Further, we do hereby establish building setback lines as shown on the above replat and more particularly described in the Declaration of Covenants, Conditions and Restrictions for Weston Lakes, Section 16 hereafter adopted by the owner of said land for said subdivision (and the provisions of such Declaration shall control any inconsistencies between this replat and said Declaration).

Further, we do hereby establish a minimum slab elevation for each lot, which shall in no case be lower than the higher of the 100 year flood plain or eighteen inches (18") above natural ground.

However, Sierra Golf Corporation does hereby reserve unto itself, its successors and assigns, the right to dedicate the roads and streets in this subdivision to the public and/or to grant additional ingress and egress easements thereon without the joinder of any lot owners or other parties. Notwithstanding the fact that the roads and streets in this subdivision are not dedicated to the public, the law enforcement officials of Fort Bend County, Texas, the State of Texas, other official law enforcement bodies, and fire department officials and fire protection personnel, vehicles and equipment are hereby expressly given the right to enter upon the roads and streets in this subdivision to enforce all applicable regulations and laws and to protect the safety of the residents and their property.

Sierra Golf Corporation, its designees, successors and assigns, shall also have the right to use said streets for the installation, maintenance and improvement of water, sanitary and storm sewer lines and other utilities above, in or under said streets.

Fort Bend County shall have no responsibility for maintenance of streets within the subdivision, unless streets have been dedicated to the public by the current owner of said streets (without the joinder of any other party) and meet County standards and County maintenance has been requested by the current owner of said streets.
