups.

The Weston Lakes POA would like to thank our neighbors, The Emergency Management Organization, the City, and the Weston Lakes Country Club for their "real time", as well as on-going volunteer efforts during this time.

The recovery process has only begun. All of us in Weston Lakes should continue to support our neighbors in this time of need.

Golf Course Maintenance

It's already October it seems like it was just yesterday that we were cleaning up from a catastrophic flooding event. I would like to thank Mike Surface, Keith Simmons, and Claude Middleton for their help mowing the course while the maintenance staff was unable to get to work. We had the MGA Club Championship at the end of September. The LGA and SMGA will have their Championships in October. The golf course is great shape and the staff has done a great job in getting it prepared for the Tournaments. I would like to thank all the members for their patience while we watered during the morning before play our pump station was under water during the floods and we were having to water manually. Hope to see you on the course and as always please repair your ball marks and sand your divots.

Shannon Donaway
Golf Course Superintendent

From the Golf Shop

After Harvey's aftermath it took time to get some kind of normalcy back into our lives. Here at the Club our crew worked hard to get the course back into shape and fortunately it looks great post hurricane. Also we are making progress on the Fitness Center and Golf Shop. We all look forward to moving in as soon as possible . . . hopefully by the end of the year!

We held our 1st Annual Weston Lakes Country Club Golden Lion Cup Tournament last month which was a two-person best ball format. What a great turnout! It didn't take long to fill up a 50 Team field with 4 flights. The event was open to all golfing members and their guest at no charge. Everyone seemed have a great time with lots of food, drinks and prizes. And to top it off, the weather was wonderful making it great day for golf. So be on the lookout for more fun events in the days to come.

I just wanted to say **THANK YOU** again to all our members and their guest that came out and made it such a great time for all.

Our goal is always to provide a quality experience for all our members and their guest.

Keith Simmons
Director of Golf

Our thoughts and prayers go out to all those that have been affected by Hurricane Harvey.

Our next tournament will be the Weston Cup on November 4th & 5th. The top 24 on the points list automatically qualify to participate. You can go online at wlmga.golfgroup.info to see the points list.

"The road to success is always under construction. Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. Success in golf depends less on strength of body than upon strength of mind and character. Winning isn't everything, but wanting it is." Quotes by Arnold Palmer

Keep Weston Lakes Beautiful

Hurricane Harvey Relief Effort:

The devastating effects of Hurricane Harvey have taken a toll on many of our residents in the City of Weston Lakes. The Keep Weston Lakes Beautiful Board members and volunteers immediately went into action to assist flooded Weston Lakes' residents and Simonton residents. They assisted in the clubhouse command center, debris removal, cleaning flooded homes, packing belongings and providing food, supplies, places to live, and even pet sitting. We love our city and while it was, and still is, a very difficult time, it was an opportunity for Keep Weston Lakes Beautiful members to be a part of the "neighbors helping neighbors" effort. Our thoughts and prayers continue to be with all of you who have been affected.

Projects in progress:

Front Gates Beautification Project:

At the request of, and in conjunction with, the Weston Lakes POA, Keep Weston Lakes Beautiful has been asked to undertake a project to beautify the front gate entrances at the Weston Lakes and the Waterford main entrances. We will plan, coordinate and assist in landscaping these areas in the upcoming months. In the wake of Hurricane Harvey, we are proud of our city and thankful for the opportunity to provide our services to this endeavor.

Weston Lakes Cookbook Fundraiser: "A Taste of Goodness"

Committee Chair, Valerie Planchard and her committee are busy organizing the 398 recipes provided from our Weston Lakes residents. Wow... 398!!! This labor of love is in the final editing stage, then off to print, and will be available for purchase prior to Thanksgiving. You might even add some of the yummy recipes for your holiday feast. They will also make a GREAT holiday gifts. Watch your emails in October for the announcement of our tasting event and pre-order opportunity.

Pecan Park Beautification Project:

On September 9th, National Planting Day, our Bluebonnet Committee members went to Pecan Park and sowed multiple pounds of Lady Bird Johnson Legacy Seed Mix with an extra helping of Bluebonnet seeds. In addition to Bluebonnets, the mix includes Verbena, Wine Cup, Purple Coneflower, Lemon Mint, Indian Blanket, Black Eyed Susan, Indian Paintbrush, Pink Evening Primrose and Plains Coreopsis. We are looking forward to a vibrant color display next June!

Committee member Tricia Wright, and cookbook Chairwoman, Valerie Planchard putting the final edits on our soon to be published cookbook.

Randon Bottom Cemetery Restoration Project:

On September 13th, the cement foundation was poured by Robbins

Monuments for the new Randon Bottom Cemetery monument. The monument will be installed later this year. In October, Nicholas Stephens and his Scout Troop, will be installing the brick pathway at the entrance to the cemetery. As you may recall, Nicholas is using this project toward earning his prestigious Eagle Scout honor. Nicholas has planned the project, with input and guidance from the Keep Weston Lakes Beautiful and the cemetery committees led by Carolyn Martinez. Nicholas is both providing the labor and is paying for the new brick entrance as a part of his Eagle Scout requirement. If you would like to donate to his efforts, please email: keepwestonlakesbeautiful@gmail.com. Any donation amount is appreciated and it is tax deductible.

Phase 1 of monument install at Randon Bottom Cemetery

Riverwood Forest Park Project:

Aqua Texas agreed to provide paint and supplies for our fence painting party for the fence surrounding the water tank. Aqua Texas is also donating a water line and a new drinking fountain, including a dog bowl, to be installed at Riverwood Forest Park. Aqua Texas also generously committed to donate a substantial money grant over the balance of 2017 for qualified projects. Though the hurricane has set us back a bit, it is our goal to have these Riverwood Forest Park projects completed by year end.

2nd Annual Boots & Bling Gala – APRIL 21st, 2018:

The Keep Weston Lakes Beautiful Board and the Weston Lakes Country Club have selected the date for the 2nd Annual Boots & Bling Gala! Last year's sold out event raised over \$26,000 for Keep Weston Lakes Beautiful and was a smashing success with great entertainment, multiple auctions, with one of kind items, wonderful food & drink, dancing and a truly fun time had by all. Please MARK YOUR CALENDARS for Saturday, April 21, 2018 and start making your plans now to attend as tickets are limited.

Executive Director Minute

We are thankful to live in such a great city with wonderful neighbors. That was never more evident than when we all pulled together to help residents inside and outside our city this past month. I am so grateful for all the support and volunteerism for Keep Weston Lakes Beautiful. As I have said in the past, all of these projects would not be possible without the commitment of our Board of Directors, Committee Chairs, Committee members, and the support of Weston Lakes' residents. Without their dedication and effort the mission of Keep Weston Lakes Beautiful could not be realized.

But I believe we all need each other's support in an "additional" way. Our residents and our supporters are providing thousands of dollars to Keep Weston Lakes Beautiful for these beautification projects. Keeping our city beautiful helps our property values and gives us a sense of pride in our city. But vandalism, primarily by our children and young adults in our city, is becoming a problem. Over the past few months, I and our members have personally witnessed children on golf carts or ATV's tear through the cemetery, damage our parks' grass, paint on our park's fences, and urinating on the cemetery's hedge. Last week, they used a golf cart to tear through the yellow caution tape at Pecan Park only to destroy the newly seeded Bluebonnet and Wildflower project discussed above. When I see this personally, I speak to these kids, and they have always been respectful, but they know that what they are doing is wrong.

Residents are beginning to file Sheriff and Constable Reports, especially after they realize thousands of their donated dollars are being invested into these individual projects only to have them damaged or destroyed. Keep Weston Lakes Beautiful encourages the parents of these children to talk to them and enforce the rules. Help them understand the importance of our city, keeping it beautiful and the financial damage this activity causes. The Sheriff's office has explained that these infractions carry financial fines to the parents, and in the case of the cemetery, a fine and potential time in jail. This is a serious issue for all of us, so we ask your cooperation to eliminate this type of vandalism to our parks and cemetery. We all thank you in advance for your help.

Keep Weston Lakes Beautiful is a volunteer group whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

If you would like more information on how you can get involved, please go to: keepwestonlakesbeautiful@gmail.com

City of Weston Lakes

Mayor's Comments

Due to injury and doctors' orders, I have been working behind the scenes from my home office during this unprecedented flooding event visited upon Weston Lakes by Hurricane Harvey on August 25, 2017. "My heart is broken to see so much suffering and destruction in our beautiful community."

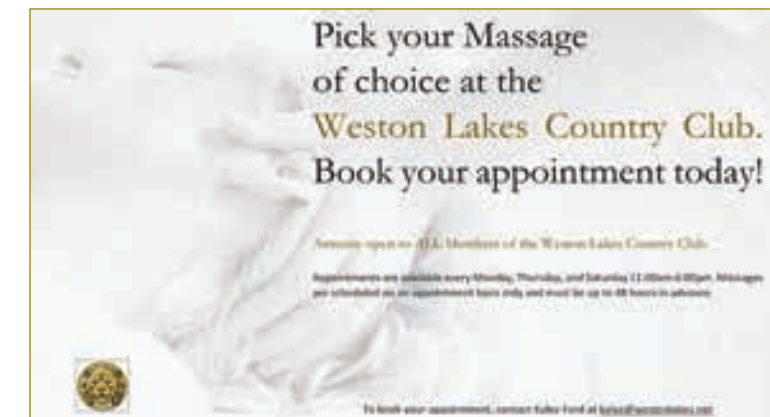

The City of Weston Lakes in doing all in its power to assist our citizens during this time; including calling a Special City Council Meeting for the sole purpose of addressing Hurricane Harvey Recovery, and hiring Charles Kalkomey, of Jones and Carter Engineering, to provide Flood Plain Administrative Services for the Recovery. To date, thanks to Jones & Carter, City Council Members, Linda Harnist and Bill Ragle, and Don Conrad of the POA, 99% of all development permit applications were returned "approved" with hours of their submittals.

Additionally, your Emergency Management Team, Council Members and the City Secretary will attend a County-Wide meeting on September 22; and the City of Weston Lakes is also participating in the State's Program, "Rebuild Texas".

I want to thank my City Council, The City's Emergency Management Team, the POA, the Weston Lakes Country Club, and MUD #81 for all the hours of work and dedication during Harvey and the Recovery. A HUGE "Thank You" must go to the many volunteer citizens who gave unselfishly of their time, energy and resources to come to the aid of their neighbors. The City of Weston Lakes, with the cooperation of multiple Rescue Services, safely evacuated 125 citizens during the flooding crisis.

At this writing, Debris Removal has begun and will continue daily until all debris has been removed from Weston Lakes.
