From the Club Manager

I hope everyone has been enjoying the slightly cooler weather we've experienced lately as much as I have. Activity on the golf course always seems to pick up this time of year, and we're looking forward to a wonderful fall and winter of golf. Congratulations to all of our new LGA, MGA and SMGA Club Champions.

We are looking forward to a busy November at the club. On November 2nd and 3rd, the MGA will challenge the SMGA in our Annual Weston Cup. Also, don't forget to set your clocks back one hour when you go to bed on Saturday, November 2nd. Our Homestyle Brunch will be on November 10th; please make sure to make your reservations

early. We have Trivia Night on November 5th, the LGA will have its Member-Guest on November 13th and Live Music on November 14th.

Also, if you are still looking for the perfect place to host your family or business holiday party, we have dates available in our Ballroom, Library, Wine Room and 19th Hole. Please contact Katelyn at 281-346-1967 to inquire about reservations, Thanksgiving meals, or scheduling your holiday party.

I would like to wish you a Happy Thanksgiving surrounded by family and friends.

Men's Golf Association

In the month of September we attempted to hold the MGA Club Championship, but due to a very iffy weather report we postponed the event until October 19 and 20. Thus, making some of our members happy and some disappointed with the new dates.

On October 7, three teams of MGA members participated in the annual Easton Energy Charity Golf Tournament held at Weston Lakes. This event was special because the proceeds of the event were able to benefit Hunter Pollock. Hunter and his family have had a very tough year and I want to personally thank those who took time out of their week to participate in a great cause to benefit a great kid.

Participants included:

**Tommy Jacobs, Joe Jacobs, Bill Aldridge, Garry Pigg
David Heslep, Denny Blahofski, Jason Lefave, Sean Gordon
Nick Carlson, Rusty Jackson, Steven King, Ryan Nordt**

During the month we had our usual playdays that kept the MGA membership competing and having fun, depending on how well each plays! We would like to give a "Big Tip of the Hat" to Richard Ray/Ray Hanigriff for all his assistance with said playdays! He has helped the MGA out tremendously by being able to sponsor the games and keeping them running.

Last, we reached out to the MGA and asked the question, "what has the MGA meant for you personally" and here is one response from several:

MGA is..... my home away from home
..... where your friends make fun of you "cause they like you"
..... where I've met buds who have become GREAT friends.

Thanks so much to everyone, as we inch closer to our 100 member goal this year!

From the Golf Shop

November is here!!! Along with the cooler temperatures, this will be a great month for golf. So, don't forget that you can set up your tee time one week in advance. The cooler temperatures also tell us the holiday season is near, so if you are looking for that special gift, now is the time! If you have a gift idea for "someone special" and you don't see it in the shop, please let us know and we will be glad to special order it for you to be here in time for the holidays. Also, don't forget to use your "Pro Bucks" before the end of the year!!!

A quick reminder that Daylight Saving time change is on November 3, and it will be getting darker sooner. The Hours of Operation for the Golf Shop change to 7 a.m. - 6 p.m.

The Pro Shop staff and I want to thank everyone for your support of our Golf Shop over the past year. Our goal is always to provide a quality experience for all of our members and their guests.

Couples Golf

Third Annual Weston Lakes Coughatta Fall Fling 2019

The Weston Lakes Couples group had a very successful third annual fall fling at Coughatta Casino Resort, October 1 - 2. We moved up the date this fall since last year the event had to be canceled due to non-stop, freezing rain and a few snow flurries! We did not have that to contend with this time. It was a balmy 95 degrees out! Most of the couples were repeat attendees. A big thanks to the Fotheringham's who signed up at the last minute when one of the couples had to drop out.

As always, there are lots of stories to share when 24 folks hit both the links and the casino. The varied format allowed 83 percent of the couples to earn prize money due to their golf skills! Aside from the golf, there were many other winners overcoming the odds on the slot machines or blackjack. Charles Murray conquered the "Cyclone" while Rodney Bartek was victorious over the "Volcano!" Overall, the slots were extremely kind to everyone and certainly very entertaining.

Gary Hensley definitely won the fashion plate award with his peacock Hawaiian themed attire. It was hard to miss him on the course! Coughatta offers a senior-priced buffet dinner on Tuesday evenings. There was no competition as to who ate the most crab legs . . . but the winner is Janet Bartek! Ron Court took second, then came out on top when it came to his dessert plate!

The Couples group plays a scramble format every Friday and Sunday evenings. For information on how to sign up, please email Diane Benson at dbensonathome@aol.com or call the pro shop. We've had many new couples join us this past year and know that there are new folks moving into the area all the time.

Women's Association

Beautiful and nostalgic, November encompasses traditions, ideas, and celebrations derived from mixing a variety of cultures over hundreds of years. Change and transformation are acutely visible as the air cools and leaves change colors, then ultimately fall to the ground. We are gently nudged into the holiday season as we feel a desire to experience the tastes and sounds of the season in new ways while celebrating the familiar traditions we have grown to love.

Weston Lakes Women's Association is embracing the changes and the possibilities of the season by presenting programs and experiences that may provide "food for thought." Thoughts about food takes first place on the agenda.

Our October program highlighted inspirational displays of table decorations for every season and holiday. Our November

program will focus on tricks of the trade from professionals. The goal is to learn how to change things up a little, simply by creating the perfect culinary delights.

December will also look and feel a little different. Jessica Dawkins and Kim Amos are putting together the tour of homes event. Some of the homes are newer homes featuring all of the new building trends. Others feature inspiring decorations. While WLWA is staying with the traditional dinner/dance for our Christmas Program, the Weston Lakes Women's Association will be including the Weston Lakes Garden Club in this end-of-the-year extravaganza. It should be a great time: Bigger and better than ever!

November 19 – Program on holiday entertaining /food preparation

December 7 – Tour of homes (Tickets available at the club.)

December 19 – Christmas dinner and dance

Please join us for our meeting beginning at 10 a.m. at the clubhouse. If you are one of those people with a willingness to share some of your time and energy during the new year, we have a place for you.

Fitness Center

Thanksgiving is right around the corner, and more often than not, it's the time of year that weight tends to fluctuate and healthy habits are kicked to the curb! Holiday season is the toughest time of the year to stay on track with your Fitness Goals because everything is centered on food . . . and LOTS of it! Here are five tips and tricks to help you stay on track through the Holidays!

1. Fit it all on one plate. Prevent over-stuffing yourself by fitting your Thanksgiving feast all on one plate (This works best if you don't use an oversized plate filled to the brim). Sample small portions and avoid going back for seconds. If you're tempted to return for more, give yourself 20 minutes (about how long it takes to feel full) first.

2. Eat slowly. Thanksgiving foods are likely to be richer and more filling than your everyday fare, so eat slowly and savor every bite.

3. Enjoy the company of family and friends. Socialize during your meal and festivities. You can't eat and talk at the same time - so the more conversation you enjoy, the less you'll eat.

4. Get moving. Sign up for a local Turkey Trot 5K or 10K and spend

your Thanksgiving morning getting some exercise. Not only will you burn some calories, but you'll also enjoy some holiday fun!

5. Make some easy Turkey day substitutions. For example:

Eat the white meat without the skin instead of the dark meat with skin and shave off 190 calories.

Turkey - white meat, no skin (6oz): 180 calories, 3g fat
 Turkey - dark meat, with skin (6oz): 370 calories, 20g fat

Garden Club

I'd like to wish everyone a very Happy Thanksgiving! Hopefully, your holiday plans are coming together, and you can carve out some time for yourself to come join us on our outing this month. On Tuesday, November 12th we will enjoy a wonderful visit to explore Mercer Botanical Gardens in Humble including shopping and lunch afterwards at Ellen's in Old Town Spring. Many people frequently ask me "when is a good time to join this wonderful club?" Alright, I may be exaggerating a bit, but the answer is NOW! We always welcome new members and I will give my personal guarantee that you will meet some great ladies and enjoy all of our meetings, events, and outings.

Did you know that Fall in our neck of the woods is a great time to plant trees? Early spring is also favorable. With our long hot summers, the soil is just too hot to allow small trees to develop an optimal root system. Technically we are in

tropical zone 9 which means that many of our favorite plants are found in most of the islands of the Caribbean and not familiar to our northern neighbors. As I write this, we are just coming off our first true cool front with lows in the mid-fifties; however, today saw the mercury back up in the nineties. Last year we didn't have any lasting freezes, but the year before had us experiencing a beautiful snow fall in early December and a number of nights requiring us to protect our plants. The good news is that our garden club has members with a wealth of knowledge that they are happy to share with people like me. Whether you have questions about fruit trees, shrubs, flowering bed and potted plants, gardens with vegetables and herbs, or just plain grass, there is a garden club member for that!

Many blessings to you and your family!

It's hard to believe that we are closing in on another year gone by! First of all... Keep Weston Lakes Beautiful and all its volunteer members wish all of you and your families a wonderful and joyous Thanksgiving!

Once again, Keep Weston Lakes Beautiful, along with our great community of volunteers, demonstrated that environmental stewardship is everyone's responsibility and came together in Pecan Park, Waterford, and The Villa's for the annual "Fall Sweep" event. This community-wide cleanup resulted in collecting over 1500 pounds of debris, 50 pounds of recyclable, trimming Magnolias, new plants and shrubs, and over 270 volunteer hours.

Last year Keep Weston Lakes Beautiful, as a recipient of the prestigious Rebuilding Texas Grant, it gave us a great start toward improving Pecan Park. We continued this year by planting three new 65-gallon Laurel Oaks, over 300 bulbs, and clearing the surrounding brush to help our Monarch Butterflies thrive in the migration process.

Beautiful new Laurel Oaks planted during Fall Sweep at Pecan Park.

At Waterford, new plants were added to the entrance and to the small butterfly garden that resides there. The Villa's entrance received some maintenance as well, with the magnolia trees trimmed and the area weeded and mulched. All these activities help the make our community just a little better.

As always, we are continually reaching out for volunteer's and this an excellent way for students to earn volunteer hours and get involved in their neighborhood activities and was a great opportunity to show our community strength and pride. I remind you, that Keep Weston Lakes Beautiful is a volunteer effort to improve our city and receives no financial aid from the city, the POA or MUD. We are simply a group of neighborhood volunteers that rely on the generous donations of volunteerism and the money from our residents and local businesses. Our only goal is to improve our neighborhood and property values through education, beautification, recycling and volunteerism.

Don't Be A Litter Bug and Don't Mess With Texas!

"The Bobs" (Babes on Bikes) cycling club of Weston Lakes and Keep Weston Lakes Beautiful, participated in the TxDot Adopt-A-Highway program picking up litter along the two miles of FM 1093 in front of Weston Lakes for approximately three hours on October 12th and ended with a few enjoying a late breakfast at Ropers. 12 volunteers collected over 500 pounds of litter!

Did you know?

- Approximately 435 Million pieces of visible litter accumulate on Texas roadways each year!!
- 71% of litter is microliter that is not easily seen on roadways.
- Tobacco trash is the most common form of litter on Texas roadways.
- You can be fined \$500 every time you litter in Texas!!!!

Source: www.dontmesswithtexas.org

As we strive to win the Governor's Community Achievement award from TxDot for the year ended 2019, we know that our projects must stand out among the other cities vying for this same prestigious award, and this year we are stepping out of our "comfort zone" with an innovative solution to increasing the tree population in Weston Lakes.

Traditionally, French Drains are used to carry water away from foundations, but we used this old school technology to distribute water "to" our newly planted Live Oaks along the Pecan waterway. With no source of electricity for an irrigation system we used "Water Runs" into a gravel-filled trench, then into perforated pipe at the bottom of the trench. Water travels freely through the pipe and distributes water to the trees. Once the trees are established, the pipes are capped off and we have happy, healthy thriving trees. A big thank you to Arbor Guardian for this ingenious idea!

Start your Christmas Shopping with the KWLB Cookbooks:

"A Taste of Goodness" is a beautiful for holiday gift giving! Weston Lakes residents, friends, family, local chefs and dignitaries contributed 398 mouth-watering recipes into a single cookbook compiled by the amazing volunteer team. Everything you need including appetizers, salads, soups, main entrees, side dishes and desserts are contained in "A Taste of Goodness" to be treasured for generations to come. The profits benefit community beautification, education, recycling and litter prevention programs for Keep Weston Lakes Beautiful. Cookbooks are available to purchase for \$20 be contacting keepwestonlakesbeautiful@gmail.com. You may also purchase them by calling Nancy Case at 281-346-1273 and we'll deliver directly to you. These make wonderful gifts for friends and family members, both inside and outside our gates.

Keep Weston Lakes Mission Statement:

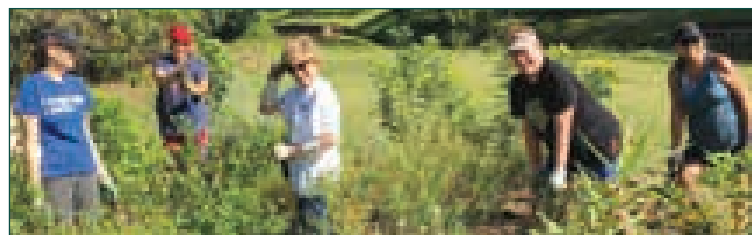

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful!
Everyone is welcome!

If you would like to volunteer, donate or receive more information on how you can get involved, please email us at: keepwestonlakesbeautiful@gmail.com

It takes a lot of work to keep our Butterfly Waystation ready for the migration of Monarchs, but we keep on smiling! This is what makes Weston Lakes special.

Golf Course Maintenance

October ended up being a good month for the golf course with some rain and cooler temperatures. The course is in great condition due to the hard work of the maintenance staff. They did a great job keeping it in shape during the hot summer months. We will start our spraying of pre-emergent herbicide this month, which should only take about a week to complete. We will also be trimming trees through the winter and using the mulch to put in areas under trees that are too shaded to grow grass. Hope to see you on the course, and please remember to repair ball marks and sand your divots.
