From the Club Manager

As we moved through the month of January, it was great to see so many members keeping up their New Year's resolutions and using the Fitness Center. If you haven't come by to see the facility, please stop in and our staff will be glad to show you around or help you get signed up to take advantage of this club amenity.

We didn't waste much time in 2020 getting started with new member activities. The LGA held its annual Ice Breaker tournament on January 8, and thankfully all the dedicated players survived the weather. We also had a great turnout for the Locations Wine Dinner with E & J Gallo Winery event on Saturday, January 25.

Trivia Night will kick off on February fourth, and the MGA will begin its 2020 season with the Kickoff Banquet on Friday, February 7, and their Kickoff Scramble tournament the following day. We will also have our Homestyle Brunch on Sunday the ninth, so it should be a busy weekend around the club. The Weston Lakes Women's Association will meet on Tuesday, February 18, and the Garden Club's monthly meeting will be on Tuesday, February 25. Our annual Valentine's Dinner will be on Friday, February 14. This is always a popular event, so please call Sidney or Katelyn at (281) 346-1967 to make your reservations early.

I look forward to seeing you around the club.

Ladies' Golf Association

Happy New Year to All! A New Year and a New Decade!

Looking forward to making great golf memories with our lady golfers in 2020!

We began 2020 with our annual Ice Breaker Scramble. I don't know if it was the great weather, the love of the game, or the free lunch hosted by the LGA...but we had an awesome turnout! Thank you to Pam Skeen, our Playday Chair, and her assistant, Pam McDonald, for organizing the event and handing out prizes. Thank you to all that participated! We also had our first meeting of 2020. Congratulations to all the winners!

We need help with acquiring sponsors (\$100 sponsor sign is placed around the putting green-\$200 sponsor sign is placed on tee box). Eileen Murray will be coordinating this effort if you have any questions.

Weston Lakes LGA belongs to the Roadrunner's Interclub, which has a tournament scheduled on the fourth Thursday of the Month beginning in April. Please mark your calendars so you will be available to participate if you can.

Men's Golf Association

Greetings from the Weston Lakes Men's Golf Association. Already 2020 looks to be a great year. Our first MGA event is February 7 at the club. The MGA board will host our players, enjoy supper, pass out some raffle winnings and pay dues. Not necessarily in that order. It's a fun night for the MGA. On Saturday, we officially kick off the year with a team scramble.

Here's the first photo of the year. Alex (Nick) Nolte, a future MGA member and a couple other active members were playing around during the Christmas break. Nick hit his ball left on number 9. (Don't be shocked, we all have done it except The Putter. We couldn't find it but later saw it where you do, resting in a bush...out of bounds. Pretty clever shot all the same.

For the month of December, we still managed to get some play days in. Here are the winners:

December 14: This was a team-stroke, best-ball and individual-stroke play event. Bruce Whitney, Dave (Superfast) Mangel, Tim (Lefty) McPherson and The Coastie won the team event with a 4 net. Lefty won the individual stroke play with a 69-net. Jack (The W) Warkenthein and Nick (Mr. Smooth) came in second and third respectively.

December 21: The individual Stableford play was won by Brent (Matty) Mattinson with 31 points. Gary (Gary) Owens, Terry (Teradactyl) Norris and Tim (Lefty) McPherson all tied for second place.

The last play day of 2019 was on December 28 and won by Bill Stevens with a 67-net. This was an individual net playday. Teradactyl, or Mr. Dactyl, and Leon (The Putter) Viaclovsky placed second and third, respectively. Congratulations all.

One of the big changes in 2020 is the World Handicap System (WHS). In 2019 and before, there were six handicapping systems. The USGA and RA worked hard to merge all six into one. According to the USGA, the WHS will meet "the varied needs and expectations of golfers, golf clubs and golf authorities all around the world and is adaptable to suit all golfing cultures." Will the new WHS affect my (old) handicap? The USCG suggests maybe by one stroke in most cases. The USGA has a good web site page that will answer most questions: <https://www.usga.org/content/usga/home-page/handicapping/world-handicap-system/world-handicap-system-usga-golf-faqs.html>

The MGA grew a lot in 2019 and we are looking to grow more. If you are interested in joining the MGA, you have a couple of choices: contact the MGA westonlakesMGA@gmail.com and show up at our meeting February 7 at 7:00 p.m. at the club.

Secretary, WLMGA

Mayor's Comments

On behalf of Weston Lakes City Government, we would like to announce Weston Lakes new leased office for City Hall is open for business. We would like to welcome you to stop by when you are in downtown Fulshear. Our address is: 8045 FM-359, Suite 200, Fulshear, Texas, 77441. Our office is in Fulshear Professional Park, located next to the Post Office. While our address has changed, our phone number remains the same: (281) 533-0907. Hope you stop by!

As you all know, development is coming our way. Recently, in an informative meeting with Alex Hunt, I learned in LCISD that our schools have an "A" rating, and we have approximately 35,000 children in the school district. In the next 10 years, that number is projected to increase to 60,000 with this growth stemming from mainly Weston Lakes, Twinwood in Simonton, and Polo Ranch.

A new elementary school will be built near Polo Ranch, another near Jordan Ranch, and a new elementary school is being built in Tamarron. This is greatly needed because Huggins Elementary has a capacity of 650 and is serving 900.

This new elementary school to be built near Polo Ranch may change where our children attend elementary school. It is expected to have students attending it in the near future. The land has not been purchased, but it was decided it will be in this area. It is important to note, the elementary school will have an impact on traffic on 1093.

Please visit LCISD website to learn more. Particularly, look up PASA, which shows the numbers in our region, projected growth, demographics and maps of our area.

Alex Hunt will be attending our city council meeting at the Country Club on February 25, 2020, at 6 p.m. We look forward to seeing you there!

Optimism is a happiness magnet. If you stay positive, good things and good people will be drawn to you.

Mary Lou Retton

We will remember 2019 fondly with all the wonderful events and exciting times that we shared. The Christmas Dinner and Dance was a true highlight of the year. The members danced the night away, played games, formed a conga line and more! Those of us who are new to WLWA are very excited to see what the New Year has in store!

Many great activities and programs are currently in the works to make this year fun and fabulous. We began the year with inspiring insights regarding outdoor activities and on February 18th we will be learning to minimize regrets. Between career, family, health and financial changes, we need to be prepared to adapt in a manageable and optimistic manner. Come on ladies! Let's show our families and neighbors that we can maintain a positive outlook through knowledge.

Let's also make the most of this new year by focusing on our various passions. For some, it is an innate ability to harness their creative talents and decorate their homes with flair. On March 17th we will be delving deeper into our creative sides to learn steps on how to design new focal points of interest in our homes.

We gather at 10:00 a.m. on the third Tuesday of the month at the WL Clubhouse for our meetings. The club offers lunch options after the meeting, so plan to stay and reconnect with friends or make new ones. I am looking forward to seeing you there!

It's time to hold yourself accountable to those New Year's Resolutions. Spend this month finding an exercise you enjoy! Enjoying your workout is one of the best ways to keep up with your fitness goals, unless you have an unlimited supply of discipline, which let's face it, most of us don't!

If you find it tough to self-motivate or commit to a regular workout routine, try working with one of our Personal Trainers. We are here to help keep you accountable, push you past what you thought you were capable of, and create a program suited to your individual fitness needs. With February being American Heart Month, make sure to take time to take care of yourself and your loved ones! 30 minutes of

exercise a day can drastically make a difference in your heart health. Heart disease can often be prevented when we make healthy food choices and manage our health conditions.

For class schedules, or updates, please look for our E-blasts or check out our Facebook page at www.facebook.com/wlccfitnesscenter/. For more information, or to schedule a massage or an appointment with a Personal Trainer, please email Ross Kilpatrick at ross@westonlakes.net.

Garden Club

Here we are in February, and while Valentine's Day may find us with hearts dancing in our eyes, many a gardener is starting to feel the itch of spring gardening. As we eye our tired potted plants and less than appealing grass and landscaping, our thoughts are turning to heading off to our favorite nurseries in the coming weeks. I am a hacker, and I enjoy wacking back my plants that need pruning (I hope that doesn't say something about repressed inclinations, lol!). I guess there is someone/something for everyone to love!

Our annual Seniors Valentine's Day party for those who attend the senior activities group at the Irene Stern Center will be held on Wednesday, February 12, at 10:30 a.m. The Brookshire Nursing Home Party is scheduled on the 14th at 10 a.m. Sharon Gormanson does a fabulous job of collection toiletries and small gifts for the seniors, and they are so excited to receive a gift on Valentine's Day. If you can come to one or both parties, please do! We have a steel guitarist who plays during our party at the Irene Stern Center, and it's a joy to see the seniors enjoying themselves and singing and/or dancing a conga line to some of their favorite tunes from yesteryear.

We do have a regular February meeting:

TUESDAY, FEBRUARY 25: Presentation by Gary Green from The MAGIC Worm Ranch, Plantersville, TX.

Gary Green will explain the benefits and use of earthworm castings in your soil. Naturally, organic and odor free, earthworm castings are 'Mother Nature's purest form of a sustained release plant food.

Not to get too far ahead of ourselves, I can also say that we will be immersed in the world of herbs in March followed by two really fabulous outings. We still have a lot of "year" left, so it's not too late to join. We have a casual, fun atmosphere, and for meetings in the club ballroom we enjoy staying for lunch and getting to know each other better. You never know when you might find your gardening soulmate and/or many good friends in general!

Keep Weston Lakes Beautiful collects data for activities and accomplishments during the prior calendar year that goes toward qualifying for the Keep Texas Beautiful grant. This data includes the activities, events and measurable improvements involved in qualified beautification, education, environmental protection, recycling and volunteerism. In addition, this data includes the measurement of quantities of planting of trees, bushes and plants. It also included items and quantities of adding mulch to your beds. This data is for the entire city and all the homes, private property and public property, so accumulating this information from residents is critical to accurately reporting our efforts to Keep Texas Beautiful.

Tree City USA data reporting, which is also a part of the information that KWLB collects, includes the number of trees planted and the work (in number of hours) you may have done during the past year, trimming your trees and raking leaves. We have seen many yard crews trimming trees and doing fall cleanup, as well as, installation of new landscapes and fall flower planting. This data can include not only your fall yard work, but any such work performed, by you or your yard/landscaping crews, during the year. It only takes a few minutes of your time to help us by reporting to us your annual activity, but it can make a huge contribution toward our KWLB goals and our opportunity to win the award!

For more than 30 years, Keep Texas Beautiful, in partnership with the Texas Department of Transportation (TxDOT), has awarded the prestigious Governor's Community Achievement Awards to Texas communities for their outstanding overall efforts to keep their communities beautiful.

Ten winning communities will share \$2 million in landscaping awards from the Texas Department of Transportation, with the amount based on population size. Because of the growth of Weston Lakes during the last year, we will move up into category II, for cities with a population of 3,001 - 5,500, with the landscape award amount of \$110,000. The grant funds are required to be used for landscaping projects along local rights-of-way.

A community's environmental program is judged on achievements in seven areas:

- ◆ Community Leadership and Coordination
- ◆ Public Awareness and Outreach
- ◆ Environmental Education
- ◆ Beautification and Community Improvement
- ◆ Litter Prevention and Cleanup
- ◆ Solid Waste Management
- ◆ Litter Law and Illegal Dumping Enforcement

Thank you in advance for your participation! All of your data is needed by February 10 in order to be included in our 2019 totals for the grant. We can improve our community with this money, which we expect would include appreciation of home values, as this has been our goal since starting this journey three years ago. We encourage all of you to quickly compose emails to: keepwestonlakesbeautiful@gmail.com briefly describing the number or plants, bushes, trees planted, pounds/bags of mulch, etc. and the estimated amount of hours spent during the year by you or your yard workers on the above types of projects. Our time is short, so your quick response is critical. Tell your neighbors who may not read this. If you have questions, call Carol Fairbanks at, 805-558-0533.

Orange Bag Reminder!

Simply Recycling comes to Weston Lakes every Wednesday (rain or shine) to pick up your qualified recycling material which includes clothing, shoes and household discards (like small appliances, bedding, toys, towels, kitchenware, etc.). This service is not intended for recycling paper or plastics like you normally leave for the local trash service. Simply place your Simply Recycling bag out at your curbside on any Wednesday and POOF! It will be gone. THIS COST NOTHING to you or Weston Lakes, but the best part is, based on volume, Simply Recycling will give money back to our community for Keep Weston Lakes Beautiful projects. This is an easy way to support Keep Weston Lakes Beautiful, beautify Weston Lakes and improve our environment by keeping these materials out of our landfills.

Simple Recycling has been supportive of the KWLB mission by supplying a unique, free diversion method for the fastest growing part of residential waste streams. Clothes recycling is going curbside in more U.S. towns as global prices rise for the used apparel, shoes and linens that most Americans often toss in the trash. The importance of reduce, reuse and recycle has never been more necessary with more than 17,000 jobs depending on recycling and growing every year. Simple Recycling provides all educational materials, specially designed recycling collection bags, all trucking, pickup expenses, program management and all related insurance coverage, as well as, participation in our city KWLB sponsored recycling days and events.

Upon implementation of the Simple Recycling Program in our city, we noticed an immediate impact on our residents as it relates to questions, education and over all participation. We have a very responsive community and they are very environmentally aware and want to help the city reduce what ends up in the landfill. Since March of 2018, the residents of Weston Lakes have diverted enough textile material to have removed 11 metric tons of CO2 from the atmosphere based on the EPA model.

Well done Weston Lakes!

WE NEED YOU!

All KWLB's success could not have been achieved without the wonderful support of our community and all our volunteers. Volunteers are the backbone of any successful organization and we thank all of Weston Lakes for your unending encouragement and commitment. Keep Weston Lakes Beautiful hopes to engage more businesses and residents in keeping Weston Lakes clean and green, but we need your help... a few hours a month... a few days a year... anything and everything is

appreciated. Nothing will be assigned to you that your time and health can't handle.

We find ourselves reflecting on the events, projects, opportunities, and those who have helped to shape our organization. 2019 has been another year of firsts! We look forward to working side by side with so many more of you in 2020. We live in a unique and wonderful community and we are committed to keeping it beautiful and increasing our value. We are a non-political organization supported purely from the donations of time and money from others in our community.

We'd like to invite YOU to join our KWLB team! Even if all you can do is provide a few hours a year or a few hours a month. This is our time and we hope that many more residents will join us. Again... 100% of everything donated goes back into our community since KWLB is an ALL VOLUNTEER organization.

There are many ways to volunteer, probably many ways you never imagined, so if you would like more information, please contact us at:

keepwestonlakesbeautiful@gmail.com

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful!

VALENTINE'S DAY MASSAGE

Say "I LOVE YOU" this year
with a massage.

From the Golf Shop

The New Year is off to a great start and the activities at the club are picking up, so make sure to call in and get your tee time setup early. We didn't waste much time in getting started with our tournament season. It began with the LGA's Icebreaker Scramble on January 8, and I am pleased to say the Ladies had a Great turnout.

The MGA will begin their 2020 season with the Kickoff Banquet on Friday, February 7 and their Kickoff Scramble tournament the following day February 8. The SMGA will begin their season with the SMGA Member-Member on February 22.

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the carts any closer than 30 yards to the green. Also, the Golf Course Maintenance crew is out trimming the trees and they are making great progress. I just wanted to say thanks to Shannon and his staff for the great job they are doing.

As always our goal is to provide a quality experience for all of our members and their guests.

Keith Simmons
Director of Golf

Golf Course Maintenance

January was a busy month for the golf course maintenance staff. We have been working on winter weed control and trimming trees. February will be another busy month for the maintenance staff as we hope to be finished trimming trees and will begin our spring pre-emergent herbicide application. We are still having problems with people not repairing ball marks on the greens and we need your help! It is necessary that you repair your ball marks for us to continue to have our greens in good playing condition. I hope to see you on the course and as always please repair your ball marks and sand your divots.

Thank You
Shannon Donaway
Golf Course Superintendent
