

We, United Financial Corporation, being the owner of the property subdivided in the above and foregoing map of Weston Lakes, Section 4, do hereby make subdivision of said property according to the lines, streets, Lots, alleys, parks, building lines, and easements therein shown, and designate said subdivision as Weston Lakes, Section 4, in the John Randon League, Abstract No. 76, Fort Bend County, Texas and dedicate to public use, as such, the easements shown thereon and dedicated hereunder forever, and do hereby waive any claims for damages occasioned by the establishing of grades as approved for the private streets and alleys dedicated hereunder or occasioned by the alteration of the surface of any portion of such streets or alleys to conform to such grades, and do hereby bind ourselves, our successors and assigns to warrant and forever defend the title to the land so dedicated.

Further, we do hereby establish building setback lines as more particularly described in the Declaration of Covenants, Conditions and Restrictions for Weston Lakes, Section 4, hereafter adopted by the owner of said land for said Subdivision (and the provisions of such Declaration shall control any inconsistencies between this plat and said Declaration).

Further, we do dedicate for public utility purposes all street right-of-ways. We further dedicate a twenty foot (20') utility easement along the front of all Lots, except as otherwise indicated on this plat. We further dedicate a twenty foot (20') utility easement along the side Lot lines adjacent to street right-of-ways of all corner Lots, except as otherwise shown on this plat. We further dedicate a five foot (5') utility easement along all side Lot lines, except as otherwise indicated on this plat. We further dedicate aerial easements as indicated on this plat and described as follows:

A thirty (30) foot aerial easement across a twenty (20) foot utility easement and extending five (5) additional feet on either side of the twenty (20) foot utility easement along the rear of Lots 18 through 22, Block 14, a portion of the side lot line of Lot 17, Block 14 and the twenty foot (20') utility easement extending across Reserve "M" as shown on above plat. The aerial easement extending beyond the ground easement shall be from a horizontal plane upward, said plane beginning at a point on the boundary of the ground easement toward the aforesaid Reserve and Lots which is fifteen (15) feet above the ground and extending outward in a horizontal line to a point which is the edge of the aerial easement being five (5) feet outside of the ground easement.

A twenty-one foot (21'), six inch (6") aerial easement across a sixteen foot (16') utility easement and extending an additional five foot (5'), six inches (6") into the property from the sixteen foot (16') utility easement, along the front of Lots 1, 2, and 3, Block 13, along the West side of Lot 4, Block 13, along the side of Lots 11, 12, 22, 23, 28, 29, Block 14, along the back of Lots 1, 2, 3, 4, 6, 7, and 17, Block 14 and on the West corner of Lot 16 and 18, Block 14 as shown on above plat. The aerial easement extending beyond the ground easement shall be from a horizontal plane upward, said plane beginning at a point on the boundary of the ground easement toward the aforesaid Lots which is fifteen (15') above the ground and extending outward in a horizontal line to a point which is the edge of the aerial easement being five feet (5'), six inches (6") outside of the ground easement.

We further dedicate Reserve "L" and Reserve "M" as a drainage easement to Fort Bend County Drainage District and Fort Bend County Municipal Utility District No. 81; provided, however, that the dedication of Reserve "L" and Reserve "M" is subject to the rights of the current owner(s) of all or any portion of Reserve "L" and Reserve "M" and said owner's successors and assigns to use the lake within Reserve "L" and Reserve "M" for recreational lake purposes.

We further dedicate other utility easements as indicated on this plat.

We further dedicate a twenty foot (20') maintenance easement along the rear of Lots 1 through 13, Block 11, the Southeast portion of the rear of Lot 14, Block 11, the rear of all Lots in Block 12, and the rear of Lots 2 and 3, Block 13, as will be more particularly described in Declaration of Covenants, Conditions and Restrictions for Weston Lakes, Section 4.

We further establish a restrictive building setback line along the rear of Lots 1 through 13, Block 11, the Southeast portion of the rear of Lot 14, Block 11, the rear of all Lots in Block 12, the rear of Lots 1, 2 and 3, Block 13, the Northeast side of Lot 4, Block 13 and the Southwest side of Lot 29 and 32, Block 14, as will be more particularly described in Declaration of Covenants, Conditions and Restrictions for Weston Lakes, Section 4.

Further, we do hereby establish a restricted access easement over and across Lots 1, 2 and 3, Block 13 as shown on this plat, as will be more particularly described in Declaration of Covenants, Conditions and Restrictions for Weston Lakes, Section 4.

Further, we do hereby establish a minimum slab elevation for each Lot, which shall in no case be lower than the higher of the 100 year flood plain or eighteen inches (18") above natural ground.

Further, we do hereby declare that all parcels of land designated as Lots on this plat are restricted to the construction of residential dwellings thereon and shall be restricted to residential use under the terms and conditions of the Declaration of Covenants, Conditions and Restrictions for Weston Lakes, Section 4.

Further, we do hereby covenant and agree that all of the land within the boundaries of this plat shall be restricted to prevent the drainage of any septic tanks into any street or road or any drainage ditch.

Further, United Financial Corporation does hereby reserve into itself, its successors and assigns, all of the oil, gas and other minerals in, on, under, and that may be produced and saved from all the land and easements hereby dedicated, but without surface rights to produce same, which surface rights are hereby waived.

The roads and streets in this Subdivision are not dedicated to the public and we do hereby dedicate same as easements for the use and benefit of all purchasers or owners of Lots fronting thereon or adjacent thereto, which easements shall include rights of ingress, egress, and passage over and along such streets in favor of United Financial Corporation, its successors and assigns, its invitees, designees, and successors-in-title, to each Lot shown hereon, and in favor of the invitees and designees of each successor-in-title to each Lot shown hereon, but not in favor of the public. However, United Financial Corporation does hereby reserve unto itself, its successors and assigns, the right to dedicate the roads and streets in this Subdivision to the public and/or to grant additional ingress and egress easements thereon without the joinder of any Lot owners or other parties. Notwithstanding the fact that the roads and streets in this Subdivision are not dedicated to the public, the law enforcement officers of Fort Bend County, Texas, the State of Texas, other official law enforcement bodies, and fire department officials and fire protection personnel, vehicles, and equipment are hereby expressly given the right to enter upon the roads and streets in this Subdivision to enforce all applicable regulations and laws and to protect the safety of the residents and their property.

United Financial Corporation, its designees, successors and assigns, shall also have the right to use said streets for the installation, maintenance and improvement of water, sanitary and storm sewer lines and other utilities above, in, or under said streets.

Fort Bend County shall have no responsibility for maintenance of streets within the Subdivision, unless such streets have been dedicated to the public by the current owner of said streets (without the joinder of any other party) and meet county standards and county maintenance has been requested by the current owner of said streets.

IN TESTIMONY WHEREOF, United Financial Corporation has caused these presents to be signed by Mary Ellen Ambrose, its Vice President hereunto authorized, attested by its Assistant Secretary Susan Szeberenyi, and its corporate seal hereunto affixed this Tenth day of January, 1985.
