From the Club Manager

The year seems to have really flown by quickly and here we are looking forward to Thanksgiving with Christmas right around the corner. With all the activities dealing with the storm, I will admit the holidays have caught me a little bit off guard this year. However, having some cooler weather recently has helped make it seem like fall has finally arrived. Progress is being made on the renovation of the Fitness Center and Golf Shop facility, and we're hopeful to have the building open again by the end of the year.

November will be off to a fast start with the Weston Cup golf tournament being held on the first weekend of the month. The weekend of the 4th-5th will also be time to set your clocks back an hour for Daylight Savings. Tuesday the 7th is Election Day, Saturday the 11th is Veteran's Day and the club will host the Homestyle Brunch on Sunday the 12th.

The LGA will hold their Member Guest tournament on Wednesday the 15th, and you will have an opportunity to meet the candidates in the clubhouse ballroom on Thursday the 16th for the upcoming POA elections.

If you would to order a Thanksgiving meal from the club, please contact us at (281) 346-1967 by November 14th to place your order. Those orders can be picked up on the afternoon of Wednesday the 22nd.

Congratulations go out to our LGA and SMGA Club Champions that were crowned in October. We also held our annual Spooktacular event, and it's always enjoyable to see the neighborhood children all dressed up in their costumes and ready for Halloween.

All of us at the club wish you a wonderful Thanksgiving surrounded by family and friends.

Ladies' Golf Association

October was a very busy month for the LGA. We had our Pink Lady Scramble as well as our Club Championship.

Our Pink Lady Scramble was a big success. We had a great turn out. Thanks to all for participating and contributing to the Susan G. Komen Foundation. I will have a final tally in my next newsletter.

Match Play concluded this month with Catherine Tinkler as our winner this year. Thanks to everyone who participated and for giving it your best effort. This is always a fun event.

The new scorecards have arrived. The LGA will not begin using them for play day events until January 1, 2018. Eileen Murray will continue to have your scorecards for you each week.

Our member/guest is Wednesday November 15, 2017. Format is yet to be determined. We will have lunch and awards after play.

Our Christmas Dinner will be on Thursday, December 7 in the Ballroom beginning at 6:30 p.m. We have a theme this year! Wear your ugly Christmas Sweater . . . can't wait to see what everyone comes up with.

Our Pot of Gold Tournament is March 14, 2018. We will need a lot of sponsors to help us with this tournament. This year, we have elected to have 2 levels of sponsorship, which I don't think will break anyone's bank: Premier Sponsor: \$200 and Platinum Sponsor \$100. More later on this.

The results of the Weston Lakes LGA Club Championship that concluded on October 14, 2017:

Club Champion: Ting Leusiri

Women's Association

Rebekah Varney, a Weston Lakes resident, will be our special guest speaker at the November 21 meeting at the WLCC at 10:00 a.m. On April 15, 2013 her life changed forever. She and her son, Noah, are Boston Marathon bombing survivors. Rebekah and Noah were within 3 feet of the first bomb to go off. She will share with us the numerous medical and emotional challenges her family has faced these past 4 years. Rebekah has written a book, *Taking My Life Back*, and she will be signing and sharing her life and blessings in her inspirational talk. We are so fortunate to have this very special neighbor come share her story with us.

You won't want to miss our **Christmas Tour of Homes** this year to be held on **December 2**. This event is only held every 2 years and tickets sell fast. Don't miss out! **Dana Sarles** has planned this year's tour, which will feature five beautifully decorated homes in WL. Tickets are \$15.00 each, which is a real bargain, and can be purchased from Mary at the WLCC. Call **281-346-1967** for ticket information.

Hurricane Harvey has impacted our neighborhood in so many ways. Our hearts go out to those neighbors who have been dealing with getting their homes restored. The Women's Association and the WLWA Foundation have been negatively affected financially as well. With the cancellation of the Fulshear 5K due to the hurricane, our scholarship and grant funds will need to be raised in other ways, so please watch for how you can help with all these efforts. Plans for a **Casino Night** in January are being made, and our cookbooks will be on sale in time for the holiday. Many community organizations and our local high school students count on our help with yearly scholarships and grants. Please be on the lookout for how you can help this year, when it is needed now more than ever. Donations to the WLWA Community Foundations are welcome! Contact **Shirley Cassell** for information about the Foundation or **Nancy Rose** with the WLWA to find out ways you can help in this important endeavor.

Women's Association meetings are held at **10:00 a.m.** at the **WLCC** the **third Tuesday of each month from Sept.-May**. Any woman in Weston Lakes is welcome to come visit with friends and meet new ones. Programs are always fun, entertaining, educational, and inspirational. After the meeting, members and visitors have the opportunity to stay for a fantastic and economical lunch prepared by the WLCC. Please come on **November 21st!** Dress is casual, so nothing fancy~ just good friends, great programs, and the chance to connect with some amazing neighbors in our hometown of Weston Lakes. *You will be glad you came!*

Pick your Massage of choice at the **Weston Lakes Country Club**. Book your appointment today!

Having a great massage is the perfect way to relax and unwind. The Club has a variety of massage services to choose from. Call today to book your appointment.

Garden Club

What to do when? Well, we can help with that! - at least when it comes to your outdoor space. Join us in the ballroom on **Tuesday, November 28th at 10:00 a.m.** John Brown with Picturesque Landscaping will be presenting a Garden Time Table, giving valuable tips on how to best plan your gardening efforts. Come enjoy and plan to stay for lunch and a visit with some terrific folks!

We are excited to announce this year's Toy Drive benefitting the children of Fort Bend County will be in partnership with the Sherriff's office. Medium sized stuffed animals will be distributed by patrol officers to children in crisis. All other toys will be used in the Santa Behind the Badge program for children involved with Ft. Bend Social Services. Your generous gift may be the only present these children receive this holiday season. And this years' toys will be especially impactful for those families who lost everything during Harvey.

Toys will be collected in the ballroom on **Tuesday, November 28th from 10:00 a.m. to 1:00 p.m.** Also, the POA office is kindly accepting toys beginning Thursday, November 16th during regular POA business hours.

Garden Club Members, make sure to get your reservation in for our wonderful annual tradition, a tour and delicious luncheon at the Brookwood Community on **Tuesday, December 12th**. Details to come.

Tidbits from the Course

Although this was one of the few months in which our group did not have a hole-in-one, we did have two spectacular Eagles. **Richard Delmar** holed his second shot on #2 and **Foster McArthur** eagled #12. One of our newest members, **Bob Brown**, shot his new course record of 83, with a 39 on the front nine. We would also like to congratulate **Mark Taylor** who made four consecutive birdies to shoot a career best 74.

SMGA Club Championship Tournament

The SMGA Club Championship Tournament was held October 6-7. We had 52 members participate within six flights in this two-day competition which concluded with an awards dinner Saturday evening. **Kirk Hanson** did an excellent job in preparing and directing the tournament. Our new Club Champion is **Andy Wagner**, who pulled out the victory by birdying his last two holes on Saturday with fabulous putts. **John Kemper** is our new Net Champion and also played extremely well. Congratulations to all the winners! This was the final tournament of the year for the SMGA. We will be competing against the MGA in the Weston Cup on November 4-5.

Golf Course Maintenance

November has arrived and the trees are starting to lose their leaves. The winter grass seed on the greens and tees is established and looks very nice. I want to thank everyone for their patience during October while we were watering so heavy to get the seed to germinate. We will be starting our irrigation projects this month by installing new controllers. After the controllers are installed, we will start installing wire and new irrigation heads. We will be starting on hole number six. The maintenance staff would like to wish everyone a safe and Happy Thanksgiving and as always please repair your ball marks and divots.

From the Golf Shop

We are very excited to have had the Fire Sales. There was a great turnout with a lot of supper deals for everyone. It was fun to see how excited everyone was and some coming back to the sales two and three time to take advantage of all the great savings. Look for one more final blow out sale in the weeks to come.

The Golf Pro Shop and Fitness Center rebuilding progress is moving right along. With tile and trim going in things are starting to look good. I know everyone will be glad to be back into the permanent building.

One last note, we are now using the new score cards. So if you haven't seen it yet, be sure to check the new card out the next time you come out to play a round.

If you have any questions please stop by or give us a call.

Our goal is always to provide a quality experience for all of our members and their guests.

Keep Weston Lakes Beautiful

The Keep Weston Lakes Beautiful organization has many projects underway or in stages of completion before year end as we attempt to qualify and win the Keep Texas Beautiful Governor's Award. Thank you for all of your support and volunteerism for this worthy cause to further beautify our community!

Projects in Progress:

Fall Sweep and Continued Hurricane Harvey Relief Efforts:

In honor of Keep Texas Beautiful 50th anniversary, affiliates from across Texas joined in various Fall Sweep events throughout the State. On Saturday, October 14th, Keep Weston Lakes Beautiful, along with neighborhood volunteers and youth, gathered bright and early at Pecan Park for a full day of helping our Weston Lakes neighbors affected by Hurricane Harvey. The group cleaned up remaining dry wall, wood, glass and building material debris in yards, driveways and street gutters. As well as yard maintenance and porch clean up.

The Fall Sweep project helped our city and was a great opportunity for our volunteer students who needed hours for community service. Remember, you can have your group participate in other Keep Weston Lakes Beautiful

programs to help the environment and our neighbors, while earning one of our Keep Texas Beautiful patches.

We wholeheartedly, thank all of the volunteers who were a part of very successful project!

Taste of Goodness Working on the Cookbook

Front Gates Beautification Project:

On September 29th, the committee agreed on a native Texas plants landscape theme and design that will enhance both the Waterford and Weston Lakes entrances. In adherence to the Keep Weston Lakes Beautiful commitment to reuse and recycle, some existing plants will be transplanted within our community. If you are interested in participating in this program, please contact us at:

keepwestonlakesbeautiful@gmail.com

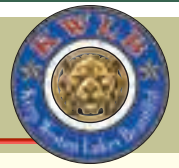

Meeting on the Front Entrance

Front Gate Project

Randon Bottom Cemetery Restoration Project:

We are anxiously awaiting the arrival and installation of the beautiful granite monument listing the names of those buried at our Randon Bottom cemetery. On October 28th & 29th, aspiring Eagle Scout Nicholas Stephens and his Scout Troop began installing the brick pathway to the entrance of the cemetery. Nicolas has chosen to use this project toward earning his prestigious Eagle Scout designation, and Keep Weston Lakes Beautiful and our community are so thankful for his contribution.

Riverwood Forest Park Project:

Our goal is to complete our Riverwood Forest Park beautification project by year end 2017. Aqua Texas has agreed to provide paint and supplies for our fence painting party for the fence surrounding the water tank. They are also donating a water line and a new drinking fountain, with a dog bowl, to be installed at the park. Aqua Texas also generously donated \$5,000 for our qualified projects! More to follow next month.

Paper Shred and Recycling Events:

On Saturday, November 4th Keep Weston Lakes Beautiful, in conjunction with third party shredding and recycling companies, invited residents to bring paper, clothing, bedding, books, stuffed toys, household items for disposal. Please watch your email for announcements for the next recycle event and mark it on your calendar.

2nd Annual Boots & Bling Gala: Saturday April 21, 2018

If you were at the Boots & Bling Gala last year, you know what a GREAT event this was, and... we're doing it AGAIN! Please MARK YOUR CALENDARS for Saturday, April 21, 2018 and start making your plans now to attend as tickets are limited. Last year's sold out event raised over \$26,000 for Keep Weston Lakes Beautiful and was a smashing success of great entertainment, multiple auctions with one of kind items, wonderful food & drink, dancing and a truly fun time had by all. SEE YOU THERE!

Keep Weston Lakes Mission Statement:

Keep Weston Lakes Beautiful is a volunteer group whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

DID YOU KNOW? *Waterside Grill*

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!

"We have worked with the team at **Martin Mortgage** on multiple occasions for the purchase of our investment properties and have always found the experience to be top-notch. Purchasing investment properties can bring a unique set of requirements and challenges, but Evelyn is great at guiding you through the process and alerting you to any potential issues that may arise so that you can be prepared. With our most recent purchase there was an issue at our closing meeting where some documentation had been filled out incorrectly. I immediately called Michael, and even though it was not their error, he was able to

communicate with the bank and resolve the issue in less than 10 minutes allowing our closing meeting to continue. I do not believe you will find a more responsive and customer service focused mortgage broker than Martin Mortgage and highly recommend them to anyone purchasing a home." -Jody Clement
