From the Club Manager

It has been over a month, as we balance the government regulations, safety and social responsibilities of our business for you as our members and our employees. If this trying time has taught us anything at all, it has highlighted the resilience of our members and staff! With every day that passes, our employees are working to ensure each and every one of you has the resources needed to enjoy an essential activity to stay fit and blow off some steam. At the end of the day, social distancing is about your health, and we aim to do all we can in facilitating it.

Furthermore, with so much uncertainty floating around, we'd like to give a huge shout-out to our community members who are still working the front lines. We send endless gratitude to our doctors, nurses, first responders, police, fire, grocery stores staff, pharmacies and all others that are serving us daily!

I would also like to remind you of the membership appreciation \$25 monthly food and beverage credit for April and May. If

you have not taken advantage of the credit, there will be a \$50.00 credit book balance on the bottom of your monthly statement. If you have used a portion or all of it, the balance will reflect on the bottom of your monthly statement. Your waiter can also give you the balance at the time of ordering.

With the Governor's deadline looming, and no indication of when our facilities can open or in what capacity, we are actively engaged in contingency planning. Your safety and our employees remain the most important concern of ours as we continue to work through the challenges in these difficult times. Please monitor your email and Facebook for updates.

Thank you for your continued support of the club and our employees.

Sincerely,

Misekia Dabney

Senior Men's Golf Association

Our membership is now at 141. Our playdays are on Tuesday and Thursday mornings at 9:00 a.m. Several members also play on Saturday afternoons at 1:00 p.m. Please call the pro shop for a tee time if playing with the Saturday afternoon group. Annual dues are only \$25.

During the Covid-19 pandemic, we are no longer using a shotgun start on the Tuesday and Thursday games. SMGA has initiated use of the Golf Genius App to sign up players for play dates and to keep scores and publish results. Our Senior members are adapting well to using technology on our playdays, and we have received many positive comments since using Golf Genius. We are looking forward to when we can shotgun start and gather together again after play.

We are very grateful to the Club and especially to the golf staff for their efforts and hard work on compliance with social distancing rules and their help in keeping us safe on the golf course.

Our Ringer Tournament that was scheduled in April will be played at a later date once the course reopens to normal play. We plan to begin match play in May.

Achievements

Congratulations to Dwaine Blanscet on his hole-in-one on #7 on April 7th! Dwaine lived 76 years without a hole-in-one, but now has made 3 holes-in-one this past year. Congratulations Dwaine!

Dan Riley shot under his age on the April 14th playday. Dan, who is 82, scored a great round of 81. Congratulations Dan!

Garden Club

Another month is upon us and, although there is still an air of uncertainty due to the virus, it seems like the overall outlook is improving. May is the end of the Garden Club year. Our 2020 - 2021 year will commence in September. As such, we have a few changes to our board. Normally we would have an official nomination committee in March to accept nominations. Then the slate of nominees (or volunteers/nomineers, lol) would be presented, voted on, and culminate with an installation in May.

Since it's too early to predict what the end of May will look like, below is the list of next year's board. Before I get to the list, I'd like to thank those who are stepping down this year. Donna Rodgers is stepping down from the presidency due to a change in her husband's travel schedule which allows her to travel with him. Kevin Stoerner is leaving after three dedicated years of service and Lynn Lipp is leaving after her first year as she and her husband are moving to Colorado to be close to their son and his wife (I do believe they are also hoping to be grandparents in the near future).

President – Elizabeth Robbins

After much prayerful consideration with a ton of pleading thrown in, Elizabeth has agreed to return.

2nd VP – Nandita D'Souza

As most of you will recall, Nandita wowed us earlier in our year with her presentation on Bonsai along with bringing many of her varying types of Bonsai. My big takeaway was that Nandita has overwhelming talent and a large reserve of patience!

Recording Secretary – Julie Sawyer

I've known Julie for quite a while and I am certain everyone will enjoy her fun and friendly personality.

Corresponding Secretary – Terri Oliver

Treasurer – Julie Janek

As I write this, we are hoping that perhaps we can have some sort of meeting/outing/activity at the end of May. In the meantime, I hope everyone is doing well and staying safe. God bless you and your family and I am counting on seeing you soon!

Terri Oliver
WLGC Corresponding Secretary

Men's Golf Association

Greetings all MGA members and families.
Keep Calm and Carry On.

A couple notable events for our members:

Back on October 22, 2019, John Meloy had a hole-in-one on #3. It was 144 yards with an eight-iron. Apologies, John, on my tardiness. Still, any notice of a hole-in-one is timely.

On March 30, the MGA held a Divotpalooza. Eighteen MGA members loaded Gators and carts with sand and went about the fairways and tees filling divots. Some of us continued in the afternoon and fixed ball marks on all our greens.

Participants:

Nick, Wyatt, and Ryker Carlson, Kemi and Jack Warkenthein, Steven and Dane King, Brad Boydston, Scott Leonard, Todd Father Segmond, Gene (Happy Camper) Cain, Rob Yarborough, Pistol Pete Roblyer, Eric Smith, Tony Alvarado, Tiny Davenport, Dave Heslep and The Coastie. Thanks to all of you who came out. To Pete and Linda: thanks (you know what I mean).

Here's an abbreviated version of the March winners:

March 7, we held a Team Stableford gameday. Bobby (The Wolverine) Bonilla won the (individual) Gold Tee Division with 30 points. Nick (The Czar) Carlson won the White Tee division with 26 points. Steve-o Cox and Ryan Nordt won the team event with 44 points.

On March 14, Cliff (The Bear) Bottoms won the individual stroke play with a 70. Jeff Whitzel won the White Tee division with a 68 net score.

On March 21-22, we held our Annual Ringer event in lieu of the Member-Member due to COVID-19. 64 members participated in our Ringer Tournament. There were seven flights in the tournament and here are the winners per flight:

Flight 1: The Czar;

Flight 2: Ryan Nordt;

Flight 3: Scott Leonard;

Flight 4: Peter Fagot;

Flight 5: Les (WKRP) Stanbery;

Flight 6: Mike (Dozer) Surface;

Flight 7: Vance (Hey Ref!) Duncan.

Terry (Teradactyl) Fuschak won the March 28 individual stroke play with a net-66.

If you are interested in joining the MGA, you have a couple choices: contact the MGA westonlakesMGA@gmail.com.

Keep Calm and Carry On.

Jonathan Henson
Secretary, WLMGA

Ladies' Golf Association

We have had some beautiful weather for our playdays in April. We are thankful to be still playing golf in our wonderful community. With that said, we have some events that have been planned for May, but as you know, we may have to cancel and/or re-schedule for a later date. Please be sure to check your e-mails as that is our method of communication to our members.

Some of the events in May:

- Member/Guest – May 13th.
- Roadrunner's Interclub – May 28th (*We are the Host Club*).
- Ringer Tournament – May 29th & 30th.

***We moved the Member/Member that was scheduled for April 15th to June 10th.*

I would like to report some stats, specifically those members that have experienced a birdie or a chip-in during the months of January, February and March. Birdies and Chip-Ins are always a nice surprise during a round of golf!

Members that had a Birdie in the First Quarter: Wendee Court (two), Ting Luesiri, Pam McDonald, Pat Rougeau, Kelly Roland, Suzanne Whitzel, Helen Ihrke, Betsy Martin, Paula Britt, Eileen Murray, Renee Cariveau, Patsy Cruse, Amy Treat.

Members that had a Chip-In in the First Quarter: Betsy Martin, Rose Mixon, Pat Rougeau, Deb Roller, Wendee Court, Helen Ihrke, Judy Johnson, Pam McDonald, Eileen Murray, Belinda Olliff, Nancy Wood.

Thank you, Amy Treat, our statistician, for keeping these statistics for us.

We have quite a few ladies celebrating birthdays in May!

Suzanne Whitzel - May 5; **Gina Hensley** - May 7;

Deb Roller - May 15; **Kelly Roland** - May 16;

Amy Treat - May 28; **Sue Williamson** - May 28;

Pat Crone - May 29.

The month of March was filled with a great scramble playday (everyone wore green) and an awesome Invitational Pot of Gold Tournament. I had sooooo much to say about them in the April article that there was not enough room for some of my pictures so I am including them in this month's article.

Hope you enjoy!

Fitness Center

Staying active and healthy during this pandemic can be a challenge, but we are here to help as much as we can! Most of us have never been in a situation like this before in our lives, but that doesn't mean we have to stop staying active. Getting out for a walk, journaling every morning, or simply making time for yourself every day is extremely important not only for your physical health, but even more so for your mental health.

If you find it tough to self-motivate or commit to a regular workout routine, try taking one of our free, online classes that we are providing daily. We are here to help keep you accountable, push you past what you thought you were capable of, and create workout routines suited to your individual fitness needs.

We are providing Yoga, bootcamp, core, strength & stability and high Intensity classes on our Weston Lakes Fitness Center Facebook page, and on our Instagram page.

For classes, check out our Facebook page at www.facebook.com/wlccfitnesscenter/ Or our Instagram at @westonlakesfitnesscenter. For more information, please email Ross Kilpatrick at ross@westonlakes.net.

From the Golf Shop

First and foremost, we sincerely hope you, your family, friends and neighbors are all healthy and staying safe. These certainly are strange and stressful times, and our top priority is the well-being of the entire Weston Lakes Family.

As we settle into this temporary "new normal," we want you to know that the Weston Lakes Staff continues to monitor the situation. We obviously want all players to follow all rules by CDC (Social Distancing) to remain safe. This primarily involves strategies to keep people from touching "shared equipment" like flag sticks, bunker rakes, etc.

We have implemented the following to address these:

- Practice six-foot distancing at all times;
- One rider per cart (same household may ride together);
- Do not remove flags in cup;
- Do not use the ball washer;
- No rakes, water coolers or Ice on course;
- We sanitizer all golf carts before and after each round.

As an alternative the Golf Shop is providing free bottled water and bags of ice for each group since there are no water coolers with ice on the course. Also available in the shop as always, sodas, beer, candy and chips.

The course is getting a steady flow of play so make sure to be ready to pace your rate of play.

Our goal is always to provide a quality experience for all of our members and their guest.

Weston Lakes Women's Association

The Pessimist Sees Difficulty In Every Opportunity. The Optimist Sees Opportunity In Every Difficulty."

~ Winston Churchill

The practice of "physical distancing" has not stopped the ladies of Weston Lakes. We are all being safe and making the most of life! Jessica Dawkins said that she and Jon still take Bhaic (their Vizsla puppy) for bike rides and jogs. They've been very focused on clean eating, being thankful for the fish they froze from Jon's many offshore fishing trips, and practicing daily meditation to combat stir crazy anxiety that rears its ugly head every once in a while.

Benedict Dawkins Stay Home

Sandi McNeil and her husband, Scott, can be seen cruising the "hood" with the top down.

Mary Kanney has been cuddling with her baby pooches, reading and playing golf for as long as they can. Absolutely no deep cleaning involved ~ she has successfully resisted the urge!

Our fearless leader, Jamie Johnson, has been fishing and contemplating life. Her pandemic philosophy is one that we should all follow: "Let us practice patience, kindness, thoughtfulness and remember to give out smiles and brighten someone's day. These are small things that we can do to make a difference in how we cope with this new situation."

I'm sure a lot of you are curious about what is going on with the scholarship committee amidst this whirlwind of uncertainty. The committee has had to "stay home and work safe," which has resulted in the halting of meetings and the scholarship committee's postponement of the 2020 winners of the WLWA Scholarship Foundation. The committee has met in a socially distant, appropriate way (thank goodness for iPhone/Zoom) and the new due date for the WLWA scholarships is June 12, 2020. If you have questions please email: Kathy Keim: kathykeim031961@gmail.com, Terri Oliver: tlp0527@gmail.com Jessica Dawkins: Jessica_dwkins@yahoo.ca

We typically gather at 10 a.m. on the third Tuesday of the month at the WL Clubhouse for our meetings. Keep a look out for the announcement signs at each gate entrance to see when we will be meeting. As Jamie said, "I'm looking forward to seeing everyone when we can. Hope I can get my hair colored before we meet again!"

**Keep Weston Lakes Beautiful
Receives Prestigious Governor's
Community Achievement Award**

Keep Texas Beautiful ("KTb") has recognized Keep Weston Lakes Beautiful as one of 10 winners of the 2020 Governor's Community Achievement Awards ("GCAA") for outstanding community improvement. KTb, in partnership with the Texas Department of Transportation (TxDOT), has awarded the GCAA to Texas communities for more than 50 years. This year, the 10 winning communities will share \$2 million in landscape funding from TxDOT; Weston Lakes will receive \$110,000 for a landscaping project at the front of the community along FM 1093. Keep Weston Lakes Beautiful will work closely with the City of Weston Lakes and the Property Owners Association to create and design a collaborative enhancement to areas along FM 1093 that meet TxDOT's strict standards and guidelines.

The award is one of the most coveted annual environmental and community improvement honors in Texas. A community's environmental program is judged by a group of diverse, multi-sector judges on achievements in seven environmental and community improvement areas: public awareness and outreach, environmental education, beautification and community improvement, litter prevention and cleanup, solid waste management, litter law and illegal dumping enforcement. Keep Weston Lakes Beautiful is thankful for the hard work of its 100% volunteer Executive Director, Board of Directors, Officers, Advisory Board and all the residents that pitched in or worked tirelessly during the past year to help on projects around the community in these seven areas.

KWLB is so grateful to all the Weston Lakes residents who emailed their planting, mulching and time spent working in their yards to us this past year, with over 14,650 plants planted!!! WOW! This helped us achieve a PERFECT score in the area of Beautification and Community Improvement! Thank you, thank you, thank you!

Mayor's Comments

Hello Neighbors,

The City of Weston Lakes' Bunny Hop Parade was a huge success! We loved seeing each of you lined up and waiting to see Peter Cottontail. All of the smiles and excitement warmed our hearts! Peter Cottontail looks forward to making this an annual tradition with an even bigger parade. The mayor agrees with Peter and asks all who are interested in being a part of the parade to send their email addresses to mayor.neal@cityofwestonlakes-tx.gov. Please email your picture to mediacoord@cityofwestonlakes-tx.gov as we want to make a virtual scrapbook on the website. Thanks to all who participated in the fun!

The recent restrictions enacted by our government to slow the spread of Covid-19 are behind us. It is absolutely necessary to continue the measures implemented to remain safe and slow the spread of Covid-19. Masks, gloves, rigorous hygiene habits and disinfecting our homes/cars/clothing will be a new normal for all of us. While many things are changing, we are able to change the course with prevention and protection. Weston Lakes residents have done a wonderful job in ensuring these measures have been implemented as is evidenced in the low numbers of cases in Weston Lakes. So proud of our efforts!

The 2020 Census is here. Every 10 years, the census counts how many people are in our community to decide how much federal funding and representation we receive. The nine questions will decide how federal funds are distributed to communities over the next decade. It will also decide how representation will be distributed based on population. A complete and accurate census count is critical. When you're counted in the census, you're helping to build a better community. Visit 2020census.gov to learn more about the 2020 Census. You deserve to be counted!

Please visit the city of Weston Lakes website www.cityofwestonlakes-tx.gov for more information.

Hoping May's flowers bring joy to all of your gatherings and time with friends.

Golf Course Maintenance

I would like to start off by saying thank you to the members of the MGA and SMGA for coming out on Monday and sanding divots in the fairways and on the tee boxes, as well as repairing ball marks on the greens. This has been a huge help to us since we are unable to have sand bottles on the carts due to Covid-19 and the restrictions that are in place. I would also like to mention, with the excessive play we are getting please abide by the 90-degree rule.

We are seeing areas of compaction entering and exiting the fairways so please try to not drive in the same spots daily. All carts should return to the cart path at least 30 yards from the greens. I have seen a lot of carts parked around and behind the greens and I encourage you to stay on the paths as much as possible to help keep our course in good condition. I hope everyone has been enjoying the great golfing weather we are having. While the driving range has been closed, we re-sodded the tee box and repaired the drainage, so I hope you enjoy these renovations when we are able to re-open the range. Hope to see you on the course.

The POA has completed 16 parking spaces in Riverwood Park. As stated in our last POA meeting (February), new landscaping has begun at all of our entrances.

Unlicensed drivers should not be operating golf carts, Polaris, etc. Please remember that all of our residents should fill out the census. You can do this on-line. We should all be counted. At the time of this writing, the May POA meeting is TBD.

Waterside Grill

DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
