## From the Club Manager

**T**he summer has really flown by, and it's hard to believe the kids will be heading back to school on the 26th of this month. Our annual July 4th celebration at the club was a huge success. Thanks to everyone who participated in making it such a festive event with your decorated golf carts, bicycles and vehicles. Members also enjoyed other activities in July such as the Kid's Splash, Live Music in the Courtyard, and the golfers were able to participate in the MGA's Lone Ranger tournament and the SMGA's Redball event.

Be sure to mark your calendars in August for Kid's Splash on August 6th, the MGA Ringer on August 10th & 11th, the Homestyle Brunch on August 11th, Trivia Night on August 13th, Live Music on August 15th and Fried Chicken Night on August 29th.

I would like to take this opportunity to give you an update on a few staff changes we've made at the club recently. ShaRhonda Hall previously took care of the member billing, and now will be moving to Accounts Payable and Human Resource. Mary Donaway has moved out of the role of Receptionist and has taken over Accounts Receivable and member billing. The good news is that even though we've done some job shuffling, they can be still found in the same office.

Please remember that the club will be open on Monday, September 2nd for Labor Day, and closed on Tuesday the 3rd.

Enjoy the rest of the summer, and I look forward to seeing you at the Club soon.

# Weston Lakes Women's Association

## **W**e're back! It's back! Welcome back!

The women of the WLWA want to welcome everyone back to our meetings after a brief summer break. Our goal has to be to build on the great memories of the meetings, field trips, dinners, parties, and scholarship awards from the beginning of 2019 and to project them into a spectacular and memorable fall.

We are well on our way to creating those special moments with the WLWA fall slate of events. The **September 17th** date is one you won't want to miss. It is the annual **Fall Fashion Show**. If you have a neighbor that you think may be interested in WLWA, this is a great program to share with friends. This year's fashions are presented by Cobble Stone Cottage. We want this program to be special, so the models will be our own WLWA members. Come be inspired to step into the fall with your best foot forward. The fashions selected will be inspirational for all lifestyles and occasions. It is sure to be a hit.

There are a few pictures from last year's September meeting to remind us of why this has become the fall start-up program for several years.

The **October 15th** meeting will also be about fashion...home fashion. The colors of autumn and the tendency to share your home with family and friends during the fall season always inspires our creative side. The theme of the October meeting will be fall décor, but the presentation will take a little different form than in years past. This meeting may be one of your favorites!

The Weston Lakes Women Association meets the third Tuesday of the month. People start gathering at 10:00 a.m. for the "meet and greet" part of the meeting. The program begins around 10:30 a.m. You can extend the "meet and greet" session with lunch. The club will provide a menu at the welcome desk when you arrive. The lunch is always good and a great way to top off your morning.

## Garden Club

**H**ello August!

As a native Houstonian, I have no idea why my hope springs eternal that cooler air (in our case, that means highs in the low 90s) may be on the way. The actuality is that August and September remain brutally hot. In my own garden, I find that hibiscus is one of my most heat tolerant flowering friends and zinnias also keep blooming reliably. I have numerous pots with a variety of plants and constant watering and fertilizing makes me forget about the cool joy of gardening in the Spring and leaves me wondering why I am torturing myself trying to keep ahead of wilt.

My dirty secret is that my favorite part of gardening is the WL Garden Club! Why? For a purely gardening reason, I will point out the great speakers brought in to enlighten us and the large numbers of members who are dedicated gardeners that willingly share their experiences. However, the main reason is the warm, welcoming atmosphere. You can come to a meeting for the first time and in the space of five minutes you have met some ladies that already seem like friends. We rely on our members to keep the club going and on new members to grow and thrive.

A reminder that our first meeting is September 24th in the club house ballroom beginning at 10 a.m. Up until and including at the first meeting, dues remain at \$25 and can be dropped by or mailed to our treasurer, Julie Janek, whose address is 5042 Westchester. After our first meeting, dues are \$30. You can be assured that there will be great meetings and fun events and outings! We always welcome first-time visitors and encourage members to bring new neighbors and friends. It's about this time during our summer break that I start really missing seeing everyone and begin to anticipate catching up with friends and meeting some wonderful new people. You fall into one of these two categories, so please come as it won't be the same without you!

## Ladies' Golf Association

**O**ur tee times on Wednesdays through September are 8:30 a.m. to help beat the heat in the afternoon. Just a reminder, the heat is brutal in August. Find the shade and stay hydrated. Have a wet towel available to put around your neck. Wear a wide brimmed hat to cover your face and ears, and if possible, have a fan in your cart!

Don't leave your clubs in the trunk during the summer. The heat inside your car trunk can soar very high and cause problems for your equipment. The heat can melt the glue where the shaft and club head meet and loosen the head. If you have seen a club head fly off on the course or range, chances are this was heat related. Your grips may soften and loosen as well while your golf balls could soften and may get out of round. You may keep your car in your garage, but there are plenty of times when you will park in the sun. Always keep the clubs clean, dry and cool so that they last and perform well.

There is no Interclub scheduled for August.

**Save the Date!** Our **Christmas Party** this year is on **Thursday, December 12, 2019, at 6:30 p.m. in the Ballroom.**

## From the Golf Shop

**A**s we move into August, I'm amazed at how quickly the summer is passing by. With all of the great weather last month, the play has picked up and it was good to see many of our golfers back on the course and in the Golf Shop.

We would also like to ask for your help on keeping up with the pace of play now that we are having more play on the course. The typical pace of play for 18 holes of golf is three hours and 45 minutes to four hours, and we would appreciate all golfers pacing their group to stay within that time frame. We are striving to make everyone's golfing experience enjoyable, and we appreciate your assistance in doing that.

Also, we have the New Private Cart stickers for July 1, 2019 - June 30, 2020 in and ready to issue. The Pro Shop will begin inspections upon payment of your Trail Fee and will issue your stickers then.

We're looking forward to the MGA Ringer Tournament on August 10th and 11th.

Our goal is always to provide a quality experience for all of our members and their guests.

## Golf Course Maintenance

**J**uly ended with a few beneficial rain showers that really helped the golf course in some areas that we don't have irrigation. The grass has started to grow very rapidly and the maintenance staff is working hard to keep up with its growth. I hope August brings a few showers like we had in July to keep us heading in the right direction. We started weed control in July and will continue into August. You will notice some yellowing of the turf in the roughs so don't be alarmed, it will green right back up in a couple of weeks. I hope everyone is enjoying the course conditions and as always please repair your ball marks and divots.

### **M**GA News:

June was another great month for the MGA: we got into the match play and had some pretty good Saturday playdays.

Before we get to the results, here's a gator sunning itself on Number 13.

### **May PlayDay winners:**

#### **June 1**

The individual stroke play was a tie (net 71) between Nick (Mr. Smooth) Carlson and Dale Hildebrandt. Ted (The Case) Case came in second with a net 72. I hear Ted took some chipping lessons.

#### **June 8**

Rusty (The Younger) Jackson came in first for the stroke play with a net-68 and Mr. Smooth came in second with a net-69. "Missed it by that much."

#### **June 15**

Gold and White (tee) flight competed in the Modified Sableford event. Tommy (Armour) Jacobs won the Gold Tee Box flight with 61 points. Richard (Ray-Ray) Hanagriff won the White Tee Box flight with 46 points.

#### **June 22**

Ray-Ray won the individual net event with an even par 72. Alan (Ladd) Byerly came in second with a net 74.

#### **June 29**

The last event of the month was a four-man best ball and individual net game. Mr. Smooth, Eric (Farnsworth) Smith, Brent (B-rent) Mattinson and Tim McPherson won the best ball with 173 points or -15 net to par. Eric Smith won the Gold Tee Box flight with a net-66 score. Gary (Gary) Owens won the White Tee Box flight with a net-70 score.

Back in May, one month before his birthday, **Jack (Jackson) Taylor** shot his age: a 74. Well done Jackson. Congratulations.

For ALL regular golfers at WLCC: try out the MGA!!! All golf membership levels allow you to join and become a member of the MGA. If you want to learn more about golf (and learn the course), join the MGA. Please email a board member at [westonlakesMGA@gmail.com](mailto:westonlakesMGA@gmail.com) for more information.

## It may be HOT, but it's a busy Summer!

Another great 4th of July celebration took place on the streets of Weston Lakes and BIG thank you to Katelyn Gray and staff, the Weston Lakes Country Club and our dedicated Keep Weston Lakes Beautiful team for decorating their golf carts and participating in such a wonderful City tradition. This is what makes Weston Lakes so special!

Fairway Villa Adopt-A-Spot

### Adopt-A-Spot

Thank you to the residents of Fairway Villas for participation in our Adopt-A-Spot program! The Keep Weston Lakes Beautiful Adopt-A-Spot program allows an individual, family, or group to help preserve and maintain a common area within the city. This is a fun, flexible way to volunteer, as the clean-up schedule is designed by you with a minimum of four cleanups a year for a one-year commitment. You select the spot to adopt and Keep Weston Lakes Beautiful will provide

the plants and install a sign to recognize your contribution.

### Keep Weston Lakes Beautiful Summer Program at Pecan Park

KWLB's Summer program, "Artificial Fish Habitats" on July 15th was the first of many with an enthusiastic group of children and adults participating. Program leader and KWLB Board member Beau Blackard, along with education committee members, Janet Bartek and Carole Sandoval, facilitated a fun hands-on activity of understanding the importance of our aquatic environment. Using

A good mornings work and ready to place in Pecan Lakes.

recycled materials, this step-by-step activity of building artificial fish habitats allowed the kids to be a part of the solution to improving our waterways for years to come, by placing their habitats into Pecan Lake. At the completion of the project the kids continued to improve the park by picking up litter! Educational programs like this, help tomorrow's leaders be better equipped to face conservation challenges, make a difference and show community pride!

We are so excited to bring these fun, free activities to you and your kiddos. This is why our fundraising events are so important to Weston Lakes. ALL monies raised by Keep Weston Lakes Beautiful, stay in Weston Lakes and ALL KWLB people are VOLUNTEERS! All monies go back into the community and no KWLB member receives any compensation! We give our time and effort because we love our community. Whether it is planting trees, flowers, bushes, butterfly gardens, wildflower gardens, restoring the Randon Bottom Cemetery, improving our parks, installing water irises, beautifying our front entrance, sponsoring recycling programs, providing shred events, and the less obvious things such as installing irrigation lines, continued repairs, and maintenance, we do it gladly for ALL OF US AND OUR COMMUNITY! We are ALWAYS looking for likeminded volunteers to get involved and welcome all old & young.

### New Beautification Projects

Several Keep Weston Lakes Beautiful improvement projects included the planting of eight (8) new Live Oaks along the water's edge of Pecan Lake at 1093 and a Burr Oak at the main gate. With all the new development headed West, this enhancement planting is critical to our neighborhood, by reducing highway noise, providing privacy, and reducing soil erosion when root systems are established.

You might have also noticed the addition of water irises installed at the water crossing on Weston Drive as you enter the neighborhood. Over 200 irises were donated by the Weston Lakes Country Club & Golf Course (thank you Mike Surface!) and we also thank the POA for allowing us to plant them there after they were donated. Our hope is to help improve the overall quality of the waterway at the entrance as well as the aesthetics of the area. Please know that what you put on your lawn and flowerbeds, runs off into our waterways. Instead of mowing at the edge, plant some water irises. They retain and strengthen the bank and avoid cutting into the water. We are ALL responsible for clean water.

### Kids Summer Educational Programs Continue...

All programs are **FREE**, fun and exciting outdoor learning experiences for kids five years old and up.

**August 5th, 9:00 – 11:00 a.m.**

**Riverwood Park** - located at the corner of Westminster Drive & Wellspring Lake Drive

Recycling is a resource that we all need to know about and it's never too early to teach our kids! And, they can have fun too! "Recycle-Mania" will have kids making "Garbage Pizza" and this "hands-on" project will also include lessons about recycling and composting.

Space is limited and registration is recommended.

Happy 4th of July from Keep Weston Lakes Beautiful.

Fish Habitat Project with Beau Blackard and kids.

Girl Power!

New Live Oaks planted along Pecan Lake on 10/93.

New water irises will help aquatic life and water quality.

Re-purposed water iris waiting to be planted at Weston Lakes entrance.

It all starts with team work and cement.

## *Keep Weston Lakes Beautiful Mission Statement:*

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful!  
Everyone is welcome!

If you would like to donate or receive more information on how you can get involved, please leave us a message at: [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com)
