# From the Club Manager

**A**s I was driving out of the country club parking lot this week, I noticed several of our members in the Family Pool participating in the Water Aerobics class. It reminded me of how far we've come since opening up the Fitness Center in December 2014. When we decided to build the Fitness Center we knew there were several members who would be very excited about it, but we really had no idea of how overwhelming the response from the community would be. Between our individual and family memberships, we now have over 1,300 fitness members taking advantage of the facility and enjoying the wide range of classes that are offered. If you haven't stopped by to check out the Fitness Center, this would be a great time because we're hosting several special events this month to raise proceeds that will benefit the Susan G. Komen Foundation

for breast cancer awareness. Please stop by the Fitness Center or contact Kylee Ford at (281) 346-2266 for more details.

Congratulations to all who participated in the MGA Club Championship, and to their Club Champion who was crowned last month. We are looking forward to the SMGA Club Championship on October 7th & 8th, and the LGA Club Championship on October 14th & 15th. Good luck to all of you who will be participating in those events. Be sure to mark your calendars for our annual Spooktacular event that will take place on Saturday, October 29th, and remember to wear your favorite costume to the club that day.

Have a wonderful October.

# Garden Club

**W**ow! Ray and Jaimie Wolman surely opened our eyes to the vast variety of beautiful wild flowers in Texas. They are always engaging speakers and we enjoyed having them with us again. And wasn't it wonderful to be back together after the summer break? Such a great group we have!

Mark your calendars for **Tuesday, October 25th**. We'll attend an inspiring presentation on "Creating a Hidden Paradise in Your Backyard" at the Fort Bend Extension Office in Rosenberg followed by a tour of nearby Caldwell Nursery. We hope you'll join us after for a tasty lunch at a local hot spot. And don't forget all those cute shops in the historic square.

If you haven't participated before, this is a great opportunity to get to know some new friends in a relaxed atmosphere of learning and fellowship. For those that have been with us before, you know what fun we have on our outings! So join in - We'll have an entertaining and educational day together. Carpools will leave the club parking lot at **9:45 a.m.**

The Toys for Tots and Blood Drives will be sponsored again by the Garden Club at our **Thursday, November 17th** meeting at the club house.

**Gardening tip:** For a gorgeous lawn next year, start looking for Winterizer in the nursery now. One easy application will bring a lush green yard.  
Caution: it sells out quickly.

*"No Spring, nor summer beauty hath such grace,  
as I have seen in one autumnal face."*

## **F**rom the Rule Book and USGA: Preventing Unnecessary Damage

- ▶ Players should avoid causing damage to the course by removing divots when taking practice swings or by hitting the head of a club into the ground, whether in anger or for any other reason.
- ▶ Players should ensure that no damage is done to the putting green when putting down bags or the flagstick.
- ▶ In order to avoid damaging the hole, players and caddies should not stand too close to the hole and should take care during the handling of the flagstick and the removal of a ball from the hole. The head of a club should not be used to remove a ball from the hole.
- ▶ Players should not lean on their clubs when on the putting green, particularly when removing the ball from the hole.
- ▶ The flagstick should be properly replaced in the hole before the players leave the putting green.
- ▶ Local notices regulating the movement of golf carts should be strictly observed. Conclusion; Penalties for Breach
- ▶ If players follow the guidelines in this section, it will make the game more enjoyable for everyone.
- ▶ If a player consistently disregards these guidelines during a round or over a period of time to the detriment of others, it is recommended that the Committee considers taking appropriate disciplinary action against the offending player. Such action may, for example, include prohibiting play for a limited time on the course or in a certain number of competitions. This is considered to be justifiable in terms of protecting the interests of the majority of golfers who wish to play in accordance with these guidelines.
- ▶ In the case of a serious breach of etiquette, the Committee may disqualify a player under Rule 33-7.
- ▶ For those who are removing the golf ball from the hole with a club head, please refrain from doing so. Also, be very conscious of where you place your feet and how you are walking on the green, no twisting or dragging of shoes, because the players coming to play the hole cannot repair spike marks around the hole or anywhere on the green before they putt.

▶ Remember to post your score within forty eight (48) hours of when you play a round of golf.

▶ The SMGA will hold their Club Championship Tournament on **October 7th & 8th, 2016**.

## From the Golf Shop

**W**ith kids going back to school, baseball season winding down and football season getting started it's beginning to feel like autumn again...even if the cooler weather is running a little behind schedule. The upgrade to the driving range grass is awesome and we hope members are enjoying this latest improvement to the club.

As we move into October, we are also getting excited about the upcoming Club Championships for the LGA and SMGA. The SMGA gets things started off first with their championship being held on **October 7th and 8th**. The LGA holds their event the following week on Friday and Saturday mornings, **October 14th and 15th**. We look forward to seeing our members participate in each event, and wish all golfers "Good Luck"!

When you come in the Golf Shop, please take a few minutes to check out some of the new fall merchandise that has been arriving. If you have a gift idea for that "someone special" and you don't see it in the shop, please let us know and we will be glad to special order it so that it will be here in time for the holidays.

I look forward to seeing you in the Golf Shop soon.

Our goal is always to provide a quality experience for all of our members and their guest.

## City of Weston Lakes

### Mayor's Comments

**T**he City Emergency Management Team has had a busy summer beginning with area flooding in both April and May. Volunteers have recently been trained in Disaster Accounting 101 sponsored by the Texas Division of Emergency Management, Texas Homeland Security and the Texas Department of Public Safety. This all day class prepared members for all facets of tracking, procurement and accounting required in an Emergency situation. This should provide us with familiarity of FEMA requirements, and may give us the opportunity to assist our neighbors in Simonton as they continue to rebuild their community.

A presentation on the April and May water "events" was provided to the Emergency Management group by the City Engineer's office. All those attending were given an overview of the river, streams and flood plains and the potential impact on the community of Weston Lakes in case of another water event.

Because the City Council Aldermen and Marshall are unopposed, no election is required. Council Members and the Marshall will be sworn in at the November City Council Meeting.

The City of Weston Lakes Emergency Management team is looking for a part time assistant. If you are interested, please contact the City Secretary at (281) 533-0907 or e-mail [westonlakes@sbcglobal.net](mailto:westonlakes@sbcglobal.net).

Hope everyone has a wonderful Halloween. Please keep your eyes open for Trick or Treaters. Be safe.

### BOOK CLUB

October 3rd at 2 p.m.

At the home of Janet Owen at 4810 Waterbeck

### Still Life by Louise Penny

Winner of the New Blood Dagger, Arthur Ellis, Barry, Anthony, and Dilys awards. Chief Inspector Armand Gamache of the Surêté du Québec and his team of investigators are called in to the scene of a suspicious death in a rural village south of Montreal. Jane Neal, a local fixture in the tiny hamlet of Three Pines, just north of the U.S. border, has been found dead in the woods. The locals are certain it's a tragic hunting accident and nothing more, but Gamache smells something foul in these remote woods, and is soon certain that Jane Neal died at the hands of someone much more sinister than a careless bow hunter. Still Life introduces not only an engaging series hero in Inspector Gamache, who commands his forces--and this Donbridge: The Witch of Tamarack Hillseries--with integrity and quiet courage, but also a winning and talented new writer of traditional mysteries in the person of Louise Penny. **Ryan Nordt** and **Jim Sitko** won their respective flights but lost in the semis to Ketter and Owens.

# Women's Association

**G**et prepared for the coming Holiday Season with ideas for celebrating the season in style! Members of the Weston Lakes Women's Association will be showing off their own special Holiday Tables. Ideas for Halloween, Thanksgiving, Christmas and New Years will be revealed in their own personal style. Table décor hostesses are Darla Sarles, Earlene Hopkins, Carolyn Martinez, Jamie Johnson, Nancy Case, Nancy Rose, Tanya Klein, Carol Fairbanks, and Cheryl Engel. It will be fun to see how they "dress their seasonal tables", whether it is from their family traditions to the latest in bling! What a great way to get in the spirit of Holiday entertaining with our families and friends!

If you are reading this prior to October 8th, there is still time for you to come out and support the WLWA Foundation and help out your neighborhood by being a part of the Fulshear 5K event. Proceeds help give scholarships and grants, and you can sign up that **Saturday, October 8th at before 9:00 a.m.** at the new Fulshear High School. A day of fun, activities, and fellowship with neighbors at the Fulshear 5K is just the thing to bring our community together for a great cause. Many thanks to Collette Horton, who chaired this event and worked tirelessly to create an amazing event with lots of pizzazz! For the first time ever the event is held at the new Fulshear High school, with a grand mega stage, entertainment, food trucks, themes and costumes and more. All of that for a great end result of scholarships and grants to community members! Thanks to all our members for all the hard work and to our sponsors for their generosity!

Newly elected officers for the 2017 year are: **President, Nancy Rose; 1st VP, Dana Sarles; 2nd VPs, Carolyn Martinez and Jamie Johnson; Treasurer, Deb Gillis; Rec. Sec., Carole Sandoval; Cor.Sec., Earlene Hopkins; Parliamentarian, Nancy Case; Membership, Carol Fairbanks; Scholarship, Shirley Meyers, Carmen Izzo, and Gilma Leask.** Congratulations to these ladies.

## Golf Course Maintenance

**F**all has officially arrived and the weather has been great for golf. We will be doing our fall pre-emergent herbicide applications on the fairways and rough during October. The Golf Course Maintenance Staff has worked very hard all season to get the course in good playing condition for our Club Championship tournaments held in September and October. Some of the projects we have planned for the rest of the year and the start of next year will be drainage work on some of the approaches to the greens, weed control, and cartpath edge work.

Hope to see you on the course and please repair your ball marks and divots.

Weston Lakes Resident

## DID YOU KNOW?

## Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*
