## From the Club Manager

**W**hat a year we have had! The range of emotions that we have all felt this past year is very overwhelming. When COVID hit in mid-March, we were obviously very worried about how it would affect our members, our business and the ability to support our great employees.

Fortunately, something happened that we did not forecast. With travel and many places of employment shut down or limited greatly, we became a refuge for our members. You supported our takeout food options. You played tennis and golf. Correct that, you played a lot of golf. You were respectful of the "new rules" we were operating under. What does the new normal look like at the club? That is a great question and one that we probably don't have all the answers for yet. While we may feel good about vaccines on the horizon, there still will be apprehension to fully return to normal by some members, yet some of the adjustments that have been made previously may become more permanent. We will continue to move forward and communicate as much as possible while seeking and recognizing feedback that is helpful for our operations. Similar to 2020, we will keep our foot on the gas and move forward cautiously and responsibly. We are very excited about the future of our club, our community and any upcoming changes.

I would like to take this opportunity to pass along an update on the status of the Fitness Center and Golf Shop facility. We had water damage in the building on December 6th, and the information about the damage to the building has changed constantly. At this stage, contractors have finished the drying out process, removed sheetrock and flooring. We will now work as quickly as possible to get the facility repaired and available for our members and guests.

We appreciate your continued patience during this process, and we will continue to update you on the status of the repairs. In the meantime, we will not be charging any Fitness dues until we can provide facilities for you to utilize. The Golf Shop will remain open, and the target date to reopen the Fitness Center has changed due to the holidays to March 1, 2021 or sooner.

We are truly blessed to work in a great place serving great people. Merry Christmas and Happy New Year!

We look forward to seeing you at the club in 2021.

# Women's Association

**R**ing out the old, ring in the new..."

*Alfred Lord Tennyson*

Once again the ladies of Weston Lakes were in fabulous spirits, hanging out in the courtyard greeting familiar faces and making new acquaintances. Our very own Yoga Guru, Cindy Ludwig, from the Weston Lakes Fitness Center, enlightened us all on the benefits of yoga and regular massages. We must remember to take care of ourselves and focus on relieving stress and improving our overall health. Every lady received a goodie bag and a very special surprise!

Hmm... maybe You should come check out our meetings because you never know when you might get a surprise. Many ladies donated gifts for the Fort Bend Women's Center Christmas Shopping Program - thank you again to all who contributed. Rest assured, you have put a smile on a woman and a child's face. We usually have a few fundraisers during the year to help raise money for the Scholarship Program, but this past year was a difficult one for many of us, and the foundation chose to focus its attention on our community (like the Fort Bend Women's Center). The foundation does have funds available due to a forfeiture of one of the awards, and those funds will be rolled over for the year 2021. They are also busy exploring more ideas for fundraising in the new year. We also voted in the new officers for the 2021 board. Next year is going to be fun and fabulous!

December we were going to have our Christmas Social, but due to the rise in COVID positive numbers the board chose to remain safe and cautious by canceling the event. This year has been difficult on us all. Hopefully, we will be able to meet in January when Joyce Tipton is scheduled to be discussing photography and how to attract birds. Check out her website at [joyceatiptonimages.com](http://joyceatiptonimages.com). You don't want to miss this one - I love seeing her pictures on NextDoor.

We gather at 10 a.m. on the third Tuesday of the month at the WL Clubhouse for our meetings. The signs will be posted at the gate entrances to alert you to when our next meeting will occur.

# From the Golf Shop

**T**he New Year is here already, and I know that everyone is looking for things to get better in 2021. The Tournament activities for the New Year will start off with our Ladies LGA's Icebreaker Scramble on Jan 6th.

The MGA will begin its 2021 season with the Kickoff Scramble tournament on February 6th. The SMGA will have its Kickoff Scramble tournament Friday, February 19th, to get its season going. One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the carts any closer than 30 yards to the green. Also, the course is for golfing only (No bicycling, jogging, skateboarding, roller-blading, motorcycles, unauthorized carts, etc.)

Our goal is to have the leading golf club and golf equipment manufacturers. We are committed to providing superior quality and high-performance products for your golfing needs. So be sure to take a look around the next time you come out to play.

As always, our goal is to provide a quality experience for all of our members and their guests.

**Keith Simmons**

*Director of Golf*

# Senior Men's Golf Association

**O**ur membership is now at 141. Our playdays are on Tuesday and Thursday mornings at 9 a.m. Several members also play on Saturday afternoons at 1 p.m. Please contact Rick Kimbrell for Saturday afternoon tee times at 713-249-4893 or by email at r\_kimbrell1@comcast.net. Annual dues are only \$25.

The SMGA has initiated use of the Golf Genius App to sign up players for play dates and to keep scores and publish results. The Tuesday and Thursday games have a capacity of 56 players, and most games are full.

The SMGA is actively helping to keep the fairway divots sanded and repairing pitch marks on the greens on "Divotpalooza" Mondays. Members spend a couple of hours sanding divots on the tee boxes and fairways to help keep the course in great condition. Ron Ballinger is taking a much needed rest after sanding a tee box.

Our Club Championship Tournament was held September 17-18. Congratulations to our Club Champion Jeff Whitzel for his best Gross score of 147! # Men's Golf Association

**T**he MGA hopes you had a very Merry Christmas and have started the New Year with no doubles, few bogeys and plenty of pars and birdies. We also want to recognize our top points winners for 2020. Surprisingly, there were no holes-in-one in November. But we had some great play from our members which will unfold.

Top Five 2020 MGA Points Leaders (by name and total points)

Richard (LSU Tiger) Koob:	566.75
Troy (Marlboro Man) Whitney:	565.50
Peter (LaCarre) Fagot:	561.75
Gene (Happy Camper) Cain:	558.00
Richard (Ray Ray) Hanagriff:	557.25

What does it mean to be in the top five for MGA points? This means playing in all MGA tournaments and scoring consistently well. Congratulations to The Tiger for the win.

Here's a summary of the November Playday Winners (note November 28 was a rain out):

**November 7:** Bill (Silver Fox) Whiting and Doug (USCG) Stroud won the first playday in November with a four under, net 105. Now stay with me: it was a two-man, odd (1 net), even (2 net) game. Confused? I am. Effectively, on odd numbered holes, the team recorded the best net score. On even holes, the team recorded two (both) net scores. Anywho, Dan (Masher) Masch and Ray Ray Hanagriff came in second even net at 109. John Blair and Terry (Teradactyl) Fuschak came in third with a one over net at 110.

**November 14 Match Madness:** This was the last MGA tournament of 2020 and it was a great event. The game is match play with individual players against the field. Well, Tim (Mac) McPherson won 33.5 matches against the field with 345 winning holes to his credit. Troy (Marlboro Man) Whitney and Izzie (Dizzy Dean) Dandia came in second and third, respectively.

**November 21:** This was a four-man team where the AB players played one best ball with their CD partners. Still confused? Read on McDuff. Eric (Because) Echter, Leon (The Putter) Viaclovsky, Brent (B-rent) Mattison, and John Blair won the day with 17 under and a 127 score.

The MGA hopes you have a great 2021. If you are interested in joining the MGA, contact the MGA westonlakesMGA@gmail.com

Keep Calm and Carry On.

Jonathan Henson, Secretary, WLMGA

# Property Owners Association

**H**appy New Year to all Weston Lakes property owners from your Board of Directors. You are our neighbors, our friends, and we wish you a peaceful, healthy, joyous New Year!!

**ELECTION:** The annual meeting of the Weston Lakes POA was held virtually on December 3, 2020. The election of three Board Members and two Architectural Control Committee (ACC) Members was concluded. Elected for two-year terms are for the Board: Jane Poe, Rhea Ragle, and Joyce Tipton; and for the ACC: Jason Beal and Velda Faulkner. The amendment to the Articles of Incorporation passed by an overwhelming majority.

**GATES:** New gate software is up and running! This system is cloud based and more reliable than the previous server. If the internet goes down, the site controllers keep a complete backup on them so there will be no interruption. The system comes with a phone app that allows property owners to quickly and easily update their guest information. We have new cameras on the East Gate, and installation of cameras at Riverwood Park will be completed this month.

**LAKES:** Several property owners along the lakes have requested that the bank along their property not be sprayed to slow erosion and facilitate habitat for fish and food for birds. A process is in the works to provide flags for placement on property lines to avoid spraying of requested areas.

**WEBSITE:** Check out the new website... you will find lots of helpful information, agendas and minutes, up-to-date monthly financials, and more. As with everything new, it may take a bit to get used to navigating, but it is much improved and will continue to evolve! You are encouraged to address POA related concerns by emailing [wlonline@westonlakespoa.com](mailto:wlonline@westonlakespoa.com) and a Board member will respond. You may contact a Board member directly using the email addresses on the website.

# Garden Club

**W**elcome to 2021!

Your WL Garden Club Board is busy planning a fun and informative second half of our Garden Club year. We run September through June, so there is plenty of time to join in the fun. Reduced dues of \$15 is a small price to pay for the love and camaraderie we enjoy. Please come to our first meeting of the new year on Tuesday, January 26, to join. The fourth Tuesday of each month is our normal meeting day, and we meet at 10 a.m. in the clubhouse ballroom. We do have outside activities and events planned by our two VPs, Barbara Ball and Nanita D'Souza, along with planning our meetings. They have done an outstanding job, especially in light of the restrictions and uncertainty wrought by Covid.

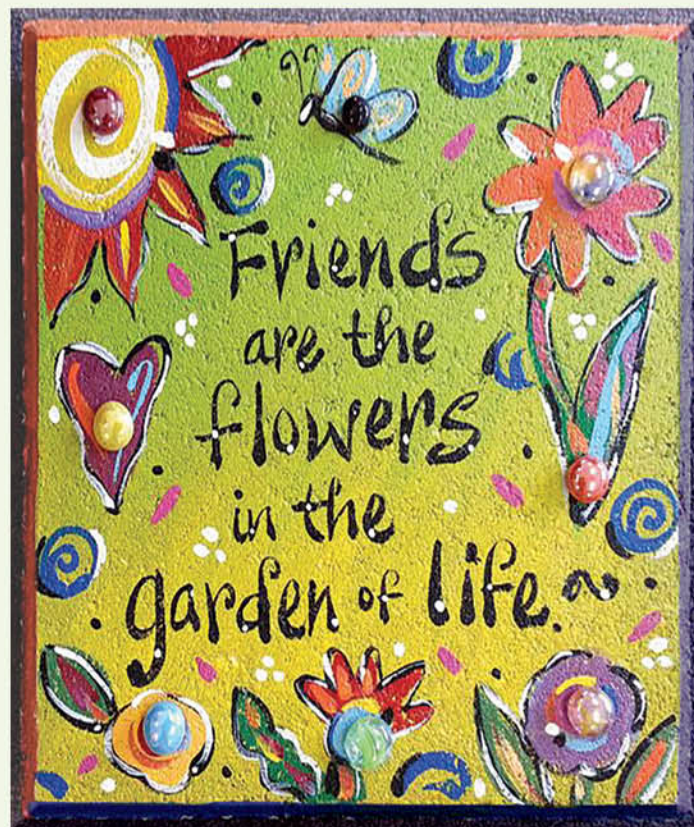

Although we do have some really wonderful experts in different areas of gardening, there is no need to fret if you are not blessed with a green thumb. An open secret is that our main goal is to enjoy each other's company, meet new people, and develop friendships. To quote a quote that's a favorite of our president, Elizabeth Robbins:

*"Friends are flowers in the garden of life"*

If you are already a member, please invite new neighbors to join us. Everyone that brings a new friend will be entered into a special drawing in addition to our meeting door prize.

Terri Oliver

## 2020 - What a year it has been!

As we all look in our 2020 rearview mirror, we must also remember, "when life hands you lemons, make lemonade!" And I must say . . . the lemonade has been especially sweet!

There have been many blessings amongst the challenges, and as we head into 2021, KWLB has new and exciting things happening!

In the coming months, you will see many changes along FM 1093 as we prepare for our MAJOR project with TxDOT and the installation of over 100 trees and shrubs being added to our FM 1093 frontage area. This is all part of winning the Governors Community Achievement Award, sponsored by TxDOT. We have been working closely with the POA, Sierra Golf Corp., and community members to make this a tremendously successful project of which everyone in Weston Lakes can be proud. Though you will see some of the majestic but old and dying Pecan trees coming down due to disease and safety issues, please know that in their place will be many new trees planted for all of our future generations to enjoy.

## New benches in The Village, Oxbow, Pecan Park and Riverwood

You may have noticed a few new benches, made by a craftsman in Simonton, throughout the parks in Weston Lakes. KWLB partnered with the POA in purchasing four new benches for all to enjoy. With everyone spending more time outdoors, it is a welcome sight to see so many fishing, walking, and just enjoying the great outdoors. And . . . you may be lucky enough to find one of the "painted rocks" that are being placed by some of our wonderful neighbors.

Even our four-legged friends will enjoy the new benches in The Village Park, Oxbow, Pecan Park, and Riverwood.

What a beautiful little gem found in Pecan Park. This is just one thing that shows Weston Lakes Proud.

## A Heartfelt Note from Executive Director Carol Fairbanks:

It has been my honor to be a part of Keep Weston Lakes Beautiful for the past four years. In that time, I have had the pleasure of working with many of the residents of Weston Lakes, and I am so immensely proud of all our achievements. I am excited for the new leadership team to continue to build on the foundation that has been laid thus far, and my continued hope that our community members join in with Keeping Weston Lakes Beautiful in our future endeavors!

For calendar year 2021, our new slate of leaders is:

## 2021 KWLB Officers & Board members:

**Janet Bartek** ..... President & Board Member  
**Julie Sawyer** ..... Vice President/Volunteer Coordinator and Board Member  
**Lucy Moyer** ..... Secretary & Board Member  
**Allison Dewees** ..... Treasurer & Board Member  
**Beau Blackard** ..... Board Member  
**Joyce Tipton** ..... Media/Programs  
**Bill Ragle** ..... Media/Tree City USA Program  
**Nancy Case** ..... Director Emeritus

I could not be more thrilled with our 2021 leadership group, and I am thankful for the opportunity this organization has provided me to serve our wonderful community for the past four years. KWLB would not have been possible without Nancy Case and the continued support of Mike Surface, the POA and the City Council. This organization is in very capable hands, and both Nancy and I will be available anytime to assist KWLB when needed. Thank you to all of you who made a major difference with your volunteerism and your donations to advance Weston Lakes to a premier Keep Texas Beautiful city in our state.

KWLB Board members, Janet Bartek, Allison DeWees, Nancy Case, and Executive Director, Carol Fairbanks share GCAA with community.

## Keep Weston Lakes Mission Statement:

Keep Weston Lakes Beautiful is a 501(c)3 volunteer organization whose goal it is to reach into every segment of the City of Weston Lakes. Our volunteers are residents of all ages, youth groups, community clubs, the POA, and civic, public, and private sector organizations.

Our goal is to organize, as volunteers, and implement cleanup and educational programs to prevent litter, reduce trash, and beautify our community and natural environment, all to raise the pride level of our community.

We would love to have you become a part of Keep Weston Lakes Beautiful! Everyone is welcome!

If you would like to donate or receive more information on how you can get involved, please leave us a message at: [keepwestonlakesbeautiful@gmail.com](mailto:keepwestonlakesbeautiful@gmail.com)

## City of Weston Lakes

### Mayor's Comments

#### **H**appy New Year!

It's a wonderful time to reflect upon last year while looking ahead to future possibilities. Redefining goals, making resolutions and looking forward to new achievements.

Thank you all for making Weston Lakes beautiful during the Christmas Season. As always, it was such a joy to tour the neighborhood and share the magic with loved ones. Thank you to those who donated ornaments at City Hall for our Christmas Tree. We will save them for future use.

Obtaining official city email addresses for the Board of Aldermen was achieved as well, getting Office 365 for virtual meetings to share office documents. All email addresses are published on the City of Weston Lakes' website, [www.cityofwestonlakes-tx.gov](http://www.cityofwestonlakes-tx.gov).

City council has approved the new office lease for two more years. New high quality used desks, chairs, conference table and working filing cabinets with locks were purchased for city hall. We invite you to drop by; it is next to the Fulshear Post Office.

We helped our neighbors with rental/mortgage/utilities assistance programs giving approximately \$75,000 from the CARES Act allocated funds. This program was implemented by Fort Bend County, and I initiated the program being set up for cities, offered by only Weston Lakes and Missouri City. The sums not utilized were returned to Fort Bend County for their programs. The recipients have expressed their gratitude and shared how invaluable this program has been for them and for the City of Weston Lakes.

The mayoral appointed drainage committee worked diligently to define the areas of vulnerability within our city and proposed many options to city council for future flood mitigation projects.

Looking forward to a year full of hope and new chapters for our city and each of you. Hoping the new year brings to each of you, bountiful harvests and happiness.

## Golf Course Maintenance

**I** hope everyone had a Safe and Happy Holidays. The maintenance staff and I are looking forward to the New Year and continuing with the improvements to the course. As I look back at last year, I can see the quality of the golf course has improved considerably. We have put a good Agronomic Program in place that will help us to improve the conditions while giving you a more consistent golf course. The maintenance staff and I wish everyone a Safe and Happy New Year. Hope to see you on the course, and as always please repair your ball marks and divots.
