From the Club Manager

As the new year begins, we are excited about what changes will occur at the country club in 2021. As our membership continues to grow, we are looking forward to our club growing as well to meet the needs of our members and guests. We have a few capital projects and numerous improvements that we plan to incorporate as we move forward. On our list we have improvements to the clubhouse, golf course, tennis courts and common areas. We always try to prioritize our projects with those that benefit the greatest number of our members being at the top of the list.

We start soon on one phase of our capital improvements with repairs to some areas of the cart paths, and adding a parking area at the 716 Bunker. We will do our best to minimize any inconvenience during the construction process, and hope you will be as excited as we are during this process. The repairs to the Fitness Center are coming along, all sheetrock is back up and electrical has been repaired. Painting should be done

by the time you receive this newsletter and lastly would be the carpet install. We are anticipating being open before the target date of March 1, 2021; we will update by email and social media.

Trivia Night will kick off February on the 2nd, and the MGA will begin its 2021 season with a Kickoff Scramble on Saturday, February 6th, and the SMGA Scramble is on Friday, February 19th. We will also have our annual Valentine's Dinner on Saturday, February 13th and Homestyle Take Out on Sunday the 14th, so it should be a busy weekend around the club. The Valentine's Dinner is always a popular event, so please call Sidney or Katelyn at (281) 346-1967 to make your reservations early.

I look forward to seeing you at the club soon.

Men's Golf Association

A belated **Happy New Year** to all our neighbors and golfing friends in Weston Lakes. This month's article will focus on some interesting data from 2020 play days. Essentially, every game played using Golf Genius, USGA sanctioned software, was recorded in the database for statistical purposes. Before I get into statistics, you bean counters must still be excited by some of the December play day news.

Please note the 2021 MGA portal is open. The Czar has sent out the SSID password.

In the 2020 Weston Lakes MGA portal, members should look at the Course Statistics section and select Hole-by-Hole Course Stats. Here you will find some interesting data on things such as hole ranking (spoiler alert: number five is the easiest), number of pars, eagles, birdies, bogeys and double bogeys. You can also filter by division, flight and tees. Guess which hole had the fewest birdies. Another spoiler, #5 had the most birdies in 2020.

On to play days, which were few.

December 5 and 19 were canceled due to weather.

December 12

Jeff (Jefro) Whitzel, Tim (The Squirrel) McCord, Jack (Cubbie) Warkenthien and Gene (Happy Camper) Cain [swing man] won the four-man team (one best ball gross from the A&B player and one best ball net from the C&D player). For the individual net game, Leon (The Putter) Viaclovsky won with a net 69 followed by Cubbie Warkenthien and The Squirrel tied for second with a net 70.

December 26

Rusty (The Younger) Jackson, The Squirrel McCord, Les (WKRP) Stanbery, and John Blair won the team one gross and two net game with a one-under for the net; even and one under for the two gross. The next MGA event is the annual kickoff tournament on February 6. There will be no banquet this year due to COVID concerns. We hope to hold the banquet this summer. More information on dues payments will be made via email from the MGA.

The MGA hopes you have a great 2021. If you are interested in joining the MGA, contact the MGA westonlakesMGA@gmail.com

Keep Calm and Carry On.

From the Golf Shop

W e didn't waste much time in getting started with our tournament season. It began with the LGA's Icebreaker Scramble on January 6th, and I am pleased to say the ladies had a great turnout. Also, this was the first event for the LGA to use the Golf Genius System and the App for scoring. Everyone seemed excited with it and had fun seeing everyone's score on the leaderboard.

The MGA will begin its 2021 season with the annual Kickoff Scramble tournament on February 6th. The SMGA will begin its season with the SMGA Scramble on February 19th. If you are thinking of joining a golf association, now is the best time.

With the activity at the club increasing, please make sure to call and book your tee time early. Tee times can be reserved up to seven days in advance. Beginning this year, the Golf Shop will start pairing singles and doubles together to make a foursome. This will help make more tee times available for all of our members.

No single tee times will be permitted during peak times.

Non peak times include Tuesday through Thursday after 12 p.m. and Friday, Saturday and Sunday after 2 p.m.

We greatly appreciate your patience with our staff as we integrate singles and doubles.

As always, our goal is to provide a quality experience for all of our members and their guests.

The Weston Lakes Women's Association (WLWA) has planned for a wonderful 2021!

We did not have an in-person January meeting as it was still too early for group gatherings.

Golf Course Maintenance

January was a busy month for the golf course maintenance staff; we have been working on winter weed control and trimming trees. February will also be a busy month as we are planning to repair some of the cart paths. We will be starting at Numbers 7 and 16, and we will redirect cart traffic while we do the breakout and lay forms for cement. We will also be repairing the path at Number 12 green and Number 5 tee.

We are still having problems with people not repairing ball marks on the greens. It is necessary that you repair your ball marks in order to keep the greens in good playing condition. We have worked very hard to get the greens in good playing condition, but we also need your help when you are out playing.

I hope to see you on the course and, as always, please repair your ball marks and sand your divots.

Thank You

Garden Club

W elcome to February!

The shortest month of the year is best known for Valentine's Day on February 14th. However, in our neck of the Zone 9 woods, February is a bit fickle (like some of our Valentines) and is also transitional weather wise. Since we don't really have defined seasons, it's a bit more confusing as to when to do what as opposed to our Northern neighbors. It's not that unusual to have a winter that is virtually freeze free, only to have a late hard freeze towards the end of February or in early March. However, it is a great time to plan. For those that may be new to our area or perhaps taking a new interest in gardening, it's a good time to do some reading regarding Zone 9. One rule to keep in mind early on is that trees and shrubs do best planted before our Texas heat sets in. Last year, your WLGC had a presentation about using worm castings to enrich/fertilize the soil in pots and for in-ground planting. The gentleman who owns the Magic Worm Ranch up in Plantersville (north of Tomball) came out, and I bought some of the castings he brought with him so I could try them out. I was amazed by the results. My existing potted plants grew to twice the size and were much more lush with exemplary flowers. To be perfectly honest, I saw the announcement about that presentation and thought it sounded a tad bizarre. I am so glad that I did attend that meeting!

This year, our February presentation is on Tuesday, the 23rd:

Andy Chidester from Fox Farms will have a presentation on using organic soil and fertilizer in your garden. Everything from bed prep to fertilization and even pest control will be covered. Enchanted Gardens (one of my favorites!) will be sponsoring this event with some large door prizes.

You will not want to miss this meeting!

We look forward to seeing you and, as always, please bring along a friend or new neighbor...

Terri Oliver
WLGC Recording Secretary

Property Owners Association

The great Don Conrad has retired from the POA office. Borrowing from Carl and Elizabeth Robbins words, because we can't say it any better . . . "Hopefully you've all had the opportunity to interact with dear Don Conrad in the POA office. When you moved in, he's the one that made sure you had all the information you needed. If you built here, Don made sure your builder had what they needed. He has tirelessly served our community for many years, always with astounding efficiency and grace. He has been a tremendous supporter of the charitable drives, especially the Toy Drive, and if you haven't heard him sing Oh Holy Night with the choir and shed a tear, you've really missed out!" **Best wishes and thank you to Don!**

And residents, know that you will be in good hands with Leigh Adams taking over the reins at the POA office. Leigh can be reached at wlonite@westonlakespoa.com, 281-533-9108, or stop by the office between 9 a.m. and 5 p.m. Tuesday, Thursday, and Friday. Official welcome to Leigh!!

Great news that many home improvements are happening in Weston Lakes. Reminder that all exterior home improvements and additions must be approved by the Architectural Control Committee. The procedure and form are available on our website, under Resident Documents. Please contact the POA office with any questions.

An agreement signed with Amazon provides greater accountability and tracking of Amazon drivers. It also allows quicker access for deliveries to residents near the East gate and in Waterford, where Amazon drivers can open the gates by using a secure Amazon phone app. The question was raised whether this meant we are sacrificing security. The answer is no, the same level of restricted access exists, simply via a different process, which is fully trackable.

Cameras have been installed at the East gate allowing any gate hits to be reviewed. Residents will be billed for repairs for gate hits committed by them, their contractors, or visitors. Cameras going up in Riverwood Park soon!

You are encouraged to address POA related concerns by emailing wlonite@westonlakespoa.com and a Board member will respond. You may contact a Board member directly using the email addresses on the website

What is Keep Weston Lakes Beautiful (KWLB)?

Like many aspects of our very unique city, it might be confusing what KWLB is. Is it a club like the Garden Club? Is it part of the City government or the Property Owners Association (POA)? Who is the membership? Why does it exist and what does it do? Here's a quick primer.

At the foundational level, KWLB is an affiliate of Keep Texas Beautiful (KTB). KTB's history dates back to 1967, when Texas was preparing for the 1968 HemisFair in San Antonio. More than 16 million tourists were expected to descend upon the state, and it was then known as the Beautify Texas Council. When the impact of volunteers throughout the state and the pride in local communities was realized, the program continued and later became Keep Texas Beautiful, an affiliate of Keep America Beautiful.

KWLB is a non-profit 501(c)(3) organization and works closely with the City and the POA. It is a network of volunteers within the community that includes individuals and community organizations. Did you plant a tree this year? Did you recycle? Did you pick up a piece of trash on the street? Did your organization discuss native plants? Is your yard bird friendly? Yes? Then you contributed to KWLB's mission!

KWLB is coordinated by a Board of Directors established by its bylaws. Why do we need additional volunteers and what do volunteers do? Volunteers make everything possible. A few examples:

- Building/maintaining the butterfly garden in Pecan Park;
- Refurbishing/maintaining the historical cemetery behind Riverwood Park;
- Maintaining public Adopt-a-Spot areas at the entrances to Oxbow Island and The Village;
- Highway trash clean-up;
- Arbor Day tree planting;
- Achieving the Governor's Community Achievement Award resulting in funding to plant trees along 1093 in front of Weston Lakes;
- Kid's Fish educational and fun programs;
- Educational Bird Program for kids;
- Recycling events including shredding events and the Orange Bag program;
- Fund raising to support the events and programs.

Four hours of formal Strategic Planning conducted by the KWLB Board in January will help ensure we are meeting the unique needs of our community, continuing our mission, and establishing a calendar of events and programs for 2021. We are creating a roster of volunteers and look forward to working with many of you! If you would like to donate or receive more information on how you can get involved, please leave us a message at our NEW email address KeepWLBeautiful@gmail.com.

City of Weston Lakes

Mayor's Comments

Happy Valentine's Day!

The 87th legislative session began on January 12, 2021. It will be historic as the first to take place during a pandemic and actually addressing the pandemic. Among many other bills, they will be working with a tight state budget and redistricting this year, which includes redrawing political maps due to the 2020 census. There are many issues from the racial injustice demonstrations during the summer to dealing with the topic of vaccinations. Much work is ahead of our legislators this year. I serve as Texas Municipal Leagues Delegate for the 2021 Summit.

The City of Weston Lakes signed up with FBC Health & Human Services to be a possible site for vaccinations to occur. We will be partnering with FBC Health & Human Services to make this happen. Since we do not own any property, we may be assigned to work with another city. Please visit the Texas Department of State Health Services at <https://www.dshs.state.tx.us/> to learn about the current phases in vaccinations and to find providers offering the vaccine. Right now, we are still in Phase 1a and 1b. Those who are over 65 years or older and/or with a chronic medical condition that puts them at increased risk are eligible to receive the vaccine (1b). Over one million people have been vaccinated in the State of Texas thus far.

We are experiencing higher numbers of positive tests, as has been evidenced by our governor's executive orders and the lowering of the percentages of people allowed in restaurants and allowed to gather at this time. We are expecting the apex to be reached at the end of January and hopefully, numbers will once again lessen.

Thank you to all who donated ornaments for the City Hall Christmas Tree!

The Power of Love

Have you seen us walking? Meet Duke.

He was found abandoned in Dallas when he was four months old, filled with mange, parasites, and hungry. Almost unrecognizable from his rescue photo, Duke has healed nicely. He carries a few scars on his paws from the mange. Those scars may fade with time or they may remain a part of him – a daily reminder of the power of love and how far he has come.
