From the Club Manager

We wish all of our members, staff and all of your families a healthy and happy New Year. 2022 is indeed a year to look forward to and celebrate with our families and friends. We anticipate a huge attendance at our events this season and hope that each of you will take an opportunity to welcome our new members and their families. What makes Weston Lakes so special is the warm, welcoming culture created by our members over the years.

If you are new to the neighborhood or just haven't had time to check out all the activities, groups and organizations that are available in our community, I hope you will take the time this year to get involved. As many of us are making our New Year's resolutions, the first obvious choice is our Fitness Center. More and more people have continued to utilize the facility since it opened, and we have a great staff that will be more than happy to help you get started toward a healthier 2022. If you are a golfer, we also have our golf organizations for ladies, men and senior men.

If you're looking for something less physical, you can choose from groups and organizations like the Weston Lakes Women's Association, Garden Club, Book Club, Car Club, Bridge groups, Bunko, Mahjong and Poker Night at the club. We hope you will get plugged into one or more of these groups this year, and promise you will enjoy the experiences you have.

With the new season well underway, please contact Katelyn Gray, Food & Beverage Director, for those parties you want to throw but don't want to do the cooking for. She will be happy to assist you in any way she can to make it a memorable event.

We wish each of you a very Happy New Year and look forward to seeing you at the club soon.

Achievements

While playing in the Tuesday, November 30 playday, Neil Frank shot 3 under his age with an 87, and Dan Riley shot his age with an 84. Great rounds guys.

During the Tuesday, 14th December playday, Dan Riley and Charles Wisdom shot their ages with 84. Well done guys.

Gary Hensley holed out on the Tuesday December 7th playday on hole #7. Extra big smile as he is a member of the hole-in-one club.

Next SMGA event will be the Scramble in February 2022.

Golf Course Maintenance

The maintenance staff hopes everyone had a great Holiday season. I know the staff enjoyed their time off during the Holidays. It's the start of a new year, and I would like to start off by saying the golf course maintenance staff has done a phenomenal job of maintaining the course. During 2020 and 2021 the staff faced many obstacles from single rider cart traffic to the freeze and loss of turf on a few greens. The staff worked endlessly to get the course in great shape with minimal effect on play and in a timely manner. I just want to say thank you for all the hard work you do on the course.

Shannon Donaway, Golf Course Superintendent

From the Mayor

Hello Weston Lakes Neighbors,

We are happy to resume our monthly column in the Weston Lakes magazine. We will use this space to touch on news and items pertaining to the City of Weston Lakes. We will provide information as space permits, and you can go to the City of Weston Lakes website for more details. www.cityofwestonlakes-tx.gov

Emergency Management: The City is working on rebuilding its emergency management team. We will work out more details at our January 8 workshop and at our January 25 City Council meeting. We are currently working to sort through the old files, and inventory what we have. We will begin hosting meetings for those interested in volunteering soon.

Traffic on 1093: We are in contact with TxDot, voicing your concerns about turning lanes and a stop light at the entrances of Weston Lakes and Morgan Elementary.

Power Outages: We have learned that a number of the power outages are caused from tree limbs coming in contact with power lines, and a more aggressive pruning program is underway. There are also numerous more localized power issues resulting from the aging transformers located on the ground throughout the neighborhood. Several of those have already been replaced. If you see one near you that has oil leaking out of it or notice the grass around it is dead or discolored, please report that to CenterPoint. Our service consultant's name is Zachary Henson and his contact number is 281-341-4909.

Mailing Address and Taxes: A number of you have noticed that you are charged 8.25% tax when ordering items online because your address is listed as Fulshear rather than Weston Lakes. If you are billed to a Weston Lakes address it is only 6.25%. That additional 2% goes to the City of Fulshear, and we do not get any benefit from it nor have any voice in how that money is used. We are working to ensure that we are identified specifically as Weston Lakes. You can help by making sure that you use Weston Lakes as your city on any orders or correspondence. Please do not use those preprinted return address labels that charitable organizations send you if they have Fulshear listed as the city. Also, please include the four-digit suffix on your zip code that designates your specific address as Weston Lakes.

PPE: We have packages of personal protective equipment (PPE) available to any Weston Lakes residents. The bags include masks, sanitary wipes, liquid hand soap and hand sanitizer. We will have it available for pick up at each City Council meeting. If you are a member of a Weston Lakes organization that would like to distribute it to your members, just let us know at 281-533-0907.

Happy New Year to everyone.

We wish everyone a safe and prosperous 2022.

Bob Wall
Mayor-Weston Lakes

Men's Golf Association

Happy New Year Y'all!

We had twins in November. Well, not really. We did have two hole-in-ones though. On November 14, Gene Cain made a hole-in-one on number 16 with a 9-iron from the Gold Tees. Gene struck the mother lode with a distance of 118 yards. This is Gene's second HIO. Tom Fredericks and Ray-Ray witnessed the remarkable event. Congratulations Gene-o, aka Happy Camper. Note there is a slight grin.

Then, not to be outdone, Dave Mangel made a hole-in-one on number 16 (again) on November 16. Dave used a 9-iron to hit a 118-yard HIO. Our hero above, Gene-o, Leon Viaklosky, and Tim McCord witnessed the great event. *Well played Dave.*

On to playday results...

November 6

There was no playday on November 6 due to the inaugural Ft. Bend Cup played between Weston Lakes MGA and Falcon Point MGA. Falcon Point won the match play event over two days. Suffice to say, we had a great time and made new friends. We will follow up with the event again in 2022.

November 13

This was the MGA's last tournament of the year: Match Madness, where every player plays against the field. The winner is decided by (net score) in the number of matches won. Brent Maddison won the day with 37 matches won. Dimas (Da Man) Kuhl and Gary-Gary Owens came in second and third, respectively.

November 20

This playday was an individual gross and net game. (We want to give the low handicappers a chance to win once in a while you know.) Tim (Mac) McPherson and Richard (LSU) Koop tied for first with 79s. Mac had four natural birdies and LSU had one.

Mac also won the net game with a 67. Brace yourselves, yours truly, won second place with a net-71 (86 gross). Did anyone faint?

November 27

Danny Wardlow and Izzie Dandia won the two-man best ball on Thanksgiving Weekend. Their net score was 83. Interestingly, Danny shot an 87 gross and Izzie shot an 82 gross. Well done gents.

Final Note: Troy Whitney won the MGA points championship with 614.25 points. Troy's average low gross score was 77.8 and low gross score was 73.3. Congratulations Troy.

If you are interested in joining the MGA, contact the MGA westonlakesMGA@gmail.com

Play it as it lies,

Jonathan Henson, Secretary, WLMGA

Property Owners Association

Happy New Year from the POA board! We wish everyone a blessed and peaceful new year.

We are looking forward to another year of continuing to maintain and enhance the amenities and infrastructure of this wonderful community. Another year of approving home improvements and new construction, repairing streets, and maintaining gates. Another year of mowing, tree trimming, landscaping, and improving parks. Another year of budgeting and acting on behalf of the association in legal matters. Yes, another year of enforcing the Weston Lakes Covenants, Conditions, and Restrictions (CCRs) that are in place to protect, preserve, and enhance property values in the community.

Your Property Owners Association board consists of five elected volunteers who are your neighbors in the community. The recent election keeps Rex Jarrell and Kevin Smith for another two-year term, joining Rhea Ragle, Joyce Tipton, and Allison Dewees to make up the board. The Architectural Control Committee (ACC) welcomes Mary Kanney back for another term, joining Jason Beal and Velda Faulkner. The ACC is also an elected group of volunteer property owners.

To kick off the new year, check out the newest additions in Riverwood Park - two more pickleball courts! Pickleball was invented in 1965 on Bainbridge Island, near Seattle Washington, by three dads with bored kids. As evidenced by the daily use of the two original courts in Riverwood Park, the sport is fast gaining popularity. It's easy to learn and can be enjoyed by players of all ages and skill levels.

If you have enjoyed the amenities in Riverwood Park, you may have also noticed the ruts and damage created by four-wheelers and other such vehicles that should not be driving there. To remedy this situation and add a nice perimeter to the park, an attractive three-rail metal fence is being added. It will have pedestrian gates for easy access and service gates for maintenance and emergencies. A similar fence was added in Pecan Park last year to replace the wooden fence that required continuous maintenance.

After the big freeze and power outage last year, many residents have chosen to add generators to their homes. Please remember that an Application for Home Improvement must be submitted. The application can be found on the POA website westonlakespoa.com under Resident Documents, Architectural, Forms and Guidelines. As stated in the application, it must include the generator specification sheet, and it **must be screened fully from the road right-of-way and any neighbor's yard**. Questions can be addressed to the POA office.

Trees, trees, and more trees on POA property along FM1093 and the WL entrance! The new trees and shrubs from the Governor's Community Achievement Award granted to Keep Weston Lakes Beautiful (KWLB) are in the ground and looking great. Thank you to KWLB for the work involved in achieving this grant in 2019, and for the great communication and collaboration with the POA board during TxDOT's removal of damaged and declining trees, installation of irrigation, and planting of the new trees and shrubs. At no cost to property owners, \$110,000 worth of work, including 200 new trees and shrubs, was accomplished.

You may address POA related concerns by emailing wlonline@westonlakespoa.com. You may also contact a Board member directly using the email addresses on the website.

The KWLB's fundraiser at the Country Club's Holiday Sip and Shop was a big success and a lot of fun! Thank you to the Surfaces for providing booth space to KWLB at no charge. A silent auction, filled with gorgeous items, generously donated by local residents, generated a lot of enthusiasm and sparked some serious competition! Congratulations and thank you to the winning bidders and thank you to the wonderful and talented donors who made it possible.

The winning bidders and their items and donors were:

- Melissa Blanscet - "The Beam" original oil painting by Barbara Oneto
- Jason Hall - "Anticipation" original oil painting by Barbara Oneto and "Sanctuary" collage print by Lois Morton
- Brenda Sorrells - hand-painted Welcome sign by Janet Bartek
- Joyce Muller - "Junction Heat" original mixed media by Robin Mouton
- Kay Surface - Wine, Chocolate, and Cheese basket from WLLGA
- Janet Owens - "Reflections" photograph mounted on tempered masonite by Joyce Tipton
- Paula Washington - "Peridot Fold" fine silver necklace with gemstones by Debbie Rodriguez
- Tara Norbeck - blue wine bottle bird feeder by Matt Romero
- Ida Wall - green wine bottle bird feeder by Matt Romero.

The BIG highlight at the KWLB Sip and Shop booth - mementos from Weston Lakes' pecan trees that were available for donations to KWLB! With loving care, small branches had been turned into beautiful ornaments and coasters and branded with the KWLB logo, all by volunteers. These treasures were so popular that none remained at the end of the day.

The KWLB year finished on a high note with a **Volunteer Social** in December to honor our many volunteers and supporters who made it all possible (and fun!). It was a wonderful time in the Country Club ballroom, with an opportunity to socialize, enjoy delicious food, and for the KWLB Board to thank a roomful of wonderful people.

KWLB President, Janet Bartek, announced the **2021 KWLB Volunteers of the Year** - **Bob Reading, Brenda Sorrells, and Lilly Smith.** Mr. Reading built and donated beautiful bird houses and bat houses for fundraising and placement in the park. Brenda is a volunteer you can always count on. She assisted with almost every event, helps maintain the gardens, and is always a pleasure to work

alongside. Lilly is a delightful teen volunteer who charmed the children as our "story time" reader and arts/crafts helper at the kids events. **Congratulations to this year's special honorees!**

Our community's generosity will help to support another year of kids environmental education events, the Butterfly Garden at Pecan Park, community shred/recycling event, beautification activities, and more! The KWLB Board greatly appreciates all of the supporters, volunteers, donors, and the participants at our events and activities.

If you would like to volunteer, donate, or receive more information, please email us at info@KeepWLBBeautiful.org

With the holiday season behind us and a brand new year ahead, it's the perfect time to get back on track with your fitness and nutrition goals. The Fitness Staff and I encourage you to let us be your accountability partners. Garden Club

Welcome to 2022! I don't know about you, but after the holiday season, I feel a bit at loose ends, and the weather in January and February isn't my favorite. It's easy to get antsy about getting back into our gardens. However, the freeze of last year reminded us not to jump the gun. A good source for accurate information about gardening in Zone 9, along with many other related topics, can be found on the Texas A&M AgriLife Extension website: <https://agrilifeextension.tamu.edu>

The WLGC continues celebrating our 30th Anniversary (1992 - 2022) with our theme "Sowing the Seeds of Friendship for Thirty Years." We have a great lineup of meetings and outings.

January (date TBA) - Water Garden outing

February 22 - Ashley from Enchanted Gardens (*one of the best nurseries around!*) will speak on Moon Gardens - the unique beauty of night blooming flowers

March 22 - Presentation by Suzanne Gilbert, President of the Houston Rose Society

April - outing, the return of the "Mystery Trip" (*date and place to be announced*)

May - annual WL Backyard Tour and instillation of 2022 - 2023 board members (*early May, date TBA*)

So, you can see that we have an amazing second half of our year left! We welcome new members all year long and encourage you to bring a friend or new neighbor. Our regular meetings are in the club ballroom, and we encourage everyone to stay for a delicious lunch and a chance to get to know one another.

Terri Oliver
Corresponding Secretary

From the Golf Shop

The New Year is already here and the 2022 Tournament activities will start off with our Ladies LGA's Icebreaker Scramble on Jan 5th. The MGA will begin their 2022 season with the Kickoff Scramble tournament on February 5th. The SMGA will have their Kickoff Scramble tournament Thursday, February 17th to get their season going.

One other quick note on golf cart rules: The 90-degree golf cart rule should be used at all times, along with not driving the carts any closer than 30 yards to the green. Also, the golf course is for **GOLFING ONLY** (No bicycling, jogging, skateboarding, rollerblading, motorcycles or unauthorized carts, etc.)

Our goal is to have the leading golf club and golf equipment manufacturers available to you. We are committed to providing superior quality and high-performance products for your golfing needs. So be sure to take a look around the next time you come out to play.

As always, our goal is to provide a quality experience for all of our members and their guests.

Keith Simmons, Director of Golf

We held our WLLGA End of Year Party/Awards Dinner on Thursday, December 9th. The Weston Lakes Carolers, led by our very own Mary Kanney, came by and sang a few Christmas songs for us. We had a delicious dinner, awarded beautiful trophies, and had a fun gift exchange. Lots of fun and laughs.

Most Improved Golfer Award went to:

Tina Blahofsky

Year Long Ringer Award went to:

Flight 1 - **Sharon Standifird & Paula Britt** (They tied with a 66)

Flight 2 - **Cindy Mixon** (78)

Flight 3 - **Pam Skeen** (68)

Annual Skills Pool Winners:

Wendee Court & Yvonne Fotheringham (tied) - Most Chip-Ins

Catherine Tinkler - Lowest Putts in a Round

We will have our Ice Breaker Scramble on Wednesday, January 5th, 2022 (weather permitting). We will have a hosted lunch and our first meeting of 2022.

2022 Membership Dues are \$35. If you have not paid your dues, please mail to Sharon Leonard or give to any board member.

We need to begin planning for our Pot of Gold Invitational Tournament to be held on Wednesday, March 16th, 2022. We will be looking for sponsorships, volunteers to work the tournament as well as members to volunteer to make raffle baskets. Paula Britt will be sending an e-mail regarding the tournament and what she will need from us to continue to make it the most successful tournament in the area.

Anyone interested in joining the Weston Lakes Ladies Golf Association, please feel free to contact me at 281-728-0102 or e-mail me at wendee.court@yahoo.com.

Happy New Year to All!
