From the Club Manager

The kids are back in school and everyone will soon be turning their attention to the fall, football games, hunting season, holidays and hopefully cooler weather for golf. As we move into September, it's always an exciting time of year as we look forward to the upcoming Club Championships that will begin soon. If you are a golfer and aren't already a member of one of these organizations, you should really consider joining. As we move toward the cooler weather of fall, it would be the perfect time to make some new friends while enjoying a round of golf. Each organization has members that play during the week or on weekends, and I'm sure they would be glad to visit with you about joining them. Please check with the Golf Pro Shop if you are interested.

Don't forget the club will be open for Labor Day on Monday, September 2nd, and closed the following day. With school back in session, the Labor Day weekend will also be the last weekend the Family Pool will be

open for the summer season. Whether they were swimming at the pool, participating in one of our junior golf clinics, youth athlete programs, sliding down the water slides at a Splash Day, or enjoying our annual 4th of July parade and festivities, the kids in the neighborhood appeared to have another exciting summer at the club.

Be sure to mark your calendars for our Golden Lion Cup on September 7th, Homestyle Brunch on September 8th, Trivia Night on September 10th, Live Music event on September 19th, and the MGA Championship September 21st and 22nd. As always, you can also find great local groups to join for a variety of activities held at the club. Feel free to contact our business office for more details.

I look forward to seeing you at the club soon.

Red Ball Tournament

The SMGA Red Ball Tournament was played on Saturday July 27th. Fifty-five players participated in the tournament. The four-man teams attempted to complete the 18 holes with the "Red" Ball and have the lowest "Net" score with the red ball. Players rotated playing the 18 holes with the red ball. Three teams completed the 18 holes with the red ball. The team of Marty Dubroc, John Sharadin, Dan Riley and Norm Omsberg won the "Red Ball" competition with a Net 70.

Congratulations to all the winners!! Thank you to Tournament Director Rodney Bartek for all his efforts in planning and conducting the tournament. Thanks also the Keith and the Pro Shop Staff, Katlyn and the 19th-Hole staff for all their help with a great tournament.

HOLE-IN-ONE!!

Thursday, August 8th, while playing in the SMGA Play Day, Dwaine Blanscet arrived at #13 tee box. The hole was playing 130 yards, and Dwaine hit his tee shot toward the green to watch it roll into the hole. This was Dwaine's First Hole-in-One. Fortunately, he was in the HIO Insurance pot as the 46 players that day enjoyed a margarita to celebrate with Dwaine.

Congratulations Dwaine!!

Garden Club

The bell is ringing for the new WL Garden Club year, so you don't want to be late or tardy! As a native Houstonian who is used to not having any real "changing of the seasons" based on the weather, I use holidays and activities to mark when I need to change gears. Labor Day has been my marker that signals that Summer is over and Fall is in the air even though that air is still 90+ degrees. The activity I use is, you guessed it, the first meeting of our club. While are club is certainly about gardening, it is so much more!

Those of us who have been members for awhile know how much fun we have at all our meetings, events, and outings and this year promises to maintain our level of friend-building fun! Our 2019-2020 calendar will be out at our first meeting on Tuesday, September 24th, in the club house ballroom at 10 a.m. Until then, here's a sample of what our new VP's, Lynn Lipp and Barbara Ball, have cooked up. We will learn about the beauty of Bonsai, holiday decorating with succulents (I bet you haven't seen that before!) along with other great topics. Our activities will take us to the Mercer Arboretum and a cactus lavender farm to the Magic Worm Ranch (I am pretty sure you haven't been there before!). And as they say...there is so much more!

If you haven't paid your dues yet, they remain at the bargain price of \$25 through the September 24th meeting. After that they are \$30. Get ahead of the game by mailing or dropping of your check to Julie Janek, our treasurer extraordinaire, 5042 Westchester. When our meetings are at the club, please plan to stay for lunch as that's when we get a chance to catch up with old friends and get to know new friends. Please bring a new neighbor and your friends or if you are new, please email me at TLP0527@gmail.com and I will be delighted to whisk you in and have a spot saved for you at my table.

Terri Oliver

Women's Association

Have you purchased your tickets yet?
Do you know what you are going to wear?
How are you going to decorate?
What are you going to serve?

Well, WLWA has the answers to all of those questions and more! The first meeting of the fall always feels like the beginning of something new, and it is! It's the beginning of the second half of the year. So, here is what you need to know:

Tickets go on sale for the Christmas Tour of Homes at our September meeting, so bring your checkbook!

September 17 is our first Fall meeting. It will be a Fall fashion show. Watch some of our Weston Lakes ladies model some of their favorite selections from Cobblestone Cottages. We start gathering at 10:00 a.m., and the program will start around 10:30 a.m.

October 15 is the beginning of the Fall Festival season, and we have a group of ladies that will inspire you with a plethora of decorating ideas. Some people just have a knack for creating, and we found some people that are willing to awe us with their ideas and then teach us how to recreate the mood at home.

November 19 is the meeting that officially kicks off the holiday season. Those high-end kitchen stores are not the only ones who know how to handle a knife and create tasty treats. Come see for yourself how the professionals do it.

December 7 is the Christmas Tour of Homes.

December 19 is the annual Christmas Dinner and Dance. Mark your calendars, you won't want to miss this holiday event.

The Weston Lakes Women's Association welcomes back our members while encouraging guests and new members to meet us at the club for our September meeting.

We had a great time in July with all our game days, special days and the Lone Ranger. Dale Hildebrandt stepped up and volunteered for our open treasurer position left vacant by Iain's departure. Thank you, Dale; no extra strokes.

Our first event in July was a special July 4th play day. Leon (The Putter) Viaclovsky won the Red/Gold Flight. Richard (LSU Tiger) Koob won the White/Blue flight.

July Play Day winners:

July 6: LSU Tiger Koob and Brent Mattinson won the team best ball event with a 95-total net.

July 13: Lone Ranger Tournament (with bonus birdie ball) Peter (Clouseau) Fagot, Terry (Tetradactyl) and Les (WGRP) Standbury won Flight 1 with -18 to par for 128. Cliff (The Bear) Bottom, Tony Alvarado and Dave (Bo) Heslep won Flight 2 with -15 to par for 133. Roger Dodger McCartney, Tommy (Armour) Jacobs and Sean (Sammy) Gordon won Flight 3 with -19 to par for 129. 56 MGA members participated in the Lone Ranger event.

Speaking of Roger Dodger: here's a photo of Roger, to the left of President Reagan, in his younger days. Pretty Cool. Semper Fi, Roger.

July 20: The Individual Stableford playday had two flights. Billy (Baloo) Norris won the Gold flight with 27 points. Steve-o Cox won the White flight with 37 points.

July 27: Finally, Ryan Nordt, Dave Mangel, Eric Smith and Ray-Ray Hanagriff tied for first in the individual stroke play with net 70 scores. LSU Tiger Koob, Tommy Armour, The Putter and The Tetradactyl won the team best ball with -15 to par/161 net.

From the Golf Shop

As we move into September, it's hard to believe the summer is almost behind us. Hopefully the hot weather will be over soon. With a slight break in the temperatures, we're expecting to see more golfers enjoying the course. Shannon has the course in great shape. We appreciate everyone who has come in the shop and complimented the course condition.

For all of those who don't want to take on the mid-day heat, we are keeping the Pro Shop open until 7:00 p.m. to accommodate golfers who want to wait until it cools off later in the day. We will do so until daylight saving time ends on November 3rd.

We are looking forward to the 3rd Annual Weston Lakes Country Club Golden Lion Cup on September 7th and then later in the month we start off the Club Championships with the MGA group on September 21st and 22nd.

We have new merchandise that has recently come in so be sure to come by and take a look.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

Golf Course Maintenance

The hot days of August are behind us and the maintenance staff is looking forward to cooler days in September and October. September should be a great month for golf! We have the club championships, and the greens should be in great condition. We appreciate the compliments we have been receiving on the quality of the golf course. As I make my way around the course, I have noticed a considerable amount of divots not being repaired on the greens. This is unfair to the players who do repair their ball marks. If you hit your ball on the green, there will be a ball mark, and if you can't find it please repair one that you do see. An unrepaired ball mark takes two weeks to heal, while a repaired ball mark only takes three days to heal. Thank you for your help with this issue. Hope to see you on the course and as always, please repair your ball marks and sand your divots.

It's been a HOT one!

When the school year wraps up, kids look forward to lazier days spent poolside, riding bikes or having sleepovers with friends and enjoying quality time with family. But this summer they made even more amazing summer memories by continuing to learn and grow with the Keep Weston Lakes Beautiful Summer Learning Series.

Our Summer education series started with Board member Beau Blackard teaching the kids the importance of protecting our aquatic friends, and the environment they live in, by learning how to build an artificial fish habitat and placing them in Pecan Lake.

Birdhouse Building

Next up was a fun project of up-cycling a milk carton into a functional Bird House! Our friend Bob Hoefler of Wild Birds Unlimited, helped the children build a custom, one of a kind "welcome home" for the birds. This fun DIY craft let all the kids' imagination run wild. Also, our resident bird expert, Joyce Tipton, shared her knowledge and photos of some of our local birds that live in our neighborhood, and we look forward to an adult class, perhaps "Birds & Beverages."

If you have not had a chance to visit the Monarch Butterfly Way Station and flower garden in Pecan Park, you will most certainly want to add it to your walking route. Janet Bartek, along with several other adults, had a fabulous time with the children making personalized, "blinged out" steppingstones that will have a forever home in the butterfly garden. There are lots of good reasons to visit the garden, and these will give you a few more.

Our final education event was GARBAGE PIZZA DAY! Recycling is a resource that we all need to know about and it's never too early to teach our kids! Julie Sawyer and Carole Sandoval shared with the kids the importance of recycling with a fun activity of making a "Garbage Pizza." Household recycling of paper, bottles, and cans is a small effort that makes a huge difference.

Think about how many plastic and paper bags we all use every day. It takes 14 million trees to make all the paper bags used and 12 million barrels of oil to make all the plastic bags used every year! Only 1-3 percent of plastic bags and 10-14 percent of paper bags are recycled every year. At home you can separate your garbage from recyclables. REUSE, REDUCE, RECYCLE! Please.

24 Hour Service & Fully Insured

Waterside Grill

DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
