# From the Club Manager

It appears spring is trying to come early this year and I hope everyone has been able to get outside and enjoy the beautiful weather we've had. I've seen a flurry of activity recently with residents trimming hedges and planting flowers, and once the leaves come out on the trees you'll know winter is behind us.

Thanks to all our members and guests who attended our annual Valentine's Dinner in February and made it another successful event. Congratulations go out to the winners of the MGA's Kickoff tournament and the SMGA's Member-Member tournament that were also held last month. Despite all the rain we've had, the golf course is holding up very well and

we're looking forward to more play as the weather continues to improve.

In March we're looking forward to the return of the Homestyle Brunch to the 2nd Sunday of the month on the 12th, the LGA's "Pot of Gold" outing on the 15th, and our annual St. Patrick's Day festivities on Friday the 17th. On the 18th we'll have a Titleist Demo Day from 12 p.m. to 4 p.m., and the MGA's Member-Member event on the weekend of the 25th and 26th. If you have questions about these or any other events, please contact the club office at (281) 346-1967 or the golf shop at (281) 346-1227.

We'll look forward to seeing you at the club soon.

# Garden Club

**Y**ou're invited! We are thrilled to share this wonderful event with everyone in Weston Lakes - an evening of Art and Original Creations, live music, friends and fun on **Tuesday, March 28th 6:30-8:30 p.m.** in the ballroom. Numerous artisans, whose talents range from painting to pottery to beautiful needlework and more, will display their creative work: you'll be amazed by all the talent! Drink specials and light appetizers are included in your reservation of only \$10 per person before the 24th. Checks made to WL Garden Club can be mailed to **Mary Kanney @ 4806 Waterbeck.**

A big thanks to Sam Burnett for demonstrating how impactful small space gardens can be and for inspiring us to give it a try at our February meeting.

The big mystery has been revealed! This year's, ever popular, bus trip takes us to the **Quilt Museum in LaGrange**, lunch and shopping in their quaint downtown followed by a tour and Meade tasting at Blissful Folly Farm on **April 6th.** (Meade is a distilled beverage made from honey.) Details to follow.

Save the Date: The much anticipated, always enjoyable **Annual Golf Course Tour** is set for **Monday, May 8th.** Please contact Janet at rbartek@comcast.net if you would like to show off your garden along the course.

*"To own a bit of ground, to scratch it with a hoe, to plant seeds, and watch the renewal of life - this is the commonest delight of the race, the most satisfying thing a man can do."*

Correspondence Secretary

# Men's Golf Association

**T**he 2017 MGA golfing season is underway. We had a good, productive Kick-Off Banquet and an enjoyable golf tournament.

As a follow-up to the meeting, we wanted to provide a communication highlighting these key activities we discussed during the banquet:

- **MGA By-Laws** (great discussion)
- **2017 Tournaments**
- **Newly established Web Site for the MGA**
- **MGA Play Days**

The following 2016 awards were presented:

<b>Points Leader</b>	<b>Nick Carlson</b>
<b>Club Champion</b>	<b>Josh Ketter</b>
<b>Most Improved</b>	<b>Jim Sitko</b>

Additionally, the board demonstrated the functionality of the "New" managed web site. Initially, the site will be used for better communication regarding updates, play day information, key documents, help sections, photos, MGA email, etc. The site DOES NOT require a login, you only need to go the URL address. In the near future, you will be provided player "Sign In" information that will allow you to sign-up for tournaments, see the tournament participants, and much, much, more. The address for the "Player Portal" is;

<http://wlmga.golfgroup.info/portal.html?id=19686>

Check it out. The portal can be added to your smart phone, so you can have all MGA activities in the palm of your hand (instructions on the links section "Player Portal Help". We would like your feedback (send us an email).

ps. If you have not joined the MGA for 2017, see one of your board members to get signed up.

Our next tournament is the Member/Member on March 25th -26th, look for a sign-up sheet in the Pro Shop.

*Kick-off Scramble winners Ryan Nordt and Steven King (not pictured Mark Wiatrek)*

## Mayor's Comments

**I**nteresting Tidbits from Last Month's Play  
 We began the month with 47 players beginning match play competition which should conclude in April. **Matt Daniels** shot his best score ever ~ a 78. **Richard Delmar** had a hole-in-three. He hit it into the water on hole #13, but then aced it from the drop zone. Our organization welcomed another new member, **Wayne Gibson**, better known as the "Gipper". Some of us also got to witness **Tom Gerber** attempting an impossible shot out of the water hazard on #2. Unfortunately, Tom discovered that it really was impossible after hitting the ball further into the water.

### 2017 Interclub Season Begins

The Westside Senior Interclub Golf Association (WSIGA) is an organization of eight golf clubs located in the west Houston area. Weston Lakes is one of the eight members and will begin competing this year at Pecan Grove in March. We will be hosting the organization on April 20th. This year, **Roy Allen** is our new Weston Lakes representative and will organize WL participants for each event.

**I** recently visited with some of Weston Lakes' new residents. Many didn't know the story of our incorporation.

- In May of 2008 Weston Lakes held an election to incorporate. Once the incorporation passed an election was held in November to elect the Mayor and Council. In December the Mayor and Council were sworn in by County Judge, Bob Hebert.
- Our current Mayor is Mary Rose Zdunkewicz, Mayor Pro Tem is Denis DeLuca, Alderwoman Linda Harnist, Alderman Bill Ragle and Alderman Trent Thomas.
- The City of Weston Lakes is an area of approximately 2 1/2 miles with 1384 homes and little over 4,200 residents.
- Our close neighbor and friends were generous enough to lease us office space and a meeting room, in Simonton City Hall. We have one City Secretary, Jenni McJunkin and an assistant City Secretary, Stacey Gootee. Our office hours are Monday and Wednesday 11:00 a.m. to 5:00 p.m.
- The City of Weston Lakes does not collect any taxes. Our operating funds come from franchise fees.
- We are very proud of our Emergency Management program headed up by Emergency Management Coordinator (EMC), Clifton Aldrich, Deputy EMC Trent Thomas and Emergency Operations Manager, Barrett Shepherd and many other great volunteers. This is one of the best teams in Fort Bend County.
- With money collected from the County, the City of Weston Lakes offer free swimming lessons and CPR classes to the citizens of Weston Lakes.
- With many new residents coming in over the past few years, I hope this information will give you an insight into the City.
- If you have any questions or comments please call City Hall at (281) 533-0907 or email us at [westonlakes@sbcglobal.net](mailto:westonlakes@sbcglobal.net).

## From the Golf Shop

**A**s the golf season is getting back into full swing with the weather helping us out so far and being so nice we are seeing a good turnout of play, so make sure to call in to make your tee time as early as possible. As Golfing Members, everyone has the opportunity to make tee times up to 7 days in advance and we strongly suggest everyone do so.

Back by popular demand: **"Titleist Demo Day" March 18th** – from **12:00 p.m. till 4:00 p.m.** So be sure to stop by the golf shop and sign up for a scheduled time to be fit by a Titleist Specialist.

The **MGA Member Member** will be coming up on **March 25th** with a Calcutta on **Friday night, March 24th.** We will start play with **8:00 a.m.** tee times on both **Saturday and Sunday.**

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the golf carts any closer than 30 yards from the green. Also, Weston Lakes Country Club golf carts cannot be taken into the community.

As always our goal is to provide a quality experience for all of our members and their guests.

**Keith Simmons**  
Director of Golf

## Golf Course Maintenance

**W**e have had a mild winter so far and the grass is starting to break out of dormancy. We finished slicing the rough as well as aerifying the fairways. The greens are in great shape and have been rolling very consistent and we are very pleased with how healthy they are for this time of year. We completed the tree trimming and cutting back of the pampas grass, we will start work on repairing the cart path at #5. The maintenance staff has done an excellent job on weed control and will be starting spring pre-emergent herbicide applications. We hope to see you on the course and as always please repair your ball marks and sand your divots.

Thank You  
**Shannon Donaway**  
Golf Course Superintendent

# Fitness Center

**W**e are so incredibly proud of our Fitness Members. Staff and I have loved being able to witness the success members are finding in sticking with their resolutions this year. We encourage members to keep it up and not limit setting goals for a healthier you to just the month of January.

Some of our members that have been most successful at meeting their goals are involved in our Group Fitness program. Members attending not only build great relationships with other participants, but find themselves having fun while meeting their goals! If you are interested in picking up your fitness regimen or setting some new goals, I encourage you to try a number of classes and find your favorites!

If you find it tough to self-motivate or commit to a regular workout routine, we have a great team of Personal Trainers. We are here to help keep you accountable, push you past what you thought you were capable of, and create a program suited to your individual fitness needs. Try one of our specialty group training groups like Pilates or Kickboxing.

Don't miss the opportunity to join us **Tuesday, March 7th at 5:00 p.m.** for A Night at the Bar! This FREE 45 minute demo of our Monday night Power Pump class is a weight training circuit geared to get your heart rate up and develop strength at the same time! ALL community members of the Country Club ages 16 years or older are welcome to attend. It will be geared for all fitness levels from beginner to advance!

# Keep Weston Lakes Beautiful

## What's New?

Keep Weston Lakes Beautiful along with our co-sponsor, Weston Lakes Country Club, appreciates your support and is planning our 1st fundraising event, "Boot & Bling" dinner/dance for April 29th at the Weston Lakes Country Club. Keep Weston Lakes Beautiful Board of Directors hopes everyone marks his or her calendar for this fun event of dinner, live music, dancing, silent and live auction. A fun time is assured for all.

It has been a very busy month for Keep Weston Lakes Beautiful. We are proud to report the Riverwood Park and Random-Bottom Cemetery, located at the corner of Westminster Drive and Wellspring Drive, have undergone a week-long clean up, tree trimming, pruning and beautification project. Thank you to all of the clean-up participants in

this project, Ted and Nancy Case, Janet Bartek, Tricia Wright, Earlene and David Hopkins, Carole Sandoval, Maureen Pedersen and Carol & Ty Fairbanks. A big "thank you" to Adam's Tree Service for the donation of time and services to undertake and complete this project at no cost to the Keep Weston Lakes Beautiful Fund, the POA or residents.

The Recreation Committee is working with the POA and Keep Weston Lakes Beautiful to design a multi-phased plan creating

suitable recreation facilities for residents of all ages to enjoy within the gates of Weston Lakes. The first phase has been completed with repairs and new paint in Pecan Park and Riverwood Park. In the past two months, the committee members have met with several contractors designing a functional park design for Riverwood Park. Bids have been received for the walking trail and new playground equipment. These bids have been presented to the POA Board for approval. We are looking forward to our next phase being completed! The committee members are Linda Roblyer, Barbara Ball, Debbie Cooper, Bill Ragle, Amanda Hermes, and Connie Kelley.

The Education Committee of Keep Weston Lakes Beautiful has some exciting things planned for the community this spring. Several projects and competitions will be held, so watch for dates and details in future publications. Scout troops, both boys and girls, and Camp Fire Girls will have the opportunity to earn several awesome patches for gardening and beautification projects. Children of all ages will be able to earn "community service hours" when they get involved in these projects. Teachers can get lesson plans and curriculum on many subjects from "Young Environmental Leaders" to the "Waste in Place" curriculum and Patch Programs offered by Keep Texas Beautiful. These youth programs foster budding environmental stewards and ensure a bright future for Weston Lakes and all of Texas. For more information on how to get involved in a specific project or if you are interested in helping with the Education Committee, contact Garreta Kipp (gkipp\_95@4securemail.com) or Earlene Hopkins (CougarMomUH@aol.com).

# Property Owners Association

**W**ith spring right around the corner the WL Lake Committee would like to make two recommendations.

- Please refrain from fertilizing your yard at least 25 feet away from the water's edge. When fertilizers enter our lakes it does two things. First it pollutes the water which harms all of our wildlife. Second it fertilizes the same way it does your yard. It helps to increase the growth rates of vegetation that we work hard to control so it doesn't take over the surface water.
- Please use fertilizers that contain low levels of phosphorous. High levels of phosphorous do the most harm to our wildlife if they enter the lake. When choosing a fertilizer the phosphorous level is the second number, you want that number to be 5 or less.

Please remember that our community is governed by CCRs. These CCRs are written per section. These 27 sets of CCRs, one per section, can be found on the POA website under documents. These documents address many questions that residents have, including rules for items such as: Golf Cart use, fences and hedges, street parking, lot maintenance, home improvements, etc., and may vary from Section to Section.

The POA would like to extend a community thank you to Adam's Tree Service for donating their crews to assist Keep Weston Lakes Beautiful with work in Riverwood Park, and the cemetery.

## BOOK CLUB

March 6th at 2 p.m.

At the home of Debby Haas at 4303 Westerdale

### Defending Jacob

by William Landry

#### NEW YORK TIMES BESTSELLER

Andy Barber has been an assistant district attorney for two decades. He is respected. Admired in the courtroom. Happy at home with the loves of his life: his wife, Laurie, and their teenage son, Jacob.

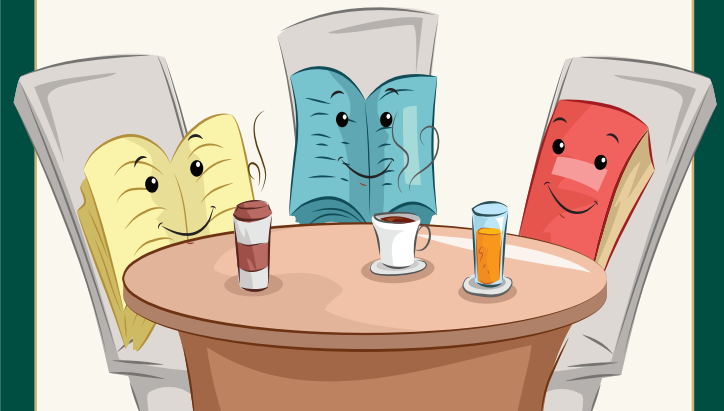

Then Andy's quiet suburb is stunned by a shocking crime: a young boy stabbed to death in a leafy park. And an even greater shock: The accused is Andy's own son - shy, awkward, mysterious Jacob.

Andy believes in Jacob's innocence. Any parent would. But the pressure mounts. Damning evidence. Doubt. A faltering marriage. The neighbors' contempt. A murder trial that threatens to obliterate Andy's family.

It is the ultimate test for any parent: How far would you go to protect your child? It is a test of devotion. A test of how well a parent can know a child. For Andy Barber, a man with an iron will and a dark secret, it is a test of guilt and innocence in the deepest sense.

*How far would you go?*

## DID YOU KNOW?

# Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

*We look forward to serving you soon!*
