From the Club Manager

I'd like to begin by wishing everyone a very Happy New Year. I hope each of you had a wonderful Christmas holiday season with family and friends.

This past year proved to be an exciting and busy one around the Club, and we're looking forward to another great year in 2019. We've had quite a variety of events on the calendar for our members to enjoy, and planning to add more. If you have an idea for an event that you think other members would also enjoy doing, please let us know. We're always looking for ways to get more involved in the

activities here at the Club.

We will be kicking off next year activities on January 8th with Trivia Night, followed by the LGA Icebreaker on January 9th. We will end the month with Vince King's Elvis Tribute on January 25th, seating is limited, so please make your reservations.

All of us at the club wish you a very happy, healthy and prosperous new year! We look forward to serving you in 2019.

Garden Club

Raindrops on parsley and sage and rosemary. Thyme and sweet basil, with mint and cilantro. Green curly leaves smelling balmy and sweet...these are few of my favorite things.

Meeting Information

Have you ever been in the midst of a cooking adventure and wished that you could simply walk out your back door and grab a handful of something tangy, sweet or savory to perfect the flavor profile for that dish? If so, you will not want to miss learning about Growing and Using Culinary Herbs at our January 22nd meeting. Our guest speaker will be Fort Bend Master Gardener Tricia Bradbury. Plan to join us at 10:00 a.m. in the ballroom at the Clubhouse.

Outreach Update

January is our month to collect donations of items in order to make Valentine gift bags for residents at the Brookshire Nursing Home and for senior citizens at the Irene Stern Community Center. We are also collecting a few items for the Food Bank at the Fulshear Methodist Church. Requested items for the nursing home and seniors are hotel-size shampoo, conditioner, lotion, toothpaste, soap, purse-size tissue, toothbrushes, small note pads and pens, and calendars. Requested items for the Food Bank are full-size shampoo, conditioner, boxes of tissue, and deodorant. Your donations may be brought to the meeting on January 22nd or dropped off to Sharon Gormanson at 4203 Wentworth Drive. For questions, please give Sharon a call at 281-217-3238.

Did You Know?

The Fort Bend County Master Gardeners are community members who take an active interest in their lawns, trees, shrubs, flowers and gardens. They have received special training in horticulture and volunteer through the Texas A&M AgriLife Extension Service. Not only do they have a website to offer tips and answer questions about gardening in Fort Bend County, they also maintain demonstration gardens at the Agricultural Center that is in Rosenberg. The website address is <https://fbmg.org/about-fbmg/>.

Resolution for the New Year

"Why do we make gardens? The act seems so extravagant, so illogical. Don't we have enough hard work in our lives already? Are we looking for more? Why on earth do we bother? It takes a kind of courage. You have to learn to cherish. You have to dare, to take the risk, to bother, to care...You have to have confidence. You have to take charge and be responsible...The challenge is hard, but it is irresistible. To get dirty, to get involved. To act and be acted upon. That is life. If we stop accepting that challenge, we stop living."

Hole-in-One

On November 18, **Terry Fuschak** made a hole-in-one on Number 3. Terry used an 8-iron for the 150-yard ace. The shot was one hop and in the cup. Beautiful. If you remember, it was cold and wet that day. Congratulations to Terry and his hearty companions (dressed appropriately). Congratulations Terry! By the way, are shorts even an option in November? Guess so. Who can argue with an ace.

MGA

In November, the following members came in first for the following dates and games:

November 10

Modified Stableford first, place team - Brad Boydston, Allen Byerly and Jack Warkenthien. The top player for the individual Stableford was Brad Boydston (24 points).

November 17

Random Three-Man Stroke Play (90% handicap) first place team- Ted Case, Steve Cox and Rusty Jackson (The Younger). The winner of the individual stroke play at 100% handicap was Ted Case. Seems like the layoff did Ted wonders.

November 24

Two-man team winners were Brad Boydston and Nick Carlson with a -12 to net. Individual stroke play from the white tee winner was Brad Boydston (-3 net). The individual stroke play (from the gold tee) winner was Gene (Happy Camper) Cain (-6 net).

Last Tournament for the MGA in 2018

On December 1, 44 players gathered for the last MGA tournament of 2018. The players were divided into two groups by tees, gold/red and white. The gold/red group had three flights, and the white tee box players had two flights. The format was a modified Stableford where players gain points through good golf (+five points for a net eagle) and punished by poor golf (-1 point for a double bogey).

The winners by flight:

- 1 Gold/Red Flight: Bobby Bonilla
- 2 Gold/Red Flight: Greg Henning
- 3 Gold/Red Flight: Bob Schaeffer
- 1 White Flight: Terry Fuschak
(Yep, same guy who had a hole-in-one)
- 2 White Flight: Matt Richter

Congratulations to the winners and the players who competed in our last tournament of 2018.

If you are interested in becoming an MGA member, please email a board member at westonlakesMGA@gmail.com for more information.

2019 MGA Event

The MGA Kickoff event is scheduled for February 8 with a banquet and awards ceremony. Saturday, February 9, is our first event of the year.

Etiquette

Over the next few months, we'll discuss golf etiquette. First out of box is respect.

Respect for the course – leave the course as you would like to find it by repairing pitch-marks, replacing divots and raking bunkers after use.

The pictures indicate blotches or marks on the green when a ball mark or divot is not repaired. It is unsightly and preventable. At Raymond Floyd's home course in Fayetteville, NC, every player was asked to repair their divot PLUS two more. Mr. Floyd's greens didn't look like the pictures. WLCC even provides free divot tools in the pro shop. There is no excuse for divot marks on our greens.

Maybe if we kept the greens clear of divot marks Shannon will cut the rough back an inch or so. Deal?

Divots on the fairway: WLCC gives away free sand to fill your divots. Use the sand to fix your divot and two more.

Treat the course like it is your yard, or garden, as they say in the UK.

Fitness Center

With the holiday season behind us and a brand new year ahead, it's the perfect time to get back on track with your fitness and nutrition goals. The Fitness Staff and I encourage you to let us be your accountability partners. Get involved in group fitness, schedule regular sessions with one of our incredible personal trainers, or simply relax with a restorative massage. All too often we overload our schedules and decide that we can't work out because we just don't have the time! This January we challenge you to set aside 90 minutes a week for yourself! Three days for 30 minutes a day is all that you need. Get out for a walk, knock out a round of golf, or set a goal to do 50 pushups a day! Keeping active is always a choice, so make yourself a priority this year. **2019 is your year!!**

For class schedules, or updates, please look for our E-blasts or check out our Facebook page at www.facebook.com/wlccfitnesscenter/. For more information, or to schedule a massage or an appointment with a personal trainer, please email Ross Kilpatrick at ross@westonlakes.net.

Golf Course Maintenance

I hope everyone had a Safe and Happy Holiday. The maintenance staff and I are looking forward to the New Year and we are continuing with the improvements to the course. We will be starting the irrigation project this month on hole #11, so we will close the hole while we are working. As I look back at last year, I can see the quality of the golf course has improved considerably. We have put a good Agronomic program in place that will help us to keep improving the conditions and giving you a more consistent golf course. The maintenance staff and I wish everyone a Safe and Happy New Year. Hope to see you on the course and as always please repair your ball marks and divots.

Women's Association

Happy New Year! The Weston Lakes Women's Association is looking for 2019 to be a year of exciting programs and activities for the women in our community. The dues this year will remain \$30 for the year. The meetings are always the third Tuesday of the month and the membership starts gathering around 10 a.m. to get ready for the 10:30 a.m. program. The year will start with a focus on all the little things we love to do for ourselves so that when we look at ourselves in the mirror we realize we are ready for anything. The title of the program is "New Year, New You". A perfect start to the new year.

The new slate of officers was voted on in the fall and these offices are ready to start.

Dana Sarles President	Earlene Hopkins 1st Vice President
Tammy Lenney 2nd Vice President	Jean Lobo Corresponding Secretary
Rachel Durham Recording Secretary	Donna Rodgers Treasurer
Carol Sandoval Parliamentarian	

We do still have some positions that need to be filled, so please contact Dana if you are interested in getting more involved.

WLWA will be voting on a few minor changes in the by laws at the January meeting, so it is important that as many members attend as possible.

It is always fun to reflect back, and the last two meetings of the year were filled with holiday cheer and Christmas enthusiasm. Ace from Fulshear Florist inspired us with his decorating tips in November and the annual Christmas Dinner and Dance was fun for everyone. The DJ, was extremely skilled in creating a party atmosphere and helped make the night one to remember.

Happy New Year from Keep Weston Lakes Beautiful!

Though still a relatively new Affiliate we certainly had an ambitious and productive 2018.

All of KWLB's success could not have been achieved without the wonderful support of our community and all our volunteers. Volunteers are the back bone of any successful organization, and we cannot thank all of Weston Lakes enough for your unending encouragement and commitment.

As we look back upon the past year, we find ourselves reflecting on the events, projects, opportunities, and those who have helped to shape our organization. 2018 was quite a year for us all! We look forward to working side by side with so many more of you in 2019.

Congratulations!

Keep America Beautiful congratulates Keep Weston Lakes Beautiful on becoming its newest Affiliate.

For more than 60 years, KAB and its affiliates have helped communities become more beautiful through educational programs, litter prevention, recycling, waste reduction, and beautification programs. By becoming an affiliate, Weston Lakes hopes to engage more businesses and residents in keeping Weston Lakes clean and green. The resources made available will allow Weston Lakes to see what initiatives are working around the country, and how they can be adapted to the unique needs of our community.

Through its KAB affiliation, Weston Lakes hopes to become a model community for our region and beyond when it comes to litter prevention, recycling, and environmental sustainability!

Tree Tribute Program

Our ongoing Tree Tribute program is thriving and allows residents to purchase a Tribute Tree, to be planted on private property or approved public property within Weston Lakes, that will be a lasting

gift that will grow more beautiful every year. In addition, over 93 new trees have already been purchased, and planted, in our city this year with many more to come in the following months.

Tree City USA Update

At press time, our Weston Lakes city council was still considering our application for submission to becoming a prestigious, Tree City USA. This affiliation is critical to receiving state, federal and philanthropic grants for 2019 and future years, including the 2018 Governor's Award of \$90,000, which we are striving ardently to receive. We were only a fraction of a percent behind in 2017 and we are hopeful that by the time you are reading this, our city council has approved the application at a special meeting in December 2018. We are hopeful.

KWLB is dedicated to the betterment of our city and the continued environmental sustainability.

Our tree program included 810 volunteer hours, and 93 trees being planted throughout Weston Lakes.

Total Community Value: \$67,576.79

23 trees were removed in 2018 due to disease or safety reasons, 11 of which were lost during flooding.

Thank you all for your support on all of this!

Upcoming Events

January 1st - KWLB with apply for the Governor's Community Achievement Award.

January 14th - Don't Mess with Texas K-12 Art Contest Opens

Property Owners Association

We hope everyone had a great Holiday! With 2019 here, we would like to let the property owners know about some new exciting improvements the POA is making.

1. We are almost complete with a new camera upgrade. All cameras will now be HD quality and this includes the new gatehouse at the Reserve. Most of these improvements will be done in the beginning of January. This will make it easier to identify things like faces and license plates even if they are moving fast across the screen or far away. We have also added microphones at the front gatehouse to capture interaction between visitors and the attendants.
2. The Reserve gatehouse will be complete and working in January. Look for further updates and details as this progresses.
3. The POA is meeting with the Fulbrook HOA this month to open communications and will hopefully work together on issues that face both of our communities.
4. The LED light retrofits will continue through the remainder of the community. The new LED lights are brighter and use a fraction of the electricity the older sodium vapor lights use.

Last but not least, road improvements will be continuing in the community. We are entering into months with lower than average rain fall so this will be a good time to take advantage making repairs. The POA will send out email blasts as schedules are finalized.

Thank you and we wish everyone a happy new year!
