Ladies' Golf Association

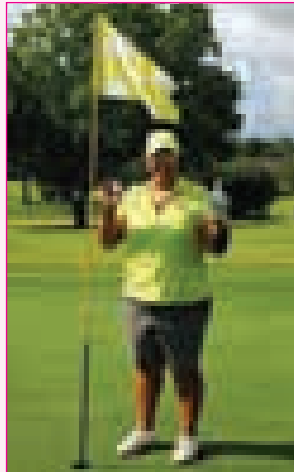

October is a busy month for the LGA. We start off on October 3rd with our "Pink Lady Scramble". The 9 and 18 hole ladies play together in this event. It benefits the "Susan G. Koman Race for Cure" event to raise money to cure breast cancer. We would like a big turnout for this event. Bring your contribution in a sealed envelope made payable to the Susan G. Koman Foundation. Sign up will be with Eileen when she sends out the Email. Everyone wear pink!

The 2018 Club Championship and President's Cup will be held Friday and Saturday, October 12th and 13th. Tee times begin at 8:00 a.m. on both days. We will meet in the lounge on both days after play for scoring. Mona will send out the pairings on the week of the tournament. On Saturday the 13th, we will have a meeting after play when Judy Johnson will present a slate of nominees for 2019 Board. We will also take nominations from the floor, and then we will vote.

Our last Interclub of the year is October 25th here at Weston Lakes. We would like a good turnout for this event here at our home course. Be sure to sign up with Wendee when she sends out the email.

Mark your calendars now: November 14th will be our Member/Guest Tournament. This is a very fun event. Be thinking of who you would like to invite. (Guest cannot be a member of our club). A format for this event is yet to be determined. Mona will send out an email.

Congratulations to **Mona Pope** for her first Hole-In-One on August 29th on Hole #7. She won a load of money from the hole in one pot, so we need to start over. The cost is \$5 and give your money to Ting.

Garden Club

The Garden Club will be making its first outing of the year on Wednesday, October 24th. We are excited to tour the Lanier Theological Library in North Houston. In addition to the library's vast collection of books and journals, it also features a collection of ancient artifacts that range from Iron Age pottery to Roman currency. The library's collection of the works of C.S. Elliott is said to be one of the best in America and includes 60 of Mr. Elliott's first edition books. After the tour, we will have lunch over in the Champion's area before heading back out to Weston Lakes.

We hope you are enjoying the cooler weather that comes in October. Now is the time to plant fall and winter color - pansies, dianthus, snapdragons, alyssum, ornamental kale and cabbage, dusty miller and others. Hummingbirds are continuing to migrate, so keep those feeders clean, filled, and ready for action!

Pecan trees throughout the neighborhood are heavy-laden with this year's crop. Please keep a close watch on your trees and be ready to trim branches, as needed, in order to prevent breakage that may be caused by wind and rain.

Golf Course Maintenance

Fall has officially arrived, and the weather has been great for golf. We will not be over-seeding the greens this year so we can clean up the winter weed problem. We will also be doing our fall pre-emergent herbicide applications on the fairways and rough during October. The Golf Course Maintenance Staff worked very hard all season to get the course in good playing condition for our Men's Club Championship that was held in September. The greens were in the best condition they have been all year, and I hope everyone enjoyed the playing conditions of the course. Some of the projects we have planned for the rest of the year and the start of next year will be drainage work on some of the approaches to the greens, weed control, cartpath edge work and finishing the irrigation project on the outer loop. Hope to see you on the course, and please repair your ball marks and divots.

From the Golf Shop

With kids back in school, baseball season winding down and football season starting up it's starting to feel like autumn again... even if the cooler weather is running a little behind schedule.

As we move into October, we are also getting excited about the upcoming Club Championship for the SMGA and LGA. The SMGA will have their Championship on October 5th and 6th. The LGA holds its event the following week on Friday and Saturday mornings, October 12th and 13th. We look forward to seeing our members participate in each event, and wish all golfers "Good Luck"!

When you come in the Golf Shop, please take a few minutes to check out some of the new fall merchandise that has arrived. If you have a gift idea for "someone special" and you don't see it in the shop, please let us know and we will be glad to special order it so it will be here in time for the holidays.

Our goal is always to provide a quality experience for all of our members and their guests.

Daily Park Dedication Community Invitation

Community invited to help dedicate new park on October 6, SIMONTON, TX

Two years ago, along with his wife, Joyce, and daughter, Laura, Dr. Harold Daily of Houston donated more than 68 acres of land for a park in north Fort Bend County. A native of Simonton, Dr. Daily provided the land for the specific purpose of establishing a park and nature preserve to a rapidly-growing county in need of recreational and green space. The park will be officially named the Abe and Lizzie Daily Park in honor of Dr. Daily's parents.

According to Fort Bend County officials, plans for the park include at least four baseball diamonds, two soccer fields and a nature preserve along land bordering the Brazos River.

On Saturday, October 6, members of the community are invited to join the Daily family for the official dedication of the Abe & Lizzie Daily Park. The ceremony will take place at 11 a.m. at 4026 Nails

Road, Simonton. There will be a short presentation followed by light refreshments.

Abe and Lizzie Daily emigrated from Eastern Europe in the early 1900s in order to escape persecution and have a better life in America. They married in 1915 and lived in Simonton, where Abe farmed the land and operated the Daily Brothers General Store. Abe and Lizzie Daily raised five children, Sylvia, Robbie, Harold, Abe Jr. and Dorothy in Simonton and were known throughout the area for their kindness and generosity to those in need.

Four generations of the Daily family will be on hand for the event. The family hopes that members of the community will join them on Saturday, October 6.

K eep Weston Lakes Beautiful Honored to Win Prestigious Grant from Keep Texas Beautiful

Keep Texas Beautiful (KTB) founded the Rebuilding Texas Fund in August, 2017 to support its affiliate communities impacted by Hurricane Harvey. With contributions from Revolver Brewing, Waste Management and Chevron, as well as generous individual donors, KTB created the Rebuilding Texas Grants Program to support restoration projects and long-term recovery efforts in the affected communities. Keep Weston Lakes Beautiful (KWLB) competed against other Harvey affected communities across Texas for one of only 9 grants and was awarded \$8,885.00!

It is mandatory that the proceeds from the KTB grant award be used by KWLB in its efforts to restore and improve Pecan Park by planting Live Oaks and Crepe Myrtles within the park and around the new walking trail. KWLB will also plant Louisiana Irises along the banks of Pecan Lake to slow down the erosion process. In addition, KWLB will be reseeded our new wildflower garden and creating a Monarch Butterfly Waystation. We look forward to working closely with our POA and community on this very exciting project.

Keep Weston Lakes Beautiful Tribute Tree Program Kick-Off a Great SUCCESS!

The weather held up for the well-attended launch of the KWLB Tree Tribute event held Saturday, September 15th, at the Country Club Waterside Grill Courtyard. Guests enjoyed complimentary

With a little help from our friends

appetizers, dessert and beverages while viewing the four beautiful trees that were on display; two 15-gallon Crepe Myrtle's; a 30-gallon Live Oak; and a majestic 65-gallon Live Oak. Many thanks to the hard-working KWLB Tree Board members, Harry Sturges, Carolyn Martinez, Jaime Johnson, Nancy Case, Carol Fairbanks and Bill Ragle. Also... thanks to Shannon Donaway, Larry Crow, Katelyn Surface Gray and the clubhouse staff for assisting in the execution of our program, which is designed to continue throughout the years.

KWLB, in an effort to become a designated "Tree City USA" community, will work diligently to nurture its **Tree Tribute Program**. This program allows residents to purchase a Tribute Tree that will be a lasting gift that will grow more beautiful every year. There are few more meaningful gifts than to plant a living tree in someone's honor or memory along with its customized black granite plaque. A Tree Tribute is a perfect gift for a birthday, holiday, special occasion or a poignant memorial for someone's passing or even for a favorite pet.

*Tree Board Members:
Jaime Johnson & Harry Sturges*

Soil samples will be taken and sent to Texas A&M to be evaluated before planting trees. You can also have the tree(s) planted on your property. Live Oaks, Crepe Myrtles and other varieties will also be available. Water or irrigation is necessary for some chosen tree sites. Planting will begin in late October or November.

Tribute Tree prices will include the 15, 30 or 65-gallon tree, fully customized 12" x 6" inch engraved black granite plaque with your choice of verbiage, planting and mulch. Prices vary according to type and size of tree you purchase and range from \$250.00 to \$550.00.

Information and order forms are available on the P.O.A. website under "documents". You can also contact: keepwestonlakesbeautiful@gmail.com directly for assistance.

Tree Tribute raffle tickets are also available for sale \$10 each. The winning ticket will be drawn November 2nd, Texas Arbor Day, and the winner will be awarded a tree of their choice!

Includes tree, planting, staking and mulch. Tickets available at Country Club office (see Mary) or call 281-553-4150 for tickets and information.

Monarch Butterfly Waystation

Pecan Park has been chosen as the location for the new Monarch Butterfly Waystation. This project is designed and modeled after many such projects located throughout the United States to attract butterflies by planting a specific area of a park with plants, trees and flowers known to allure these beautiful lepidopterans. This portion of Pecan Park will also provide a butterfly observation area. KWLB's board member, Janet Bartek is heading this effort with plant design and information from Weston Lakes resident, Nell Bednarz. If you would like to participate, please contact: keepwestonlakesbeautiful@gmail.com

Upcoming Events

2nd Annual Fall Sweep, October 20th

Keep Weston Lakes Beautiful, along with our great community of volunteers, will demonstrate that environmental stewardship is everyone's responsibility and our focus, this year, will be Pecan Park, in accordance to our grant requirements.

"Fall Sweep" is a community-wide cleanup for all who want to pick up and sweep up their community or an area needing some extra attention within our city.

Last year's Fall Sweep event was focused on helping our neighbors affected

Complimentary snacks for all who attended

by Hurricane Harvey and was a great opportunity to show our community strength and pride. This is an excellent way for students to earn volunteer hours and get involved in their neighborhood activities.

Trash bags, gloves, water, snacks and lunch will be provided.

Sign up by October 13th to be guaranteed your free KWLB t-shirt!

To register, please go to: keepwestonlakesbeautiful@gmail.com

Random Bottom Cemetery 2nd Phase Beautification

KWLB is proud to announce the commencement of the 2nd stage of its beautification project to be carried out by Eagle Scout candidate Grayson Price. Under the supervision of KWLB and Troop 941 leaders, the brick path will be extended to the monument, and the beautiful benches, donated by Ted & Nancy Case, as part of the first phase and rededication ceremony last fall. The cemetery really is looking beautiful and thank you to all the volunteers who continue to maintain the area each month.

November 17th, 9:00 a.m. – 12:00 p.m. - Paint Disposal event at Riverwood Park - Cost TBD

Weston Lakes Cookbooks:

"A Taste of Goodness" is beautiful and **RESOURCEFUL!** Weston Lakes residents, friends, family, local chefs and dignitaries contributed 398 mouth-watering recipes into a single cookbook compiled by Committee Chair, Valerie Planchard and her amazing volunteer team. Tools of the trade

Keep Weston Lakes Beautiful Mission Statement:

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization, co-sponsored by the Weston Lakes Women's Association and Garden Club, whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

All money raised by Keep Weston Lakes Beautiful is spent on community improvement projects and the implementation of programs that align with our mission and help our organization compete for the Governor's Community Achievement Award, awarded through Keep Texas Beautiful, in partnership with Texas Department of Transportation (TxDot).

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful!
Everyone is welcome!
