From the Club Manager

It feels like summer is here in full force, and I'm guessing it's here to stay for a while. Luckily it hasn't slowed down the activity around the club. Especially during these times of stress and uncertainty, we need to find ways to relax and relieve ourselves of daily worries. The golf course can be a great place to do this, and we also offer water aerobics on Tuesday and Thursdays at the family pool.

I hope everyone will make plans to attend the Weston Lakes July 4th Celebration on Saturday, July 2, 2022. We will kick off the celebration with our annual parade, which will begin at the Country Club and travel down Weston Drive. Please make sure to decorate your bicycle, skateboard, golf cart, scooter or classic automobile and meet us in the parking lot. The line-up will begin at 10 a.m., and the parade will start at 10:30 a.m. We've got plenty of activities on the calendar for July as well. We're looking forward to the annual Independence Day Celebration that will be held on Saturday, July 2nd this year. The Waterside Grill, Golf Shop and Fitness Center will close at 5 p.m. on Monday, July 4th. Other activities in July will include the MGA Lone Ranger on July 9th, Homestyle Brunch, Sunday, July 10th, the SMGA Lone Ranger on July 14th, Kid's Splash on July 19th, Live Music on July 21st, Trivia Night on Saturday, July 23rd, and Fried Chicken Night on Thursday, July 28th. Please remember to drink plenty of fluids, and wear your sunscreen when you're out and about.

This month I would like to ask for your assistance with some recurring issues that we have been noticing on the golf course.

The golf course may appear to be an inviting place for running, riding bicycles or walking your pet, however, the course is restricted to golfing use only. The course is open Tuesdays through Sundays with golfers on the course and we request for safety reasons of being hit by a ball that you avoid using the course for non-golfing use. When we do not have an event scheduled on Mondays, the golf course is closed for play and our maintenance crews are often spraying chemicals on the course that could potentially be dangerous. We are requesting all golfers and non-golfers to stay off the golf course on Mondays, and we appreciate your cooperation.

I would also like to clarify that the only private golf carts that are allowed on the golf course are carts that have been pre-approved by the Golf Shop. Private carts that are permitted on the golf course must have course-friendly tires among some other requirements. The golf member has to apply for registration and pay the annual trail fee and must display a current trail fee sticker on the cart. Other private carts are allowed in the neighborhood and in the club parking lot, but not on the golf course. We would appreciate your assistance in refraining from driving non-approved carts on the course.

Thank you to all of our members who continue to promote the club to their family, friends, neighbors and coworkers.

Have a great summer!

Property Owners Association

Wow, summer started with a bang ~ hot and dry. Not to be deterred, our residents are still out enjoying the POA amenities in the parks, just not in the middle of the day! Looks like those pickle ball and basketball players in Riverwood Park are hitting the courts a bit later. The Butterfly Gardens in Pecan Park are in bloom, attracting butterflies and people to enjoy them while they relax on the bench and read a book from the Little Free Library. The feasibility of adding lights to the ball field in Pecan Park is being considered. We invite everyone to check out the new Brazos River Park, open during daytime hours. The gate to the park will be locked at approximately 7 in the evening.

In June, Keep Weston Lakes Beautiful presented a project plan to the POA Board for building a Bird Sanctuary just beyond the Butterfly Gardens in Pecan Park. The Board approved allowing KWLBB to use the property for that purpose. KWLBB will be seeking funding from sponsors, donors, and nature enthusiasts to develop this unused, narrow strip of land with all the things needed to attract birds and provide viewing opportunities in the park. Their plan includes planting native trees, shrubs, and plants; adding a bird friendly water feature; and providing food sources for birds.

Several sections of Pecan Lake have been dredged to remove built-up silt that was causing areas of very shallow water. The rest of Pecan Lake and the Oxbow Lake will be assessed to determine possible need for dredging and allow for it to be budgeted appropriately. Our lakes continue to be serviced by a lake management company to control invasive alligator weed and other undesirable plants. Remember, if you do not want your bank edge to be sprayed to allow plant life such as the beautiful native Pickerelweed to grow there, you must place the POA-provided yellow markers on your bank before spray days. Upcoming spray dates are: 7/12, 7/26, 8/9, and 8/23. If you need new or replacement yellow markers, they are available in the POA office. One more reminder about the lakes (hard to believe we have to say this!) - swimming is not allowed. Remember we do have alligators who are usually good neighbors, but let's not tempt them!

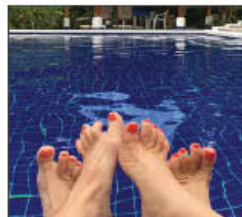

Tree trimming is happening throughout the neighborhood to enhance the appearance, health, and safety of the trees. Landscaping improvement in Waterford and the Reserve is on the way, with limitations due to the heat. Some planting may be pushed until the weather is suitable for new plants.

In an effort to deter speeding on streets, an evaluation is underway to place additional speed humps in areas of greatest concern. A three-way stop will be re-implemented at the intersection of Waterbeck Street and Winster Drive. It's also the time of year when we assess the needs for repairs on streets, sidewalks, and curbs.

This annual evaluation and repair helps us to keep our streets in good shape and manage the cost over time.

The next Property Owners Association meeting will be in September on the third Thursday (no meetings in July and August). Enjoy your summer and stay cool!

You may address POA related concerns by emailing wlon-site@westonlakespoa.com. You may also contact a Board member directly using the email addresses on the website.

Couples Golf

After a two and one-half year hiatus, the Weston Lakes couples golf group was finally able to go back to Couthatta Casino Resort for a fun-filled few days of golf and comradery. Despite being a bit hotter than usual, since we normally go in the spring, everyone was elated to just be able to get together in our challenging new COVID world. The slot machines were especially kind to Wendee Court, who I'm sure will be delighted to tell you of her winning strategy, and William Standifird posted an eagle on hole No.18, which is a very long par 5 over two sets of water hazards. We all wish we could have seen that in person!

Now that we are to a new normal, we hope to schedule another outing in the spring. In the meantime, if you are new to the club and would like to join us for our weekly "nine and dine" couples golf on Sunday's at 3 p.m., email Diane Benson at dbensonathome@aol.com and she will add you to the reminder roster.

Senior Men's Golf Association

I'm not saying my golf game went bad, but if I grew tomatoes, they'd come up sliced!" Lee Trevino

This one is for Charles Wisdom: While the choir was singing, Charles looked out over the congregation and then whispered to the Deacon. "You can always tell the golfers in the congregation," he said. "When they pray, they use an interlocking grip!"

The SMGA Member-Partner Tournament was held on Thursday, June 16th. The game consisted of: Holes 1-6, Best Ball; Holes 7-12, Alternate Shot; Holes 13-18, Scramble. Flight winners were (left to right):

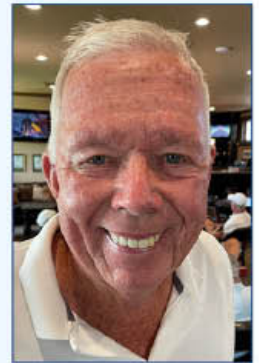

Clay Anderson & Marty Dubroc, 2nd Flight; Bruce Whitney & son (absent for picture); 1st Flight, Bill Moore & Jim Self, 4th Flight; Dwayne Blanscet & Harold Frauli, 3rd Flight.

Closest to the pin winners were: Gold - John Sharadin (3), Mike Vollmer (7), Bruce Whitney (13), & J. Myska (16).

Red - Jeff Donofri (3), Steve Utterback (7), Jo Cook (13), John Kemper (16).

Match play winners were also presented during the gathering. There were two brackets: The John Dunn Bracket One and the John Dunn Bracket Two: Bracket One winner was Rodney "Crawfish" Bartek (who offered to provide the name of his shoulder surgeon to anyone interested!) and Tommy Prejean (who gives Louisiana a whole new reputation single-handedly!) In addition, John (is it Bradford, Broadway or Bradway?) was honored for all his help on our play days that shot-gunned off with a LARGE bottle of "Boodles" Gin (Has anyone else ever heard of it?), from El Presidente, Dan Bishop.

A couple of additional pictures that are important: a special pic of the MDA Team ~ MD Anderson Cancer Center guys for whom we pray faithfully, Clay Anderson and Marty Dubroc! And Jimmy Gulbrandsen recorded a hole-in-one on No. 3 during the month!

The next SMGA Tournament is the Red Ball / Lone Ranger Tournament on July 14th.

As always, playdays are Tuesday and Thursday each week at 9 a.m. Invites go out from Golf Genius with response keys to sign up. We have heard of some glitches in the emails. If you don't receive an invite, contact a board member. If you wish to play with the Saturday afternoon group, contact Rick Kimbrell by email at r_kimbrell1@comcast.net.

Ed Ruffin is inviting interested SMGA members to consider a mid-week golf outing to Koasati Pines /Coushatta this fall. Midweek rates are great, the course is beautiful, accommodations excellent, food plentiful and gambling available. If interested, please contact Ed in person or at edruffin46@gmail.com.

Here's to good golf, good friends, and good times!

Weston Lakes Women's Association

Here comes the heat of Summer! It is July and our meetings have adjourned until we reconvene in September. Safe travels and we can't wait to hear every detail of your adventures!

First, we want to thank everyone again for attending the Seniors Night in May to celebrate our scholarship recipients. We have some photos of the event in and wanted to show a few to you all! Congratulations to all of our graduates, again!

On November 5, 2022, we will have our Fun Run event with a Chili Cookoff! Start time is 9 a.m. from the Weston Lakes Country Club parking lot. We will start registration for this event by August. Please stay tuned to our social media page for more information as we finalize event details!

Local sponsors for this event would be greatly appreciated. Please contact Lisa Guerre at lisaguerre@icloud.com, or call (832)563-5501, for more information. All events will be released on our Facebook page.

Our "Member in the Spotlight" isn't one from our group, but all of our youth are enjoying their summer break! We love the community we live in and hope everyone is enjoying all it has to offer.

Until next month,
Morgan Stewart

From the Golf Shop

The summer heat has arrived so please make sure you take care of yourself while out in the heat by drinking plenty of fluids.

The LGA had their Ringer tournament and it had a great turnout and just wanted to give a big thanks to Paula Britt for her help. The SMGA Member Partner tournament and the MGA Lone Ranger tournament was held and everyone seemed to have a great time.

Also, if you aren't a member of a golf Association but would like to get involved with the LGA, MGA or SMGA please check with our staff at the Golf Shop for more details. They have a great time together and it is a good way to get involved and to make new friends at the club.

We are excited about the New online tee time being added to the Weston Lakes web site. It will be coming online later this month, so be on the lookout for an invite to logon.

As always, we ask for your assistance in repair their ball marks, divots and staying the proper distance away from the green.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simmons, Director of Golf

Golf Course Maintenance

It has been a hot and dry summer so far with very little rain to help the course. The staff has done a great job keeping the course in good condition without having any help from Mother Nature. I would still like to ask everyone to keep their carts on the paths as much as possible to keep the damage to a minimal while we are in this drought. I would also like to ask everyone to keep their carts on the paths around the tees and greens. Thank you for your help with this and as always please repair your ball marks and sand your divots.

Hot enough for you yet? Don't worry, only three more short months of Texas heat and humidity before we get a glimmer of hope for better weather. On the plus side, the days are long, and there is plenty of daylight to play some golf!

Recap

Quick catch-up on the big MGA happenings since the last newsletter. On June 11, the MGA held its 'Lone Ranger' tournament. This format consists of 4-man teams where the three best scores on each hole make up the teams score . . . but there's a twist! Each hole there is one pre-determined score you must include in the teams score, and it is based on the players handicap index. That person is the 'Lone Ranger' for that hole. Talk about pressure! Generally the teams that are able to limit the damage from the Lone Ranger on each hole end up winning the tournament, and that is exactly how it played out this year. Congratulations to all the winners:

Net results in order of flight 1-3:

Troy Whitney, Marcus Schrader, Brent Mattinson, Steve Cox
Dan Masch, Tim McPherson, Danny Wardlow, Scott Sipes
Dave Heslip, Tommy Jacobs, John Hay, Sean Gordon.

We also kicked off our Summer Match Play with a BBQ where the matchups were revealed. All had a great time despite some of the teeth gnashing after everyone learned who they were matched against!

Upcoming Events

Our next tournament will be held on Saturday, July 9, and will be called the 'Red, White, & Blue' tournament. We're planning on a fun two-man scramble format that involves playing from a variety of tee boxes. If interested in signing up, please reach out to westonlakesmga@gmail.com and we will get you taken care of.

Accomplishments

Every month our members reach some pretty cool feats ~ here are a couple from this last month:

- Eric Smith (4 handicap) broke par, shooting a 71. Well done Eric!
- Scott Leonard (8 handicap) shot even par for the second time ever. Well done Scott!

No holes-in-one from our membership in awhile. Come on guys let's get one!

As always we are accepting new members (and nominations to be included in the accomplishments section). All inquiries and suggestions can be sent to westonlakesmga@gmail.com.

Regards,
Dan Masch
Secretary, WLMGA

Garden Social Club

Our summer heat showed up on the heels on a relatively cool spring. For those new to this part of Texas, it can be a shock to your system, and only the hardiest of plants can survive the heat. If you are a class gardener, you need to stay hydrated and take regular breaks to cool down. If you are a Grade C gardener like I am, then you just give up and wait it out. A wonderful place to take a break and stay hydrated is up at the Waterside Grill for our Chill 'n Grill meet up. Tuesday, July 26th at 10:30ish, come on up for some casual socializing. Ladies of WL are invited, and you do not need to be a garden club member.

Get a jump on things by paying your garden club dues of \$25 now. After our first meeting in September, dues will be \$30. Drop off or mail into Debbie Deluca, 5118 Waterbeck. She has a box on her porch for drop offs. Of course, you bring your check to the Chill 'n Grill. We will have another year packed with interesting and useful information at our meetings. Fun activities and outings are always part of our yearly program. This year we are thrilled to return to Florescence after the Covid shut down. Florescence is held every two years at the Houston Museum of Fine Arts. Florescence is a Major Flower Show, accredited by The Garden Club of America, it is held every two years at the Houston Museum of Fine Arts.

Finally, July 4th is a treasured all American holiday. Everything we cherish...God, family, and friends gather in towns all over our great country. I propose that the entire month of July should be All American Heritage Month. A country this big and beautiful, where freedom and the American dream draw people from all over the globe, needs an entire month highlighting our Constitution and Bill of Rights and the legacy from which our freedom rings!

Terri Oliver,
Corresponding Secretary

Accepting Donations at the Club Ballroom on Tuesday, July 26th 9 a.m. ~ 12 p.m.

The POA office will also accept donations on July 19th, 21st & 22nd during business hours.

This year especially, there is a great need in our community. Thank you for your generosity!

Weston Lakes is for the Birds Part 2! This community loves our birds, and KWLB is working on a long-term project to bring a bird sanctuary to Pecan Park. This will provide habitat to attract more birds and provide opportunities for the community to enjoy them. So what do birds need? They need food, water, and shelter. Last month we talked about food, so this month let's talk about water.

Most birds drink water every day. They also use water for bathing, to clean their feathers and remove parasites. After splashing around in a bath for a few minutes, a bird usually perches in a sunny spot and fluffs its feathers out to dry.

Supplying a fresh, clean supply of water will attract birds, even those that don't eat seed and won't come to a feeder. Birds seem to prefer baths that are at or near ground level, closely mimicking a natural, shallow puddle, with stones or branches that allow them to drink without getting wet. Water slowly dripping into the basin will catch the birds attention and attract even more birds.

Beautiful bench raffle. Can't you just see this bench on your porch or patio?! Bob Reading has once again donated his time and talent to KWLB. This gorgeous wooden bench built by Bob might be yours when you buy a \$20 raffle ticket from KWLB. Only 100 raffle tickets will be sold, so your chances are great! Raffle tickets will be available at upcoming KWLB events. Proceeds will help support the

design and building of the KWLB Bird Sanctuary.

Kids learn and grow volunteering with KWLB. In May, several kids and moms from Ericka Braun's class at Simonton Christian Academy pitched in at the Butterfly Garden workday. These kids had already learned all about the Monarch life cycle and the value of worm casings in the soil in their classroom. They dug weeds, counted butterflies, played with snails, and danced in the sprinklers! What a joy to have Ericka and Brooke Braun; Kate and Violet Getshow; Katy, Cole, Ben,

and Hunter Logan; Laura and Leah Keaton; and Kayla and Kara Whitney. Thanks also to our faithful volunteers Peter Williamson, Brenda Sorrells, Kathy Smith, Sharon Gormanson, Julie Sawyer, and Janet Bartek. Be sure to visit the Butterfly Gardens. The flowers are beautiful and there is always new life to see. (Photos by Janet Bartek)

Spotlight on Adopt-a-Spot. Two of our KWLB Adopt-a-Spots got some loving in May. Wayne Larsen cleaned up and planted Vinca at the front of Fairway Villas. Peter Williamson planted Vinca at the back. Thank you both for your dedication to keeping our neighborhood beautiful!

If there is an area you are interested in adopting, please contact Janet Bartek at rbartek@comcast.net for an application. The KWLB Adopt-a-Spots provide a little more love to the community landscaping by maintaining seasonal flowers and careful weeding. If you would like to volunteer, make a tax-deductible donation, or receive more information, please email us at info@KeepWLBeautiful.org.
