From the Club Manager

As we move into September, it's always an exciting time of year as we look forward to the upcoming Club Championships that will begin soon. The surprising amount of rain we received in August has the golf course in great shape, so we should have wonderful events for the LGA, MGA and SMGA. If you are a golfer and aren't already a member of one of these organizations, you should really consider joining. As we move toward the cooler weather of fall, it would be the perfect time to make some new friends while enjoying a round of golf. Each organization has members that play during the week or on weekends, and I'm sure they would be glad to visit with you about joining them. Please check with the Golf Pro Shop if you are interested.

Don't forget the club will be open for Labor Day on Monday, September 5th, and closed the following day. With school back in

session, the Labor Day weekend will also be the last weekend the Family Pool will be open for the summer season. Whether they were swimming at the pool, participating in one of our junior golf clinics, sliding down the water slides at a Splash Day, or enjoying our annual 4th of July parade and festivities, the kids in the neighborhood appeared to have another exciting summer at the club.

Be sure to mark your calendars for our Homestyle Brunch on September 11th, and our Live Music event on Thursday the 15th. The rain forced us to move the Live Music into the ballroom in August, but we're looking forward to a cooler, clear night in the Courtyard in September.

I look forward to seeing you at the club soon.

Garden Club

Did you hear it? Over the whispering breezes of the Brazos, amidst the soothing sounds of the Spanish guitar you could hear a choir of joyous voices celebrating the start of the Garden Club year at our Blooming Good Time on August 23rd. We had a warm reunion after the summer break and we were delighted to hear about the great programs, field trips and festivities that will comprise our coming year. **Club President, Terri Oliver** and her Board are doing a super job making sure all will have a grand time.

We'll be starting off with a wonderful program by Ray Wolman, back by popular demand to delight us with a new presentation on Texas Wild Flowers. Be sure to join us at the club **Tuesday, September 27th**. Check in starts at 10:00, meeting at 10:30 and we hope you'll stay with us for a tasty lunch after.

Won't you join in the fun? We'd love to have you along. No special skills needed, just an interest in enjoying the company of new and dear friends while we all learn more about the glorious gardens around us. Dues are just \$30 for the year (September to May). Checks made to **WL Garden Club** can be mailed to **Mary Kanney** at **4806 Waterbeck**. Please include your email address on your check so we can keep you in the loop for all the fun.

And indeed, it is the purest of human pleasures."

The SMGA held their Red Ball Tournament on June 23, 2016.

The tournament format was a two-out-of-four best ball and each team had a red ball to see who could get it around all eighteen holes while rotating the red ball between the team members. There were two teams that got the red ball around the eighteen holes but one of those teams only had three players. I won't tell you who that team was, but if you look below maybe you can figure it out. There were 43 players that made up 11 teams.

The results are as follows:

Best Two Balls Out Of Four Tournament

First Place Net (Score 116)

Byerly, Shimaitis, Hopkins, Witte

Second Place Net (Score 119)

From the Golf Shop

As we move into September, it's hard to believe summer is almost behind us. Hopefully the hot weather will be over soon. With a slight break in the temperatures, we're expecting to see more golfers out and enjoying the course. Shannon has the course in great shape and we appreciate everyone who has come in the golf shop and complimented on the course conditions. I hope everyone is enjoying the newly renovated driving range. The hitting mats are awesome!!

The Ringer tournaments held in August seemed to be a big hit with everyone that participated. Thanks to our staff that did a great job in organizing the tournaments and calculating the results. The Ringers are the most complicated tournaments that we have to score. We are looking forward to the MGA Club Championship on September 24th and 25th.

We have discounted merchandise to make room for our fall merchandise that will be coming in soon. Come by and take a look if you need something for yourself or for that special someone you know.

I look forward to seeing you soon.

Our goal is always to provide a quality experience for all of our members and their guests.

Mayor's Comments

Swim lessons given by the City of Weston Lakes was a great success. We want to thank our swim instructor, Dominic Lese, for all he did. The kids seemed to enjoy him and learned a lot. We are always wishing we could do more and are looking forward to next summer when we hope to once again offer swim lessons. We are able to offer these lessons with the "Child Safety Fund" which the City receives each year from Fort Bend County.

Our Emergency Management Team has been preparing for hurricane season. If you are interested in joining the team contact the City Secretary at 281-533-0907. Remember, this is the time to make your preparations around the house, like having trees trimmed that might cause damage.

The City of Weston Lakes' Emergency Management Team is looking for an assistant who will also serve as the assistant City Secretary of the City of Weston Lakes. If you are interested contact the City Secretary at 281-533-0907 or email at westonlakes@sbcglobal.net.

School has started and I hope everyone enjoyed their summer vacation.

INCOGNITO

by Dr. David Eagleman

**If the conscious mind--the part you consider to be you--
is just the tip of the iceberg, what is the rest doing?**

In this sparkling and provocative book, renowned neuroscientist David Eagleman navigates the depths of the subconscious brain to illuminate its surprising mysteries. Why can your foot move halfway to the brake pedal before you become consciously aware of danger ahead? Is there a true Mel Gibson? How is your brain like a conflicted democracy engaged in civil war? What do Odysseus and the subprime mortgage meltdown have in common? Why are people whose names begin with J more like to marry other people whose names begin with J? And why is it so difficult to keep a secret?

Sand Trap Etiquette:

Rake bunkers like you mean it. Make the area smooth and playable for the next player. Don't leave furrows from the rake. Before you exit the bunker, ask yourself this question. Would I be upset if I had to play from the area that I just raked?

Property Owners Association

From the Lake Committee

The last time our lakes were professionally surveyed, the water clarity on the Fulbrook end of Oxbow Lake was measurably better than the Weston Lakes end. In part this is probably due to larger lot sizes and the preservation of native plants and trees close to the shoreline. The other major difference is the way Fulbrook has encouraged the propagation of native water plants.

The importance of wetlands and water margins is almost universally accepted these days. These plants help to pull down run-off silt and the roots help keep the banks together. As an added bonus they also provide habitat for fish and wildlife. Many of them also have attractive flowers and they will also help crowd out non-native weed species. Several of our Golf Course ponds are great examples of this. If you would like a list of suitable water plants, please contact the KPM at 281 685-3090 or look on the POA Website.

Regularly scheduled POA meetings will resume in September.

Hope to see you there.

Ladies' Golf Association

Thanks to those of you who continue to play in July and August in the heat of the summer. It is good to keep going because in October comes our Club Championship and President's Cup. October also brings us the conclusion of the Match Play Tournament.

Since we are talking about tournaments, I thought I would bring up a book that my dad gave me many years ago that I still have today. I pick it up from time to time when I am playing bad. That is the case now & I'm blaming it on the heat. The book is titled "BEN HOGAN'S FIVE LESSONS, *The Modern Fundamentals of Golf*". 1) The Grip 2) Stance & Posture 3) The First part of the Swing 4) The 2nd part of the Swing 5) Summary & Review. This book is still recommended by Golf Digest as one of their top 5. If you get a chance, read it.

In July, Weston Lakes hosted the Interclub Tournament. We didn't get in a whole 18 holes before the rain came. Thanks to all who participated. And a special thanks to Keith, Vince, Raoul and staff for scrambling to get things together since we finished early. We appreciate you.

We have just two more Interclub Tournament to finish out the season, Pecan Grove in September and Quail Valley in October. Weston Lakes is in 2nd Place overall for the year!

From time to time we need to touch on hydration on the golf course. This has been one of the hottest summers ever. The following is from: "The Tee Time Diet" What to Eat Before and During Play to Gain the Advantage" an excerpt from the book Nutritional Leverage for Great Golf

Snacks to travel the course: Mandatory: A big bottle of purified water. Optional: *Food: apples, grapes, sunflower seeds (high

potassium), nuts, celery sticks, granola (no sugar added), sports bar (slow release ingredients). *Beverage: In addition to water: unsweetened cranberry, apple, lemon, or citrus juice

Last Nine Holes: *Food: Slow-releasing energy bar, nuts or sunflower seeds, apple. Note: Last hour of play, a quick-release food is recommended such as: banana, raisins, quick-release energy bar. *Beverage: More mineral water or unsweetened fruit juice, unsweetened electrolyte drink.

If Playing Two Days in a Row: Dinner Recommendations *Food: Slow-release energy food such as: pasts with meatless tomato sauce or pesto, salad, meatless lasagna, vegetables, beans, rice, fish, peas, asparagus, broccoli, cauliflower, sweet potatoes. *Beverage: mineral water, herbal tea, slow-energy sports drink. Note: If you are used to consuming alcohol at dinner, limit it to a glass of wine, rather than high-sugar hard liquor. *Dessert: none.

Maybe these few nutritional points are just what your game needs. Stay hydrated my friends.

Save the date: March 15, 2017 "Pot of Gold" Tournament. 2-Lady Invitational here at Weston Lakes. If you are called on to help in any way, please say yes. I will be sending out more information soon.

Women's Association

Wow! It's too hot to think about a 5K Run, but the good news is our annual event isn't until October 8th. Weather will be cool by then, we hope, so be sure to sign up now to reserve your spot for the best 5K ever! Under the new title, Fulshear 5K, Collette Horton and her team have been hard at work planning this event to be held for the first time ever at the new Fulshear High School. It will be the largest ever, and is a joint effort of our membership and local sponsors. Be sure to check out our website, www.Fulshear5K.com, to register to run (or walk), order your T-shirt, and find out about being a sponsor. Multiple sponsorship levels are offered; local businesses will receive much publicity while being able to write off their sponsorships since the WLWA Foundation is a 503C organization. It's for a great cause—scholarships and grants for local students and community members. You will definitely want to be a part of this worthwhile event!

We are ready to kick off the fall with our first meeting on September 20th at 10:00 a.m. in the WLCC ballroom. Special guests will be representatives from the Braman Winery, a family legacy steeped in Texas roots. Come learn from them about food and wine pairings and get ready for some fantastic holiday parties with your knowledge! What a great way to kick off the fall and prepare for the entertaining season ahead. Jamie Johnson and Carolyn Martinez have planned this and many other informative and entertaining programs for our meetings. You won't want to miss any of them so be sure to put September 20th, October 18th, and November 15th at 10:00 a.m. at the WLCC on your calendar.

At the September meeting, we will also vote on the new slate of officers for the New Year beginning in January. The Nominating Committee will present the following slate:

President	Nancy Rose
Vice Pres.	Dana Sarles
2nd V Pres.	Jamie Johnson & Carolyn Martinez
Treasurer	Deb Gillis
Recording Sec.	Carole Sandoval
Corresponding Sec.	Earlene Hopkins
Parliamentarian	Nancy Case
Membership	Carole Fairbanks
Scholarship	Shirley Meyers, Carmen Izzo, and Gilma Leask

Nominations can also be taken from the floor for anyone who is interested in serving in a leadership role.

Membership dues are \$30.00 for former members, with a reduced rate of \$15.00 for new members only from September through December. The new membership year begins in January, with the new officers assuming their roles at that time.

The Women's Association is a great group to join. We would love for everyone to come out and enjoy fun and fellowship, learn some new things, and meet some great ladies in our community! See you on September 20th at 10:00 a.m. at the WLCC!

Earlene Hopkins
Corresponding Secretary

Golf Course Maintenance

The hot days of August are behind us and the maintenance staff is looking forward to cooler days in September and October. September should be a great month for golf! We will have the club championships and the greens should be in great condition. We appreciate the compliments we have been receiving on the quality of the golf course. As I make my way around the course I have noticed a considerable amount of divots not being repaired on the greens. This is unfair to the players who do repair there ball marks, if you hit your ball on the green there will be a ball mark and if you can't find it please repair one that you do see, an unrepaired ball mark takes two weeks to heal, a repaired ball mark only takes three days to heal. Thank you for your help with this issue. Hope to see you on the course and as always please repair your ball marks and sand your divots.

DID YOU KNOW?

Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!

Why Golf?

The most popular reasons members play golf:

1. Golf is the game of a lifetime
2. Golf is exercise and social
3. Golf is therapeutic and a stress reliever
4. Golf gets us closer to nature
5. Golf is a sport that allows us to be competitive long after other sports are not possible for us
6. Golf allows all players, regardless of the level of ability to compete
7. Golf builds character
8. Golf reveals character

The time is now! If you're new to golf, start with lessons. If you like to golf but you find yourself too busy, make the time! If you golf at other courses and not your neighborhood course, save time and play Weston Lakes!
