From the Club Manager

The kids are back in school, and everyone will soon be turning their attention to the fall and football games, hunting season, holidays, and hopefully cooler weather for golf. I think we had a very successful summer at the club this year with many of our members and guests enjoying golf, swimming, and all our other club activities and events.

The club will be open on Monday, September 3rd, for Labor Day, and closed on Tuesday, September 4th. We hope you will be able to join us for a round of golf, a workout in the Fitness Center or a meal in the Grill. Labor Day weekend will also be the last weekend our Family Pool is open for the season.

We will kick off September with our new member orientation on September 5th, the 2nd Annual Golden Lion Cup on

September 8th, and the MGA will hold its Championship on September 22nd and 23rd. The Fitness Center will have Wine and Yoga Night in the Courtyard on September 27th, please call Kylee in the Fitness Center to reserve a spot.

If you aren't a golfer, there are still many things to enjoy at the club. We'll have our Homestyle Brunch on Sunday the 9th, a Live Music event in the Courtyard on Thursday the 13th, and there are various fitness classes being held most days. As always, you can also find great local groups to join for a variety of activities held at the club. Feel free to contact our business office for more details.

I look forward to seeing you around the club soon.

Ladies' Golf Association

Interclub this month is at **Falcon Point on September 27th**. Let's have a good turnout again like we did last month. Wendee will send out a sign-up soon.

This is our last month for the 8:30 a.m. tee time. It's been nice with the hot weather. Next month, we go back to 9:00 a.m.

It is that time again when we must start thinking about the new slate of board members for the year 2019. I have asked **Judy Johnson** to spearhead the Nominating Committee this year. If you are interested in taking a position for the 2019 year, please call Judy. If you are called upon to take a position, please do not hesitate to say yes!

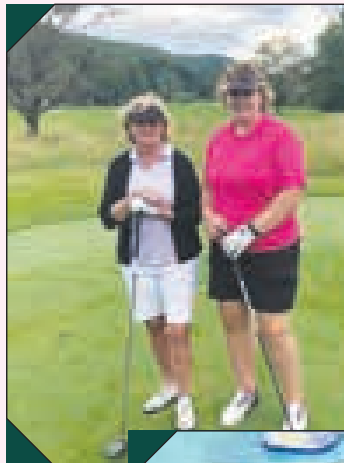

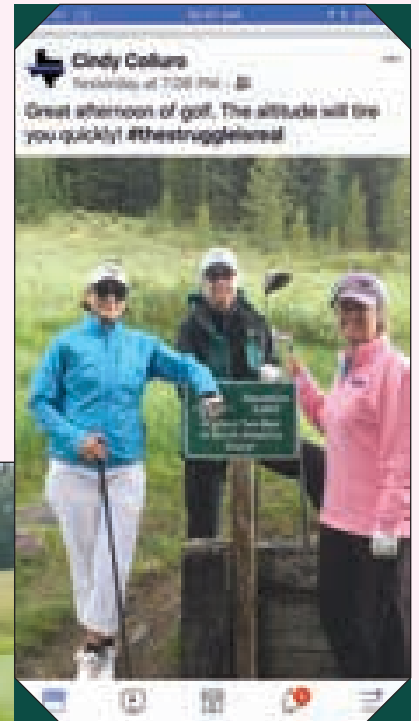

Save the Dates for these important events: Christmas party in the ballroom on **Thursday, December 13th, at 6:30 p.m.**, and the Pot of Gold Tournament on **Wednesday, March 13, 2019**.

Here are some great pictures of what some of our members are doing this summer to entertain themselves. Thanks for sharing!

Garden Club

The wait is almost over! Our first Garden Club meeting of the season is coming up on Tuesday, September 25th. Our meet and greet begins at 10:00 in the WL Ballroom, with the meeting starting at 10:30. Many of our members also enjoy staying after the meeting to enjoy lunch and camaraderie at the club.

We are excited that Kathy Smith, a Weston Lakes resident who is also on the Garden Club Board, will be sharing experiences from her recent 6-week, 500-mile trek across Spain on the El Camino Pilgrimage. In addition to hearing about Kathy's adventure, you will be learning about this year's WLGC programs and service projects. Our programs vary with the seasons and include interesting speakers, hands-on projects, opportunities for community service, and day trips into Houston and the surrounding countryside. We would love to have you join the fun! Yearly dues are \$25 through the upcoming meeting, and \$30 after that.

Gardening Tip: Nursery Resources

If you are looking to enhance your outdoor living space or landscaping, there are some really amazing nurseries in the area. You may find it helpful to explore the websites of these or take the time to visit a few. Please keep in mind that the nurseries listed below are provided as a starting point and there are many more great nurseries in Houston as well as outlying areas. Happy hunting!

Golf Course Maintenance

The hot days of August are behind us, and the maintenance staff is looking forward to cooler days in September and October. September should be a great month for golf! We will have the club championships, and the greens should be in great condition. We will start to lower the rough to its original height when the temperatures start to cool down. I know the longer rough has been an issue through August. The reason we raised the height was to insure the quality of the turf during the hotter months.

We appreciate the compliments we have been receiving on the quality of the golf course. As I make my way around the course I have noticed a considerable amount of divots not being repaired on the greens. This is unfair to the players who do repair their ball marks. If you hit your ball on the green, there will be a ball mark and if you can't find it, please repair one that you do see. An unrepaired ball mark takes two weeks to heal, a repaired ball mark only takes three days to heal. Thank you for your help with this issue.

We will not be overseeding greens this year so we can do a better job of week control and not have any issues with the greens during the spring when we normally have transition. Hope to see you on the course and as always please repair your ball marks and sand your divots.

Women's Association

The Weston Lakes Women's Association will resume its monthly meetings in September. Everyone will want to attend the September 18th program, which is our Fall Fashion Show. The programs committee has an outstanding slate of programs, and the fashion show is sure to be a favorite. As usual, members should start gathering at 10:00 a.m., which gives you time to visit and find the best seat to view the newest fashions.

We tend to organize ourselves in the fall and seek to fill our calendars with the things we enjoy. WLWA has a few dates you will definitely want to "pencil in":

September 18th: Fall fashion show @ 10:00 a.m.

October 13th: WLWA Casino Night @ the club

October 16th: Volunteer Expo @ 10:00 a.m. meeting

November 20th: Holiday Arrangements

December 18th: Annual Dinner Dance

Robin Schill and Bette Burton will fill us in on all of the exciting Casino Night "happenings" during the September meeting. Rumor has it that the event will be a blast and offer something for everyone.

Since this is the "Welcome Back" meeting after our summer break, I would like to share a few words from some of our members...

I would encourage all women to become members of WLWA. It is a quick and easy way to get to know your Weston Lakes neighbors, helps you feel a part of our community and keeps you up-to-date with what is happening in the area. The programs are great, and working together, you build strong relationships. Not only are we a social club, but through the Foundation, WLWA has made a real difference in the lives of many young people through scholarships and grants given to graduating seniors each year...Nancy Case

I have met many of the pleasant mix of people in WLWA and getting together, socializing with each other is the part that I like most ... Barbara Oneto

My favorite thing about Weston Lakes Women's Association is meeting the awesome women who live in Weston Lakes ... Tammy Lenney

Women should join WLWA because of the comradery: enjoying the women and making new friends ... Jamie Johnson

When I attended a WLWA meeting for the first time, I realized that we had made the right decision by moving to Weston Lakes. These were my kind of people and I was amazed to see so many intelligent, creative, energetic, and giving women all in one place. I felt I had found the place I wanted to call home ... Jean Lobo

I believe that women should join the WLWA to build strong, healthy, successful relationships with one another that will serve our community as a whole ... Rachel Durham

Women should join WLWA because it is a great way to meet your neighbors who, so far, are just lovely people... Attend the meetings and take pride in your relationships, neighborhood and the positive environment ... Donna Rodgers

WLWA means so much to so many. I have included some pictures of past meetings to inspire you to drop in for the next meeting.

Property Owners Association

Some of you may be aware that our streets took quite a beating from the Harvey flooding. One of the main reasons is the foundation under the streets became saturated and stayed that way for an extended period of time because the street slope to the ditch was not operating as originally designed. As a result, much of the runoff was not getting to the ditches as designed. If left as is, this will eventually cause the streets to fail prematurely and require that they be totally replaced at a great expense. To prolong the life of our streets we need to perform preventive maintenance on the slope by reestablishing their original designed grade. Unfortunately, this means the slope leading to the ditches, which is in the Right of Way (ROW) of the streets will be disturbed. You might believe that this area is part of your yard, but the ROW is actually a part of the Street. Although the Architectural Bulletin warns against it, many of you may have established landscaping, sprinkler heads and other improvements in this area. These improvements in the Street ROW may/will be destroyed if not relocated before the grading is performed.

Fitness Center

It's back to school season, which means the early mornings, familiar routines, and a constant buzz of busy starts back up again. Let the Fitness Center help kick start your school year. Join us for group fitness classes, sign up for one of our programs this month, or work with one of our certified personal trainers!

Be sure to mark September 27th in your calendar. You'll want to make sure you grab your spouse or friends in the neighborhood and sign up for our Yoga and Wine night in the courtyard! We will be serving wine and light hors d'oeuvres while our Instructor, Cindy Ludwick, coaches us through an hour of Yoga. The cost is only \$25.00 a person. All Country Club members 21 years or older are welcome to attend, but you must sign up prior to the event!

Looking to ramp up your fitness goals? Sign up for one of our HIIT group training sessions that will be available for members to participate in for the whole month of September at a low cost of \$35.00 a person. We will also be adding a new class to the group fitness schedule this

month. Be sure you join us for Strength and Stability Thursday mornings at 10:30 a.m.

According to the International Health and Fitness Association, seventy-five percent of people who exercise are not getting the results they want, but of the 25 percent who are succeeding, 90 percent of them are working with a Personal Trainer. Whether you need to lose weight, are recovering from an injury, or just want to improve your general health, our certified Personal Trainers on staff are here to customize a fitness program specifically designed to suit your lifestyle, goals, and improving any physical limitations. We are here to help motivate you!

If you have any questions, would like more information, or are interested in signing up for upcoming events, please feel free to stop by the front desk today. Call (281) 346-2266, or contact Kylee Ford at kylee@westonlakes.net.

Keep Weston Lakes Beautiful Introduces Our Weston Lakes Tribute Tree Program

Have you ever wished for a way to create a living memorial for a lost loved one, friend or pet? Perhaps you would like to honor someone for an achievement, or recognize a special friend, anniversary or new baby with a lasting tribute that will have continuing memories? **WE HAVE A GREAT IDEA!**

Keep Weston Lakes Beautiful, in an effort to become a “Tree City USA” community, announces our new **Tribute Tree Program**. This program allows residents to purchase a Tribute Tree that will be a lasting gift that will grow more beautiful every year.

Working with the Weston Lakes POA and club management, Keep Weston Lakes Beautiful has identified several locations on public areas throughout our community, including the golf course, where trees can be planted and would enhance our community, as well as help with erosion. Also, following the historic precedent that began many years ago by the Men’s Golf Association to honor their members who had passed, additional trees can be added to the golf course with approval of our Golf Course Superintendent. Trees can also be planted on private lawns should you prefer to give a gift to a friend.

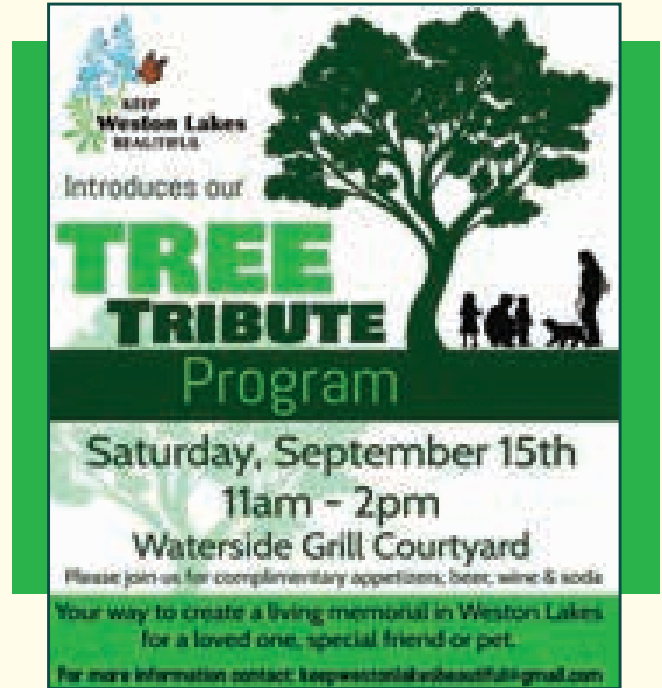

Tree Committee Members: Carolyn Martinez, Bill Ragle, Nancy Case, Carol Fairbanks, Jaime Johnson, and Harry Sturges

Soil samples will be taken and sent to Texas A&M to be evaluated before planting, and Live Oaks will be planted in public areas such as Hwy 1093 frontage, entries to all gates, and in parks. Crepe Myrtles and other varieties will also be available. Water or irrigation is necessary for some chosen tree sites. Planting will begin in late October or November.

Tribute Tree prices will include the 15, 30 or 65-gallon trees, fully customized 12x6-inch engraved black granite marker with your choice of verbiage, planting and mulch. Prices vary according to type and size of tree you purchase ranging from \$200.00 to \$525.00.

Please join us Saturday, September 15th, 11 a.m. – 2 p.m., at the Waterside Grill Courtyard to hear the details, enjoy a community project, share complimentary appetizers, and see actual sample trees! **SEE YOU THERE FOR GREAT TIME!!!**

For more information on the program, please contact Keep Weston Lakes Beautiful at: keepwestonlakesbeautiful@gmail.com

What is Tree City USA?

The Tree City USA program has been greening up cities and towns across America since 1976. It is a nationwide movement that provides the framework necessary for communities to manage and expand their public trees.

Of the 3,400 communities that have made the commitment to becoming a Tree City USA, Texas has only 85! Let’s make Weston Lakes a proud number 86!!!

Why Become a Tree City USA community?

It encourages better care of community tree areas, touches the lives of people within the community who benefit daily from cleaner air, shadier streets, and aesthetic beauty that healthy, well-managed urban forests provide. It also recognizes and rewards communities for annual advancements in urban forestry practices. As we continue to strive for the Governor’s Community Achievement Award of \$90,000 to further beautify Weston Lakes, it can give preference over other communities when allocation of grant money is made for trees or forestry programs. Let’s all get on Board!

Adopt-A-Highway

Not even the HEAT could stop the “Babes on Bikes”, with a little help from the guys, in cleaning up the section of FM 1093 that runs in front of Weston Lakes! Thank you for your dedication and care of our highways and community. Ride on Babes!

Cemetery Texas Law

The Texas Historical Commission (THC) or other state agencies do not enforce cemetery laws. This responsibility belongs to county and municipal law enforcement agencies. If you are aware of cemetery vandalism or desecration contact your county sheriff or local police department.

Protection of historic cemeteries is, however, a shared responsibility. Notification must be made to protect these irreplaceable cultural resources. Cemetery desecration is a continuing problem in Texas and throughout the United States. Destruction occurs in many ways, including the illegal removal of human remains, damage from roaming livestock, encroaching development and construction, vandalism, and theft of grave goods and funerary objects. State laws exist to protect cemeteries from vandalism, theft and desecration.

Section 28.03(f) of the Texas Penal Code, **Criminal Mischief**, provides that an offense involving damage or destruction inflicted on a human burial site is a state jail felony.

Weston Lakes Cookbooks:

“A Taste of Goodness” is beautiful and **RESOURCEFUL!** Weston Lakes residents, friends, family, local chefs and dignitaries contributed 398 mouth-watering recipes into a single cookbook compiled by Committee Chair, Valerie Planchard and her amazing volunteer team. Everything you need including appetizers, salads, soups, main entrees, side dishes and desserts are contained in “A Taste of Goodness” to be treasured for generations to come. The profits benefit community beautification, education, recycling and litter prevention programs for Keep Weston Lakes Beautiful, as well as our co-sponsors Weston Lakes Women’s Association and Garden Club. Cookbooks are available to purchase for \$20 at www.cookbooks4sale.com. You may also purchase them by calling Tricia Wright at 469-826-3564 cell and we’ll deliver directly to you. These make wonderful gifts for friends and family members, both inside and outside our gates.

Keep Weston Lakes Beautiful Mission Statement:

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization, co-sponsored by the Weston Lakes Women’s Association and Garden Club, whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

All money raised by Keep Weston Lakes Beautiful is spent on community improvement projects and the implementation of programs that align with our mission and help our organization compete for the Governor’s Community Achievement Award, awarded through Keep Texas Beautiful, in partnership with Texas Department of Transportation (TxDot).

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful!

From the Golf Shop

As we move into September, it's hard to believe the summer is almost behind us. Hopefully the hot weather will be over soon. With a slight break in the temperatures, we're expecting to see more golfers enjoying the course. Shannon has the course in great shape! We appreciate everyone who has come in the shop and complimented the course conditions.

We are looking forward to the 2nd Annual Weston Lakes Country Club Golden Lion Cup on September 8th, and then later in the month we start off the Club Championships with the MGA group on September 24th and 25th.

We have new merchandise that has recently come in, so be sure to come by and take a look.

Our goal is always to provide a quality experience for all of our members and their guests.

Director of Golf

Remembering Harvey

A year ago Harvey arrived and devastated many Weston Lakes residents. I was one of them, and I have not forgotten the help I received from Weston Lakes residents of whom many I did not know.

Weston Lakes is a fantastic and caring community, and it's time to again say thank you to all who helped me and many others.

Penelope Murphy, 25-year resident
