From the Club Manager

Everyone should be recovered from all the excitement surrounding the eclipse, the kids have returned to school and we can finally see fall just around the corner. As we move into September, please remember that we'll kick off the month with a holiday weekend and the club will be **open on Monday, September 4th for Labor Day, and closed on Tuesday the 5th.** We hope you will be able to join us for a round of golf, a workout in the fitness center or a meal in the Grill. Labor Day weekend will also be the last weekend our Family Pool is open for the season.

If you are a golf member you'll want to check out a new event we're hosting on Saturday, September 16th. The Golden Lion Cup is your opportunity to invite a guest, free of charge, to play in a two-person tournament with you. The club will provide food, drinks and prizes, so it should be a fun time for all.

For more details, please see our staff in the Golf Proshop. The following weekend we'll host the Club Championship for the MGA on the 23rd and 24th, so good luck to all our MGA members. On Thursday the 28th the Weston Lakes LGA will represent our club when the Ladies Interclub tournament is held at our course. I know our LGA team will play hard and represent us well.

If you aren't a golfer, there are still many things to enjoy at the club. We'll have our Homestyle Brunch on Sunday the 10th, a Live Music event in the Courtyard on Thursday the 14th, and there are various fitness classes being held most days. As always, you can also find great local groups to join for a variety of activities held at the club. Feel free to contact our business office for more details.

We'll look forward to seeing you soon.

2nd Flight	Gross Net	1st Gary Owens 1st Eric Smith	2nd Rusty Jackson 2nd Gene Cain
3rd Flight	Gross Net	1st Les Stanbery 1st Steven King	2nd Richard Hanagriff 2nd Mike Surface
4th Flight	Gross Net	1st Jim Sitco 1st Tommy Jacobs	2nd Dave Heslep 2nd Dimas Kuhl

Our next Tournament is the Club Championship on September 23rd and 24th.

The course is in great shape thanks to Shannon and his crew as reflected in the outstanding rounds shot by our members.

Nick Carlson shot 69 (from the tips) and Gary Owens shot a 72.

Our spotlight players of the month both shot career best rounds:

Congratulations to both of them.

GOLF FACTS

What is a "Course Rating"?

The quick answer is that it's a single number indicating the difficulty of a golf course to an expert golfer, a "par golfer". The figure is used when calculating handicaps.

The Course Rating is a number, close to par for the course, and is expressed with a single decimal digit. For example: If par for a course is 72, it's Course Rating might be 71.4.

Rating values go up with difficulty.

Actually, for any given golf course, you can expect to see three (or even more) values for the Course Rating. Each value corresponds to a different tee.

For example: On this same course, the Course Rating for golfers who play from the men's blue tees might be 72.8. From the men's white tees, the Course Rating might be 71.0. The ladies' red tees may be rated at 73.3.

These figures are almost always printed on the score card.

What is a "Course Slope"?

The quick (and overly simplistic) answer is that it's a single number indicating the difficulty of a golf course to a "bogey golfer". The figure is used when calculating handicaps.

The Course Slope value is a two- or three-digit integer, always between 55 and 155, with 113 being the average or "standard" value.

There will be one Course Slope for each Course Rating. The blue men's tees might have a Course Slope of 123. The white men's tees: 119 and the men's red tees perhaps a 114.

These figures are almost always printed on the score card in the United States. Course Slope is a creation of The United States Golf Association and has been licensed to the Royal Canadian Golf Association. Courses outside of the United States and Canada (and their protectorates) will probably not have a Slope rating.

What is the definition of a "par golfer"?

Someone who consistently shoots par for the course, regardless of the course. Also known as a "scratch golfer".

What is the definition of a "bogey golfer"?

Someone who shoots 18-over-par on average. I.e., this golfer would regularly shoot a score of 90 on a par-72 regulation course.

How are course ratings and slopes calculated?

The USGA has studied the elements that make a course easy or difficult for many years. They have computer models which predict that adding a sand trap here or water hazard there will boost a hole's difficulty by such-and-such an average number of strokes for the scratch golfer and a different number of strokes for a bogey golfer. They also quantize the influence of dog legs, narrow fairways, trees, hard pan, deep rough, swales, gulleys, green speed, you name it. All these course ingredients are captured in a handbook which is available to a course architect so a preliminary rating and slope can be estimated for each tee color.

Women's Association

The long, hot summer is coming to a close (hopefully soon), and it's time to think about fall fashions and getting back into the swing of things! Mark your calendars for Sept. 19 to see what is new in fashion from J. Jill Clothing at La Centera. It is "Back to School" time and everyone needs new "Back to School" clothes! With **Jamie Johnson** and **Carolyn Martinez** in charge of this program, it's bound to be a fun and fabulous meeting. Don't miss out-**Sept. 19 at 10:00 am** in the WLCC. See you there and be sure to bring a friend!

Officers for the 2018 year will be elected at the Sept. meeting. The Nominating Committee will present the following slate: **Dana Sarles**, President; **Earlene Hopkins**, 1st Vice President; **Rachel Durham** and **Lorelei Nash**, 2nd Vice Presidents; **Deb Gillis**, Treasurer; **Carole Sandoval**, Recording Secretary; **June Lobo**, Corresponding Secretary; and **Nancy Case**, Parliamentarian. Nominations will also be taken from the floor, and the new officers elected will begin their duties in January, 2018.

Be sure to check out the website www.fulshear5K.com for details about the **2017 Fulshear 5K** to be held on **Sept. 30** at our own Fulshear High School. The event was a huge success last year. Funds from this event go to scholarships and grants through the Foundation, so you definitely want to get involved in this worthwhile event. Sign up to sponsor the event, or to run (or walk) or even volunteer to help with the event. Lots of food, fun, and fellowship with family and friends are planned. Check out the website and get involved!

The Weston Lakes Women's Association is open to all women in Weston Lakes who are looking for fellowship as well as wanting to be a part of some very worthy causes in the community. The WLWA Foundation gives annual scholarships and grants to local students and various community organizations. Meetings are fun and casual, with a little business, a little fun, and a delicious lunch prepared by the WLCC especially for our membership. Meetings are the third Tuesday of each month September through May. We hope to see you there!

Earlene Hopkins,
Corresponding Secretary

Ladies' Golf Association

Thanks to those of you who continue to play in July and August in the heat of the summer. It is good to keep our Match Play going because it concludes in October.

This month, Weston Lakes hosts Interclub on September 28th. We need 15 players to play. The cost will be \$45 which includes breakfast and lunch. The format is Stableford and we always meet nice ladies. We had trouble last month filling spots for Willowfork, so we sure would like to get a full field for our Club this month. Let Wendee know if you are interest in playing. Watch for her E-mail.

I have asked **Judy Johnson** to spearhead the Nominating Committee this year. Yes, it is that time again when we must be thinking about the new Board of Directors for next year. If you are interested in taking a position for the 2018 year, please call Judy. If you are called upon to take a position, please do not hesitate to say yes!

In these hot days of summer in south Texas, be sure to stay hydrated. For several days there have been heat advisories well over a 100 degrees. Bring extra bottles of water, a towel for around your neck, a fan (if you have one), a sun umbrella, and always find the shade.

Save the date for our 2nd annual "Pot of Gold" on March 14, 2018. 2-Lady Invitational here at Weston Lakes. If you are called on to help in any way, please say yes. We had a great time last year.

Welcome all these new members to the LGA: **Susan Tucker**, **Bonita Yarborough**, **Gail Shimaitis**, **Terri Daniels**, **Gilma Leask**, **Pam McDonald**, **Cindy Montgomery**, and new former member, **Pam Garza** . . . welcome!

SEPTEMBER BIRTHDAYS: Catherine Tinkler Sept. 10,
Stacey Schrader Sept. 13, Adri Bormans Sept. 16,

THE TAMING OF THE QUEEN

by Philippa Gregory

The book tells the story of Kateryn Parr from just before she wed Henry VIII, until just after his death. The work is semi-historical, weaving fact with fiction to tell the story of one of only two of Henry's six wives to survive him.

Garden Club

Local history comes alive! Join us for a fascinating presentation by area native and member of the Fulshear-Simonton Historical Society, Mr. J.D. McCann on the history of our beautiful community.

We'll also be celebrating 25 years of fun and friends with our organization, a.k.a. the best darn garden club in Texas. Be sure your calendar is marked for Tuesday, September 26th at 10:00 for a festive celebration in the country club ballroom. We'll be honoring our founders and enjoying a good visit with dear and new friends. We hope you'll join us for lunch after as well.

A few quick facts about the club:

- Fascinating speakers come from across the area to share their expertise with us!
- Interesting road trips from downtown Houston to the hill country are part of our yearly calendar (and yes, that has included a winery or two – grapes Are plants of course).
- Fabulous friends are met and made in a relaxed and fun environment
- Everyone in Weston Lakes is invited to join in!

Dues are just \$25 if paid by the 15th (\$30 after 09/15/17)

Checks made to WL Garden Club can be mailed to our talented treasurer, Mary Kanney @ 4806 Waterbeck.

Some... just some of us actually garden, but we All appreciate the wonderful feeling we get from being a part of such a loving group! We'd love to have you along! We promise you'll have a grand time.

Competition Season is Almost Over

Luckily, with the extreme heat of summer, we are taking a brief break before completing our final competitions in late September and October. Our interclub matches will resume at Sugar Creek on September 7, followed by Willow Fork on September 19, Pecan Grove on October 12, and we finish the year at Quail Valley on November 9. We currently are tied for second place out of the eight teams. We will also hold our final SMGA tournament with our Club Championship Tournament on October 5-6.

Member/Partner Tournament

Our annual Member/Partner tournament was originally scheduled for June 24, but due to rain was rescheduled to July 14. Thanks to SMGA 1st Vice-President **John Kemper** and **Keith Simmons**, the rescheduled event was a great success. A record thirty-three teams competed within four flights. **Rick Gaines** and **Joe Kuhla** won their flight and were Overall Net Champions.

Congratulations to all the winners!

Property Owners Association

The Recreation Committee is still working out the logistics and specifications for a walking trail.

All home improvements, additions, exterior paint, fences, roofing, shutters, 'etc., need to have an approved Home Improvement or Home Addition application prior to work commencing. All applications for Home Improvement and Home addition should now be directed to the POA office. The forms and instructions are located on the Weston Lakes POA web site under the documents folder.

An additional speed hump has been added to the Resident lane. Hopefully, this will prevent tailgating and the frequent hits to the gate arm.

School is back in session. Please drive carefully and watch for children boarding/discharging from the school buses.

The next scheduled POA meeting is **September the 28th**. Hope to see you there.

Golf Course Maintenance

The hot days of August are behind us and the maintenance staff is looking forward to cooler days in September and October. September should be a great month for golf and the greens should be in great condition for the club championships. We greatly appreciate the compliments we have been receiving on the quality of the golf course.

As I make my way around the course, I have noticed a considerable amount of divots not being repaired on the greens. This is unfair to the players who do repair there ball marks. If you hit your ball on the green there will be a ball mark and if you can't find it please repair one that you do see. An unrepaired ball mark takes two weeks to heal opposed to a repaired ball mark which only takes three days. Thank you for your help with this issue. Hope to see you on the course and as always please repair your ball marks and sand your divots.

Golf Course Superintendent

From the Golf Shop

As we move into September, it's hard to believe the summer is behind us... hopefully the hot weather will be over soon. With a slight break in the temperatures, we're expecting to see more golfers enjoying the course.

For all of those who don't want to take on the mid-day heat we are keeping the Pro Shop open until 7 p.m. to accommodate golfers who want to wait until it cools of later in the day. We will do so until daylight saving time ends on November 5th. In doing so we are currently asking golfers who begin later in the day to please return our Weston Lakes golf carts to the golf shop around 8 p.m. This time will move up as it gets darker earlier in the evening.

Quick note, Weston Lakes is excited to introduce a New Club Sponsored Event this month the 1st Annual Weston Lakes Country Club **GOLDEN LION CUP** which will be a 2-person Best Ball on September 16th. Any Golfing Member (Male or Female) of the club can participate with a Non -Member who lives in Weston Lakes or within a 15 mile radius of Weston Lakes. Participants must have a Handicap and there is "No Entry Fee". So be sure to come by the Pro Shop and register you and your guest or Email info to: keith@westonlakes.net

For more information give us a call at the Golf Shop (281) 346-1227 ext.212.

Hole Handicapping Changes on the Horizon

The Golf Course is in the process on updating our scorecards, and in the process, modifying the Course Hole Handicapping.

While many golfers think that the No.1 handicap hole on the course is the toughest... and sometimes it isn't. This can be perplexing for members and perhaps for club staff as well. The root of the confusion generally stems from a lingering misconception about how and why holes are assigned a handicap number (stroke allocation).

Despite the feelings of most golfers, the stroke hole allocation of a course is NOT supposed to represent a ranking of the difficulty of the holes. Instead, it represents the ranking of the holes where a high-handicapped golfer most needs a stroke in order to tie a low-handicapped golfer.

In many instances, this need for strokes does occur on the most difficult holes, but not always. The basic principle of allocating handicap strokes is to equalize the abilities of players at different handicap levels. A handicap stroke should be an equalizer rather than a winning stroke and should be available on a hole where it most likely will be needed by the higher-handicapped player to obtain a half in singles or four-ball match play. In other words, the No.1 handicap stroke hole should be assigned to the hole where the bogey golfer needs the additional stroke in order to halve the hole with the scratch golfer.

As an example, for Hole # 13, a low-handicap golfer is just as likely to make bogey as a high-handicapper, therefore a stroke isn't needed.

Par is irrelevant in this exercise as it's not an effective indicator of a need for a stroke.

As always our goal is to provide a quality experience for all our Members and their Guests.

Fitness Center

If you've not gotten the chance to jump back into your fitness routine, make sure you stop by the Fitness Center's portable building located next to the 19th hole. We were able to accommodate a large scale of equipment from our permanent building and space for our classes like Boot Camp, Power Pump, and Core Connection. Best part is, until we return to our permanent building, Members are permitted use the portable building at NO CHARGE, this includes the Group Fitness Classes!

Be sure to check out this month's class schedule and set reminders for your favorite ones! Classes like Yoga, Pilates, and PiYo are scheduled around existing events in the ballroom. All other classes including, but not limited to, Boot Camp, Power Pump, and Core will be held in the portable building, or outside depending on weather conditions!

Don't forget to book your next massage with us. We are now accepting appointments for Mondays, Thursdays, and Saturdays! To schedule your appointment, please contact Kylee Ford at kylee@westonlakes.net

For class schedules, or updates, please look for our E-blasts or check out our Facebook page at www.facebook.com/wlccfitnesscenter/. For more information or any questions, please email Kylee Ford at kylee@westonlakes.net.

Keep Weston Lakes Beautiful

It's hard to believe that we are into the last months of 2017 and these will be the busiest ones for Keep Weston Lakes Beautiful.

PROJECTS IN PROGRESS:

Pecan Park Beautification Project:

The month started with our Bluebonnet Committee making final plans for sowing seeds in Pecan Park on September 9th, which just happens to be National Planting Day. Stay tuned for more detailed information. **Debby Haas** and her committee, **Nancy Reichardt**, **Valerie Planchard**, **Bonnie Carr**, **Debbie Rodriguez**, and **Connie Kelley** have been working with Native American Seed Company. We are looking forward to a vibrant color display next June!

Randon Bottom Cemetery Restoration Project:

The beautification and honoring of the Randon Bottom Cemetery is also very exciting. The committee, led by **Carolyn Martinez**, had a very productive trip to Citywide Monuments and Robbins Monuments to look at a monument for the cemetery. Both companies were very knowledgeable and comparable in their products and prices. Robbins Monuments was awarded the project. We will also be working closely with **Nicholas Stephens** as he works towards earning the prestigious Eagle Scout honor. Nicholas will be planning, paying for and completing the brick entrance to the cemetery as a part of his Eagle Scout requirement. If you would like to donate to his efforts please email: keepwestonlakesbeautiful@gmail.com.

Weston Lakes Cookbook: "A Taste of Goodness" presented by Keep Weston Lakes Beautiful

Committee Chair, **Valerie Planchard** and her committee have been working tirelessly on our wonderful cookbook and we want to thank all of the community for sharing over 300 of your favorite recipes! This is truly a labor of love and we can hardly wait to share this collection of yummy recipes with all of Weston Lakes. We will be planning a tasting event, for pre orders, and will have copies available for sale just in time for the holidays!

Riverwood Forest Park Project:

Aqua Texas will be providing paint and supplies for a good old fashioned fence painting party that will give a "face lift" to the fence surrounding the water tank. Aqua Texas will also be donating a water line and a new drinking fountain, including a dog bowl, to be installed at Riverwood Forest Park. Aqua Texas has generously committed to donate a substantial money grant over the balance of 2017 for qualified projects. Keep Weston Lakes Beautiful is very thankful for their commitment to help us beautify our community and the grant is greatly appreciated.

Executive Director Minute

I am so grateful and thankful for all the support and volunteerism for Keep Weston Lakes Beautiful. All of these projects would not be possible without the commitment of our Board of Directors, Committee chairs, Committee members, and community support. Without their dedication and effort the mission of Keep Weston Lakes Beautiful could not be realized.

Keep Weston Lakes Beautiful is a volunteer group whose goal is to reach into every segment of our community. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

City of Weston Lakes

Mayor's Comments

City of Weston Lakes Updates

Your Mayor and City Council hosted two events during July. Congressman Pete Olson was the keynote speaker at a breakfast meeting held at the WLCC and was well attended by elected officials from three different Cities; Fulshear, Simonton and the City of Weston Lakes.

On July 28, The City of Weston Lakes hosted a day-long Continuing Education Seminar with TML. The seminar was attended by 50 Mayor and Council members from 25 different Texas Cities. Agenda items included: TML Overview, Small Cities' Legislative Issues, Revenue Sources, Open Meetings Act, and Personal Liability of Elected Officials.

The above meetings were in addition to regularly scheduled meetings, which included Small Town Mayors Meeting, FBCMCA Meeting, and City of Weston Lakes Emergency Management Committee meeting.

The City of Weston Lakes is a participating Board Member of the Highway 36a Coalition, which is promoting a highway corridor linking Port Freeport to SH6 north of Hempstead as a part of the multi-modal approach to a comprehensive mobility solution for the region.

The City also sits on the Board and attends meetings of the Gulf Coast Coalition of Cities, a group of 34 area municipalities that have banded together to monitor utility rates and franchise fees, and to provide advice and protection to the member cities regarding rate increases and changes to the utility rate structure.

Residents interested in City Government are encouraged to volunteer for the City's Emergency Management Team and to attend regular monthly city council meetings the 4th Tuesday of each month.

We hope everyone enjoyed the summer break; please watch for children at bus stops.

DID YOU KNOW?

Waterside Grill

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
