## From the Club Manager

**D**espite the rain, we still had members come out and enjoy the Independence Day Celebration. It was fun to see everyone showing off their patriotic spirit with decorated cars, golf carts and other vehicles in the annual parade and participating in the festivities at the clubhouse afterwards. I hope everyone has been enjoying the summer, and has had a chance to go on a fun and relaxing vacation.

The heat hasn't seemed to bother our golfers this summer; the MGA and SMGA both had tournaments in July. Upcoming events in August will be the MGA Ringer August 4th & 5th, Homestyle on August 12th, Kid's Movie/Pool Night on August 21st. Don't forget the kids will be heading back to school on August 27th.

If you are looking for activities to get involved with, we have so many in the neighborhood to choose from. At the club we host the Car Club, Poker Night, several Bridge groups, Bunko, Women's Association, Garden Club, Keep Weston Lakes Beautiful, Rotary Club, Men's and Ladies' Golf Associations, and the City of Weston Lakes Emergency Management team, just to name a few. All these groups are glad to welcome new members, so for more information please contact the club office.

Enjoy the rest of the summer, and I look forward to seeing you at the Club.

## Ladies' Golf Association

**I**nterclub this month is on **August 23rd** at Falcon Point. Let's have a good turnout of 15 players! Wendee will send out a sign-up soon.

Save the Date! Our Christmas party this year is on **Thursday, December 13th at 6:30 p.m.** in the Ballroom.

Our tee time on Wednesdays for July, August and September has changed! It is now **8:30 a.m.** to help beat the heat in the afternoon. Please arrive 15 minutes before.

The heat is brutal in August. Find the shade and stay hydrated. Have a wet towel available to put around your neck, wear a wide brimmed hat to cover your face and ears, and if possible, have a fan in your cart!

Don't leave your clubs in the trunk during the summer. The heat inside your car trunk can soar very high and cause problems for your equipment. The heat can melt the glue where the shaft and club head meet and loosen the head. If you have seen a club head fly off on the course or range, chances are this was heat related. Your grips may soften and loosen as well while your golf balls could soften and may get out of round. You may keep your car in your garage, but there are plenty of times when you will park in the sun. Always keep the clubs clean, dry and cool so that they last and perform well.

### AUGUST BIRTHDAYS

Jordyn Roller - August 4th, Pamela Garza - August 15th

## From the Golf Shop

**A**s we move into August, I'm amazed at how quickly the summer is passing by. It appears the rain has finally given us a break, so it's great to see golfers back on the course and in the Golf Shop. We're looking forward to the MGA Ringer Tournament on August 4th and 5th.

We would also like to ask for your help on keeping up with the pace of play now that we are having more play on the course. The typical pace of play for 18 holes of golf is 3 hours and 45 minutes to 4 hours, and we would appreciate all golfers pacing their group to stay within that time frame. We are striving to make everyone's golfing experience enjoyable, and we appreciate your assistance in doing that.

I hope everyone is enjoying our NEW FLEET of Club Cars along with the GPS and the Shark Experience. (GPS Yardage, Streaming Music, Live Sports, Bluetooth, and Greg Norman's Pro Tips). Keeping up with the times and hopefully enhancing everyone's golf experience.

Our goal is always to provide a quality experience for all of our members and their guests.

**Keith Simmons**

Director of Golf

## Garden Club

**W**ith summer almost behind us, gardeners throughout the neighborhood are harvesting the last vegetables from their garden plots, preparing the soil, and making plans to plant those vegetables and herbs that favor the cooler air that comes our way in the fall and winter. Many of you are also busily planning to transition flower beds from summer color to that of fall. Your hard work in maintaining beautiful landscaping is greatly appreciated and the seeds that you sow will reap the reward of smiles on the faces of your neighbors.

While you are making those gardening plans, be sure to mark your calendar for Tuesday, September 25th. This is the date for the first Garden Club meeting of the 2017-18 season. A WLGC meeting day reminder sign will be posted near the front entry gate a few days before our meeting. Julie Janek is collecting dues, and your check should be made payable to the WL Garden Club. Julie's address is 5042 Westchester Drive. Early bird membership dues of \$25 have been extended through our September 25th meeting. The membership fee after that time will be \$30.

### Gardening Tip:

Have you ever been out and about and noticed a beautiful flower, tree, or shrub that would be great to have in your yard, but find no one around who can help you identify it? Well...there's an app for that! There are many apps that can easily be found by doing a quick search for "Plant Identification" in your smart phone's app store. Some of the plant ID apps are general, while others relate specifically to flowers, trees, or shrubs. These apps will also often link to more detailed information such as USDA Hardiness Zones, when and where to plant, soil and fertilization requirements, etc. Once the app is loaded onto your phone, identifying plants is simply a snapshot away! Many of the apps are free, so give one a try the next time you discover a mystery plant and want to learn more about it.

## Women's Association

**T**he Weston Lakes Women's Association will resume its monthly meetings in September. Everyone will want to attend the September 18th program, which is our Fall Fashion Show. The programs committee has an outstanding slate of programs, and the fashion show is sure to be a favorite. As usual, members should start gathering at 10 a.m., which gives you time to visit and find the best seat to view the newest fashions from Soft Surroundings.

Our summer articles have featured a few of our members each month. WLWA is such an interesting mix of women. Enjoy getting to know Nancy Case and her journey in Weston Lakes and the women's organization:

One of the best decisions of my life was choosing Weston Lakes as a place to retire. We moved here 22 years ago to be near our daughter and three grandsons who lived in Katy, and also because my husband was an avid golfer and at that time this was one of the few private residential golf courses in the area. Weston Lakes has always had a sense of "Community" and "Belonging", and residents sincerely care about their neighbors.

I became a member of Women's Association as soon as we moved here, and my first new friends were WLWA members. At that time it was the only women's social club in Weston Lakes. Over the years the club has changed and in addition to a social club, has become more philanthropic, but the friendliness of the group and interesting programs never change. Our WLWA Community Foundation has given grants and scholarships, which helped many high school seniors attend college. WLWA made a difference!

Born and raised in Nacogdoches, I am truly proud to be a native Texan. I attended Nacogdoches High School and SFA University studying business. Art has always interested me and I studied oil and watercolor painting, focusing on wildlife and east Texas landscapes. Travel and reading have always been my hobbies, and I have been blessed to have been involved in community activities and volunteering in every place I have lived.

Nancy has served on the WLWA board for many years. Her involvement includes: Vice President, President, Foundation President, Fundraising, Membership, Programs, Christmas Tour of Homes, Progressive Dinner, and served on the committee that formed the 501(c)(3) Foundation. She is currently Parliamentarian.

Nancy is an inspiration and shares her goal for the future:

I would like to see WLWA do more to bring members together to work as a group on projects and programs...Our mission should be to make the members feel that they are part of a successful team effort.

The WLWA meets the third Tuesday of every month. You are welcome to come "try us out", and what better time than a fashion show. Someone will greet you at the door.

## City of Weston Lakes

### Mayor's Comments

**C**lifton Aldrich resigned his position as Emergency Management Coordinator. We will all miss him very much. A proclamation was given declaring **June 1st as Cliff Aldrich Day** for the City of Weston Lakes.

Weston Lakes Emergency Management is looking for new volunteers. Please look at the city web site at [www.cityofwestonlakes-tx.gov](http://www.cityofwestonlakes-tx.gov) to see upcoming events. You may also contact us at 281-533-0907 or Barrett Shepherd at 281-612-3977.

Swimming lessons went well. We want to thank our new swim teacher, **Janet Bartek**, for a job well done.

The City hosted the Mayors' Luncheon, and in August we are hosting the Fort Bend County Mayor and Council Association Dinner.

School is starting so watch out for the children.

**Mary Rose Zdunkewicz**, Mayor

## Golf Course Maintenance

**J**uly ended with a few beneficial rain showers that really helped the golf course in some areas that we don't have irrigation. The grass has started to grow very rapidly, and the maintenance staff is working hard to keep up with its growth. We had a few weeks last month that we got behind on the rough due to the rain, which will happen from time to time, so we appreciate your patience during these rain events. I hope August brings a few showers like we had in July to keep us heading in the right direction. We started weed control in July and will continue into August. You will notice some yellowing of the turf in the roughs so don't be alarmed, it will green right back up in a couple of weeks. I hope everyone is enjoying the course conditions and as always please repair your ball marks and divots.

Golf Course Superintendent

**E**ffective July 1st, KRJ Management, Inc. Will assume the role as managing agent for the WLPOA. We recognize that switching to a different management team may lend itself to some inconvenience, however, we are taking extensive measures and planning to ensure a seamless transition.

The new management company will be introduced at the September POA meeting, and we hope you will join us to welcome them.

## Men's Golf Association

**C**ongratulations to the flight winners of the Lone Ranger Tournament.

### 1st Flight

### 2nd Flight

Bill Whiting, Jim Sitko,  
and Dimas Kuhl

Our next tournament August 4th & 5th is the Ringer followed by the Club Championship on September 22nd & 23rd.

### Lateral Water Hazard

Ball played from teeing ground at Point A comes to rest in lateral water hazard at Point B having last crossed the margin of the hazard at Point C. Player's options are as follows:

- play ball as it lies without penalty at Point B, or under penalty of one stroke;
- play another ball from teeing ground
- drop a ball behind the hazard anywhere on the

broken line from Point D backwards

- drop a ball in the shaded area at Point C (i.e. within two club-lengths of point C but not nearer the hole than Point C), or
- drop a ball in the shaded area at Point E (i.e. within two club-lengths of Point E but not nearer the hole than Point E).

If your ball is in a lateral water hazard (red stakes and/or lines), in addition to the options for a ball in a water hazard (see above), under penalty of one stroke, you may drop within two club-lengths of, and not nearer the hole than the point where the ball last crossed the margin of the hazard.

## Keep Weston Lakes Beautiful update:

A little rain didn't stop the residents of Weston Lakes from celebrating with the Annual 4th of July Parade. A BIG thank you to the Katelyn Surface Gray and staff, the Weston Lakes Country Club and our dedicated Keep Weston Lakes Beautiful team Janet Bartek, Rodney Bartek, Carole Sandoval, Bob Sandoval, Valerie Planchard, Raquel Durham, Terri Oliver, Carol Fairbanks and Buddy Williams for decorating and participating in such a wonderful City tradition. Everyone in attendance enjoyed receiving sweets and our custom Bluebonnet seed packets followed by an afternoon of great good and activities.

Carol Fairbanks, Rachel Durham, Janet Bartek and Carole Sandoval

## Adopt-A-Spot

Congratulations to the residents of Oxbow for being our first Adopt-A-Spot participant! Led by Oxbow residents Julie and David Sawyer, Lana and Rick Gaines, along with fellow residents, Merry Kay Romero, Jillane Powell, Stephanie Young, Cindy Dubbs, Jason Hall, with additional help from Miguel Sosal, Trey Pope and the POA maintenance crew, the entrance to Oxbow Island was given a fresh new look. Additional thanks to Pivaral Lawn Care, for donating your service.

Cindi Dubbs, Mary Kay Romero, Stephanie Young, Julie Sawyer, Lana Gaines and Jillane Powell

The Keep Weston Lakes Beautiful, Adopt-a-Spot program allows an individual, family, or group to help preserve and maintain a common area within the city. This is a fun, flexible way to volunteer, as the clean-up schedule is designed by you with a minimum of four cleanups a year for a one-year commitment. You select the spot to adopt and Keep Weston Lakes Beautiful will provide the plants and install a sign to recognize your contribution. Please contact Carol Fairbanks at 805-558-0533 or [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com)

## Why is recycling important?

Recycling is important for making the environment a cleaner place, conserving materials, saving energy and reducing the amount of garbage in landfills. One of the most important benefits of recycling is the impact it has on the Earth. Huge amounts of energy are used when making products from raw materials. Recycling requires much less energy and therefore helps to preserve natural resources. We hope that these guides will help you when placing items into recycling bins.

## Simple Recycling Program Reminder...

Simple Recycling comes every Wednesday to pick up your qualified recycling material, which includes clothing, shoes and household discards (like small appliances, bedding, toys, towels, kitchenware, etc.) in the Orange Bags provided to you. This service is NOT intended for recycling paper or plastics like you normally leave for the local trash service. Simple Recycling picks up your recycled items that have been placed in your ORANGE bag and then will drop off new ORANGE recycling material bags to your front door or driveway. This costs nothing to you or Weston Lakes, but the best part is, based on volume, Simple Recycling sends money back to our community for Keep Weston Lakes Beautiful projects. This is an easy way to support Keep Weston Lakes Beautiful, beautify Weston Lakes and improve our environment by keeping these materials out of our landfills.

## HOW LONG DOES IT TAKE TO DECOMPOSE

## Weston Lakes Cookbooks:

"A Taste of Goodness" is beautiful and RESOURCEFUL! Weston Lakes residents, friends, family, local chefs and dignitaries contributed 398 mouth-watering recipes into a single cookbook compiled by Committee Chair Valerie Planchard and her amazing volunteer team. Everything

you need including appetizers, salads, soups, main entrees, side dishes and desserts are contained in "A Taste of Goodness" to be treasured for generations to come. The profits benefit community beautification, education, recycling and litter prevention programs for Keep Weston Lakes Beautiful, as well as our co-sponsors Weston Lakes Women's Association and Garden Club. Cookbooks are available to purchase for \$20 at [www.cookbooks4sale.com](http://www.cookbooks4sale.com). ## Keep Weston Lakes Mission Statement:

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization, co-sponsored by the Weston Lakes Women's Association and Garden Club, whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

All money raised by Keep Weston Lakes Beautiful is spent on community improvement projects and the implementation of programs that align with our mission and help our organization compete for the Governor's Community Achievement Award, awarded through Keep Texas Beautiful, in partnership with Texas Department of Transportation (TxDot).

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful!  
Everyone is welcome!
