## From the Club Manager

**L**et me start off by saying I hope everyone is staying safe and healthy. The management team remains diligent in following protocols and providing a united front in order to assure everyone that our goal is to provide a safe place for our members. This is the time that we all need to work together and help each other through these uncharted waters, and I believe we are doing that. During times of stress and uncertainty we need to find ways to relax and relieve ourselves of daily worries.

The golf course can be a great place to do this. We are also offering yoga classes on Tuesdays and Saturdays, and Water Aerobics will continue on Tuesdays and Thursdays. The fitness facility is open seven days a week. The dining room is open, outside seating is available and all items can be ordered for take-out.

We have had to make changes to our calendar, but as you can see by this newsletter, we still have some events in store for you. For the month of August, we have the MGA Ringer on the 8th, Homestyle Take-Out on the 9th, Live Music on the 13th, Fried Chicken Night on the 27th and the SMGA Ringer on the 27th and 28th.

Mother Nature has been kind to us this summer; let's hope that continues. I want to thank everyone who has continued to support the Club during this crazy time. We appreciate your patronage and flexibility with the changes we have put in place. We look forward to the day we can get back to normal operations.

Have a wonderful summer and I look forward to seeing you at the club.

# The 4th of July Parade 2020

## Garden Club

**Y**our WL Garden Club Board has been busy building its calendar for the 2020 - 2021 year. In light of the virus, we are working hard to make sure we are keeping it flexible and that it offers something for everyone. Here's an outline for our fall activities:

### September

Welcome Back Luau to be held in Weston Lakes Country Club Ballroom/ Pool area. Get your hula skirts ready! Those of us who are travel starved will welcome a Hawaiian atmosphere with cool, tropical drinks and tasty eats and treats. There will also be music and more!

*E loa'a ia makou he manawa nui...  
we will have a great time!*

### October 27, 2020

Trip to Mercer Botanical Garden. This little known gem is located in Humble, Texas. Take a leisurely walk through stone archways, past water features, into English gardens and more. Everything from endangered and native plants, to a tropical section featuring gingers, bamboos, ferns, and more is available. Relax and explore these 60 acres of beautiful gardens.

### November 12, 2020

Ashley Grubb from Enchanted Gardens will treat us with her expertise in edible flowers. Perfect for your entertaining during the Holiday season. Ashley will also give a discussion on the new Mustard Seed Farm & Market, which will be located in Richmond. Mustard Seed Farm & Market is a nonprofit work and job skill training program for adults with disabilities. Growing great plants, produce, and PEOPLE! ### \*\*\*Our Holiday Toy Drive Collection

Now, in my ongoing quest to shed some light on our board members, I am going to talk about our treasurer, Julie Janek. Since I have known Julie for some years now, I am doing this a bit differently, and what I am writing is from me and not from her answers to questions. I think this is appropriate because Julie is a very modest lady, and I think she deserves some accolades than she wouldn't mention herself. I have never met or been around a lady who better represents love in action. She is devoted to God and her life reflects that.

Outside of the garden club, Julie volunteers weekly at the VFW in Wallis among other volunteer activities. No matter what is going on, Julie has the brightest smile and a kind word for all. I have never heard her say a bad word about anyone or anything. Not only that, but she is a whiz as treasurer (following in the footsteps of her mentor, Mary Kanney). She keeps tabs on everything money related going on with the club. On top of all of that, Julie can whip up an entire meal of the best Mexican food and enjoys sharing her culinary skills with family and friends. All in all, I can attest to the fact that your first impression of Julie...her bright smile, kind eyes, and open, friendly demeanor is a great start to knowing a truly great lady!

## Property Owners Association

### Happy August Everyone!

It is national school month, and we want to wish all the students and teachers a safe, fun and exciting return to school this year. They are going to experience many new things and changes.

The new speed bumps are being or have been replaced at that back gate. This will cut down on the debris that is left at the gate tracks and the overall gate repairs.

As we are glad many of you are utilizing the basketball and pickle balls courts, please respect the property. This note is becoming a monthly staple as we continue to have the timer-switch vandalized and lights left on late into the night. There have been cameras placed to monitor the box for any further issues. A new control box with a timer has been installed, with battery back up to maintain proper time in case of power outages.

The street repairs have been completed.

Please be mindful of the alligators. Remember do not feed them and keep a safe distance.

## Golf Course Maintenance

**J**uly was a hot dry month and I hope we get a few rain showers this month to keep the course going in the right direction. We will be spraying the St. Augustine this month to stop the encroachment on the course from homeowners back yard. This has been an ongoing issue for many years. The maintenance staff has been busy keeping up with the mowing and edging to keep the course in good shape. As always, please repair your ball marks.

# Senior Men's Golf Association

**O**ur membership is now at 137. Our play days are on Tuesday and Thursday mornings at 8:36 a.m. Several members also play on Saturday afternoons at 1:00 p.m. Please contact Rick Kimbrell for Saturday afternoon tee times at 713-249-4893 or by email at r\_kimbrell1@comcast.net. Annual dues are only \$25.

Welcome to our newest member, Bryan Cook!

During the Covid-19 pandemic, we are no longer using a shotgun start on the Tuesday and Thursday games. SMGA has initiated use of the Golf Genius App to sign up players for play dates and to keep scores and publish results. Our Senior members are adapting well to using technology on our play days, and we have received many positive comments since using Golf Genius. We have now scored more than 40 play days with Golf Genius. The Tuesday and Thursday games have a capacity of 56 players, and most games are full. We are looking forward to when we can shotgun start and gather together again after play.

The SMGA has joined the MGA in "Divotpalooza" Mondays. Members spend a couple of hours sanding divots on the tee boxes and fairways to help keep the course in great condition.

Many thanks also to the Country Club for opening the patio and the 19th Hole! Many of our members enjoy a refreshment from the club after play and the opportunity to reflect on their rounds.

Our Member/Guest Tournament that was scheduled in June will be played at a later date once the course reopens to normal play. We began match play July 1st with 53 players playing in 4 brackets.

Our next scheduled tournaments are:

- SMGA Ringer: August 27th & 28th
- SMGA Club Championship: September 17th and 18th
- MGA-SMGA Weston Cup: October 17th & 18th

## Achievements

On the July 9th play day, Dan Riley scored a Hole-In-One on #7. Congratulations Dan!

On June 28th, Rob Yarbrough shot a career best 71 with 5 birdies, 4 bogeys, and 9 pars. Congratulations Rob!

We would also again like to acknowledge Shannon and his crew for keeping the course in great playing condition despite an increase in the number of rounds played. Many thanks also to the Pro Shop and their staff and to the Country Club!

*Fairways and Greens*

# Weston Lakes Women's Association

**T**he true delight is in the finding out rather than in the knowing."  
-Isaac Asimov

The Weston Lakes Women's Association, Keep Weston Lakes Beautiful and the Weston Lakes Garden Club joined forces during this pandemic and generously donated funds to start the Weston Lakes Geocaching project, and it has definitely started with a BANG! Jaime Suttles, Mandy Lowe and Rylee Burton have been busy as bees planning and hiding the caches (small boxes) throughout our community. Some of the boxes are difficult to locate and others are in plain sight. Once a box is found, the "geocacher" signs the log sheet inside the box and exchanges the trinket inside for a trinket that they brought to leave behind.

As if that weren't exciting enough, you could be fortunate enough to find a "trackable" tag. These are special tags, so you must follow the

directions to a "T" on the tag and log it. You will now be able to hide it in the next cache you discover and watch it as it moves from cache to cache all around the world! Go to <https://www.geocaching.com/play> or to the app store to download the app and start playing! This is fun for students, the whole family, neighbors and friends!

All of us would like to give a special thanks to those Huggins teachers who wanted to give the students in Weston Lakes something to do that was safe and outdoors. Just look at the smiles on the faces of Grayson Bogardus and Bellamy Perez - they are having a great time learning, exploring and seeking!

We typically gather at 10:00 a.m. on the third Tuesday of the month at the Weston Lakes Clubhouse for our meetings. Keep a lookout for the announcement signs at each gate entrance to see when we will be meeting again in the Fall. We are so looking forward to seeing YOU again!

## From the Golf Shop

**A**s we move into August, I'm amazed at how quickly the summer is passing by. With the summer heat here be sure to grab a bag of ice and bottled water from the pro shop before teeing off. The Marshals are making rounds on the golf course handing out water as well if you need some more.

I just wanted to give a Big shout out to Shannon and his staff for the great job they did on the New grass on the driving range tee box. Along with that, not everyone knows the best way to practice on the driving range that will help to grow the grass back quicker. The best way when you make your divots going straight back to make a path. Then skip a space over and make another path beside the other path. Not beating out one big area of grass that will take much longer to grow back.

We obviously are continuing with all the rules by CDC (Social Distancing, wearing a Mask when entering any of the buildings at the club).

Just a reminder with more people home we are finding people doing things on the golf course that shouldn't be out there. The golf course is for golfing only (No bicycling, jogging, walking, skateboarding, roller-blading, unauthorized golf carts, walking dogs, fishing, swimming or wading in golf course lakes).

We would also like to ask for your help on keeping up with the pace of play now that we are having more play on the course. The typical pace of play for 18 holes of golf is 3 hours and 45 minutes to 4 hours, and we would appreciate all golfers pacing their group to stay within that time frame. We are striving to make everyone's golfing experience enjoyable and we appreciate your assistance in doing that.

Our goal is always to provide a quality experience for all of our members and their guests.

**T**he MGA hopes this article finds you cool and comfortable in our South Texas heat. Lots to discuss so yours truly will get to it.

First off, congratulations to the group of 16 that complete the first leg of our MGA Match Play tournament. As I write this, the Mighty Eight are set for their knockout round. By this time in August, we may have a 2020 Match Play Champion.

## Here are our June winners:

On **June 6**, we had a stroke-play event. There was a three-way tie for first place: Thomas Fredericks, Richard (LSU Tiger) Koob and Brent (B-Rent) Mattinson all shot 69 net.

On **June 13**, we held a team (blind draw) and individual stroke play. Nick (Mr. Smooth, aka President-for-Life) Carlson and Cliff (The Bear) Bottoms tied for first with net 67s. Mr. Smooth shot a net 67; great round. Bruce (Marlboro Man) Whitney, The Bear, Leon (The Putter) Viadovsky and Jack (Cubbie) Warkenthien took first place in the team play.

Since we had so much fun the previous Saturday, we did it again on **June 20** play day; the results were slightly different. Richard (Ray-Ray) Hanagriff won the individual stroke play with a net 68. I did say slightly different but only for the team play: Marlboro Man, Gene (Happy Camper) Cain, Bally (Baloo) Norris and Scott (King Mimosa) Sipes won first in the blind-draw team play.

On **June 27**, we had an individual stroke play by (two) flight(s) and pick your partner team play. Russell (Brawny) Braun and The Bear were tied for first with a net 69 in Flight 1 in individual stroke play. In Flight 2, Gary Gary Owens won with a net 67.

Steve-o Cox and Eric (However) Echter won Flight 1 team best ball with a net 88. Brawny Braun and Scott Theut won Flight 2 best ball with a net 82.

Until next month, keep 'em straight. If you are interested in joining the MGA, you have a couple choices: contact the MGA [westonlakesMGA@gmail.com](mailto:westonlakesMGA@gmail.com).

Keep Calm and Carry On.

**H**ot! Hot! Hot! August heat is upon us! As you play, find the shade when you can and stay hydrated! It's also good to have a cold wet towel to put around your neck and a hat or visor that protects your face.

Our tee times on Wednesdays for July, August, and September will begin at 8:30 a.m. PLEASE arrive at the course 15 minutes before your scheduled tee time.

The WLLGA 2020 Match Play Tournament has ended...

Congratulations to the Champion, **Nancy Wood!**  
Also, Congratulations to Runner-Up, **Cindy Mixon!**  
Well done Ladies!

Champion: Nancy Wood

Runner-Up: Cindy Mixon

Thank you to Amy Treat, our statistician, for keeping up with birdies, chip-ins, and low putt rounds. She also keeps up with several other statistics for us all year long. Amy, you are doing a great job!

During the second quarter of 2020, we had a total of 64 Birdies, 41 Chip-Ins, and 16 Low Putt Rounds (under 30 putts).

Members who had their first birdie of 2020 during the second quarter were Cindy McNabb, Catherine Tinkler, Mary Peterson, Jordyn Roller, Pam Skeen, Sharon Standifird, Nancy Wood, Pat Crone, Judy Johnson, Janet Bartek, Judy McFarland, Deb Roller.

Members who had their first chip-in of 2020 during the second quarter were Renee Cariveau, Gina Hensley, Cindy McNabb, Pam Skeen, Sharon Standifird, Amy Treat, Suzanne Whitzel, Paula Britt, Patsy Cruse, Mary Kanney, Catherine Tinkler, Mary Peterson.

Members who had their first Low Putt Round in the second quarter of 2020 were Wendee Court, Catherine Tinkler, Amy Treat, Nancy Wood, Ting Luesiri.

According to my records, we only have one WLLGA member celebrating their birthday in August. Happy Birthday on August 4th to **Jordyn Roller!**

Stay safe and stay cool!

## S ummertime in Weston Lakes!

The 4th of July 2020 was certainly different than we are used to, but Weston Lakes residents took to the streets to show that we are truly "all in this together!" We are incredibly grateful to Katelyn Gray and staff, the Weston Lakes Country Club, and our dedicated neighbors for decorating their golf carts, cars, and bikes to participate in such a wonderful City tradition. This is what makes Weston Lakes so special!

Be sure to check out all the fun photos on the City website:  
[www.cityofwestonlakes-tx.gov](http://www.cityofwestonlakes-tx.gov)

### Adopt-A-Spot

Thank you to the residents of Fairway Villas and Oxbow Island Estates for participation in our Adopt-A-Spot program! The Keep Weston Lakes Beautiful Adopt-a-Spot program allows an individual, family, or

Oxbow is another beautiful example of another neighborhood Adopt-a-Spot

group to help preserve and maintain a common area within the city. This is a fun, flexible way to volunteer, as the clean-up schedule is designed by you. You select the spot to adopt and Keep Weston Lakes Beautiful will provide the plants and install a sign to recognize your contribution. It is just another way that we can all do something beautiful for our community.

### July & August are Monarch Butterfly Months!

Did you know that the migration path of the Monarch Butterfly from Canada and the Eastern slopes of our U.S. Rocky Mountains to Central Mexico goes right through the Texas Gulf Coast? Keep Weston Lakes Beautiful created our Monarch Butterfly Garden in Pecan Park as the brainchild of long-time Weston Lakes resident, Janet Bartek, to take advantage of this migration by planting and maintaining the specific plants and flowers that Monarch's love.

Please come visit the pride of KWLB at Pecan Park

The Villas Adopt-a-Spot is one of our beautification jewels taken care of by neighbor volunteers

summer and enjoy our very own butterfly garden in Pecan Park.

Another alternative is to visit the Lady Bird Johnson Wildflower Center in Austin. Due to Covid-19 they are currently open by reservation only, and access to some features inside the gardens is limited.

But don't let that stop you!

Get information and activities by checking out the website at:  
[www.wildflower.org](http://www.wildflower.org)

### Did you know?

That cigarettes are THE most littered item on the planet and the single largest source of beach pollution? Thousands of smokers don't think twice about leaving a trail of cigarette litter behind them. According to Keep America Beautiful (KAB), Americans are smoking fewer cigarettes than ever before, yet cigarette butts continue to be the most commonly littered item in the United States and around the world today.

KAB specifies two reasons for this statistic — lack of awareness on the smoker's part, and the lack of availability of waste receptacles at transition locations, such as outside stores and other buildings, and at public transportation pickup spots. Surprisingly, 77% of people in a survey by KAB responded that they didn't think of cigarette butts as litter. KAB also notes that for every public cigarette butt receptacle, cigarette litter drops by 9% in that area.

### Cigarette Filters Are Bad for the Environment

The core of most cigarette filters, the part that looks like white cotton, is a form of plastic called cellulose acetate. By itself, cellulose acetate is very slow to degrade in our environment.

Depending on the conditions of the area the cigarette butt is discarded in, it can take **18 months to 10 years** for a cigarette filter to decompose! But that isn't the worst of it.

Used cigarette filters are full of toxins, which can leach into the ground

and waterways, damaging living organisms that come into contact with them. Most filters are discarded with bits of tobacco still attached to them as well, further polluting our environment with nicotine, which is poisonous.

### Keep Weston Lakes Mission Statement:

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public, and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

Keep Weston Lakes Beautiful is nonpolitical. We are simply a group of caring resident volunteers pulling together to make our community environment even better.

We would love to have you become a part of Keep Weston Lakes Beautiful! Everyone is welcome!

If you would like to donate or receive more information on how you can get involved, please leave us a message at: [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com)

## Mayor's Comments

**O**ur Fourth of July annual parade was a great deal of fun for all! Many gathered with their families and decorated vehicles to be a part of the festivities. Pictures are posted on the City of Weston Lakes' webpage. Thank you to all who attended or participated in our annual event! Let Freedom ring, always!

The CARES Act Committee has worked to allocate funds to the residents of the City of Weston Lakes who are affected by COVID-19. The funds have been set aside to help those who are in need of rental/mortgage and utilities assistance, technology training, special needs care, and other purchases that will benefit all. Thanks to all on the committee who donated their time, talents, waters/snacks and input to help your fellow residents. This program mirrors what the county is doing to help residents of Fort Bend County. Due to the uniqueness of our city, we are able to provide this help with the funds allocated for the City of Weston Lakes.

Recent spikes in numbers of positive cases of COVID-19 have initiated mandates for the wearing of masks. Our area is experiencing higher numbers than we have seen since the beginning of this pandemic. Contact tracing has begun by the county but we are not yet able to glean pertinent information. Please take precautions for yourselves and your families.

We are very excited to announce that city council has approved Microsoft Office 365 (O365) to be utilized by the city. Our first virtual meeting included Senator Kolkhorst regarding grant applications for flood mitigation and drainage for the City of Weston Lakes and the region. O365 will help those of you that wish to be a part of the meetings but prefer not to attend in person.

AUGUST 4TH IS NATIONAL CHOCOLATE CHIP COOKIE DAY...ENJOY!

Stay safe and be well!
