Summer is Here -Let the Fun Begin!

The May flowers are in full bloom, and that can only mean one thing-it's time to kick off another incredible summer!

Looking back at the past month, we're smiling at all the fun and festivities. May began with our lively Cinco de Mayo

celebration. With perfect weather, fantastic mariachi music, and even better company, the event was a huge success. Thank you to everyone who joined us for a wonderful evening of food, music, and laughter.

Our LGA, SMGA, and MGA members brought their A-game to their May tournamentscongratulations to all the winners! We also hosted another sold-out Mother's Day Brunch, welcoming over 200 guests. If you missed out this year, be sure to book early next time! And most importantly, a heartfelt thank you to all the amazing mothers-we hope your day was as special as you are.

We also kicked off summer in style by opening the Park Recreational Complex Pool and Splash Pad for the season. This year we have added a few more areas for shade, so if you haven't visited yet, now's the perfect time. Grab a towel, enjoy a snow cone or hot dog, and soak up the sunshine with us!

As we head into the summer months, activity around the Clubhouse is ramping up. The Weston Lakers Swim Team is back in action and will be hosting two swim meets at The Park in June. Best of luck to all our swimmers-we're cheering you on for another fantastic season!

Here's a look at some of the exciting events coming up in June around the Clubhouse:

- Trivia Night: Tuesday, June 3rd
- "Spring Into Summer Happy Hour Social": Saturday, June 7th (check the ad for details).
- MGA Lone Ranger Tournament: Saturday, June 7th
- · Kid's Splash: Tuesday, June 10th -a perfect chance for little ones to enjoy the Clubhouse slip and-slide and a delicious meal on the patio!
- SMGA Member Partner Tournament: Friday, June 13th

Then it's time to celebrate Father's Day weekend

- 3rd Annual Father & Child Golf Outing: Saturday, June 14th - enjoy some golf and lunch while celebrating with dad! (check the ad for details).
- Father's Day Homestyle Brunch: Sunday, June 15th - a hearty meal complete with all the favorites-especially the fried chicken! Be sure to call ahead for reservations.

To wrap up the month:

- Live Music: Thursday, June 19th
- Fried Chicken Night: Thursday, June 26th remember to pre-order to help our Waterside Grill serve you best.

An update for the course:

 Renovations to the cart path on hole #2 will start this June. This project is meant to improve the quality of our course. The estimated time of completion is 3 weeks, and we will send out updates accordingly. During this time, the cart path between #1 and #2 will be rerouted. Please see the Golf Shop for more information. We appreciate your patience and understanding during this time!

With school out and sunshine in the forecast, we're excited to see families and kids enjoying everything the Club has to offer. As the grounds get busier, we kindly remind everyone to prioritize safety. Please drive carefully near the course, clubhouse, and The Park, and watch for increased pedestrian activity. While enjoying time at the pool or in the courtyard, keep a close eye on children and please remember that the putting green, driving range, and golf carts are reserved for golf activities only.

Thank you for helping us keep the Club a fun and safe environment for everyone.

Here's to a summer full of sunshine, smiles, and shared memories—we can't wait to see you around the Club!

Thank You, Katelyn Surface Gray, Assistant General Manager Weston Lakes Country Club

#### MEN'S GOLF ASSOCIATION

Welcome to June MGA Members! The kids are out of school and summer vacations are about to kick into full swing. We have had an amazing Spring Tournament season, and thank you to all those who participated. The weather is not the only thing heating up this month. We have the summer match-play beginning and the Individual Stableford tournament on June 7th. Make sure to sign up for this tournament if you have not already.

In case you missed it, we had our Spring Member/Member tournament on May 3rd and 4th and the competition was fierce. On the first day, the teams played a best ball format and a Pinehurst for the second day, which can test the resilience of some friendships. The flight winners of the net overall were the teams of Chad Faucett/Trent Oglesby, Billy Norris/ Jeff Janik, Mike Horrell/Chris Sawyer, Mark Duncan/Eric Fotheringham, Scott Sipes/Tim McPherson and Allen Byerly/Joe Fendley. Gross flight winners were Logan Richter/Bobby Hutcherson and Houston Johnson/ Ryan Jones. Congratulations gentleman and well played!

And as to be expected, another tournament and more holes-in-one. At this point it feels like the golf gods are handing them out like Oprah hands out cars to her audience. On Saturday during the Member/Member, Ted Case brought hole #3 to its knees and Mike Horrell followed up with his own roundhouse kick to hole #3 on Sunday. While the rest of us shake our heads and open our wallets, enjoy the glow of making an ace you lucky dogs. Remember to opt into the hole-in-one club because proshop credit and a covered bar tab is way better than just bragging rights.

Reminder: Our season-long points race is in full swing. These points go towards qualification for postseason tournaments such as the Weston Cup (MGA vs SMGA), Fort Bend Cup (WLCC MGA vs. Falcon Point MGA), and the Top Ten Points end of year cash tournament!

If you are new to the club, we'd love to see you on one of our regular play days: we have official games on Friday afternoon, Saturday morning, and Sunday morning. Association members also organize a couple of casual games at other days and times. This is a great way to meet and get to know other members in a friendly competitive environment. If you are interested in learning more, please reach out to westonlakesmga@gmail.com and we'll be happy to discuss.

If you have any accomplishments, inquiries, or suggestions please send to westonlakesmga@gmail.com.

Regards,

Karl Drefke, Secretary, WLMGA

One other quick note on the golf course rules: The course is for golfing only. (No bicycling, jogging, skateboarding, fishing, roller-blading, motorcycles, unauthorized carts, etc.)

## **GOLF COURSE MAINTENANCE**

We ended May with some beneficial rains to help the areas that are not irrigated. I hope we continue to have a few showers during June to keep us going in the right direction. The course has been holding up good for the play we have been receiving. We have completed the cart path work on 7&16 and will start the cart path on hole #2. I have noticed that a lot of players are not raking the sand traps after they hit out of them. It is the golfer's responsibility to rake their foot prints. It is not fair to the players behind you to hit out of your foot prints. Hope to see you on the course and as always please repair your ball marks and sand your divots.

Shannon Donaway, Golf Course Superintendent

#### SENIOR MEN'S GOLF ASSOCIATION

Our SMGA members have been enjoying getting out to participate in our play day events on our Tuesday/Thursday schedule. The typical headcount is in the 40-50 range but some of the events reached up to 60 participants. Looks like the boys were eager to get out and enjoy the spring weather!

Our May events included our 2-day SMGA Ringer tournament, which was held on the 8th & 9th. We also started the Match Play events and had 32 players participate in May.

Upcoming, we are looking forward to the Member/Partner tournament which will be held on June 13th.

We hosted the InterClub matches in April and once again Weston Lakes had a strong showing, finishing 1st amongst the 8 participating clubs. After 2 events we now sit in 1st place, with a 2 point lead over The Club at Falcon Point. The May InterClub event was held at Sweetwater on May 6th. Upcoming this month, matches will be held on June 5th at Pecan Grove.

#### FROM THE MAYOR

#### Hello Neighbors,

Weston Lakes Proposition A passed by a margin of 354-89. This allows the City of Weston Lakes to collect a 2% sales tax and prevents any other entity from being able to collect and control those funds. The tax will take effect starting October 1, 2025. I would like to thank those who took the time to become well-informed and participated in the election. If you are interested in the city budget process, please check the city's website for postings on dates and times for the budget workshop and budget hearing. The public is always welcome and encouraged to come. westonlakestexas.gov

#### KEEP WESTON LAKES BEAUTIFUL

"Inspire, educate, and empower our community to sustain and enhance the natural beauty and environment of Weston Lakes

Gold Star Affiliate in 2025! Keep Texas Beautiful (KTB), a statewide nonprofit dedicated to environmental sustainability and community improvement, has again recognized Keep Weston Lakes Beautiful as a Gold Star Affiliateits highest honor for community affiliates. Gold Star status is awarded to affiliates that demonstrate exceptional commitment to keeping their communities clean, green, and beautiful

through education, volunteer engagement, and impactful programs.

Affiliates earning Gold Star status must demonstrate strong organizational leadership and community engagement. They share their mission and goals, report on economic development and diversity initiatives, and participate in statewide recognition programs. Affiliates also provide a letter of support from their local community.

Thank you to our dedicated KWLB board members, our hard working volunteers, and everyone who comes out and participates in our community events for helping to achieve this award!!

#### Volunteers Always Needed.

Join the fun that comes with volunteering with KWLB. Check social media for announcements about volunteer opportunities. These include workdays at the KWLB signature projects - our Butterfly Garden in Ragle Park and our Bird Sanctuary in the Nature Reserve where you can help keep these areas beautiful.

You can join us at our Habitat Heroes Kids Events to help with registration, refreshments, crafts, games, and education. Every spring and fall you can pitch in and help clean up when KWLB participates in the Great American Clean Up and the Fall Sweep litter pickup.

Keep Weston Lakes Beautiful is also seeking two additional board members who are interested in maintaining and improving the natural beauty of Weston Lakes, protecting our environment, and giving back to the community. The board of KWLB is a volunteer board. Members are not paid and dedicate their time and expertise to support the KWLB organization and its mission and collective purpose. Please contact Joyce at 713-882-1331 if you would like to learn more about joining this great board.

Go Native Plant of the Month. Salvia coccinea, known as scarlet sage, red sage, and red salvia, grows easily in our area. It readily reseeds every year and is happy in most soil types, sun and partial shade, and dry to moist areas. Butterflies,

bees, and hummingbirds absolutely love the brilliant red blooms. Goldfinches and other birds thrive on the seeds left on the plants in the fall and winter. Growing about 30 inches tall and blooming April through October, this is a great statement plant for your garden, while supporting our native wildlife.

Please help us keep these events and projects going! You can volunteer, make a tax deductible donation, sponsor activities, or receive more information by emailing info@KeepWLBeautiful.org - or just text Joyce at 713-882-1331.

## **Weston Lakes Women's Association Community Foundation Awards Scholarships to Local High School Seniors**

Weston Lakes, TX - May 2025 — The Weston Lakes Women's Association Community Foundation proudly awarded over \$12,000 in scholarships to eight outstanding high school seniors right here in Weston Lakes, recognizing their academic achievements, community involvement, and future aspirations. The annual scholarship ceremony held in the banguet room at Pier 36, brought together students, families and association members in a celebration of education and service.

Each year, the Weston Lakes Women's Association Community Foundation Scholarship Committee receives and reviews applications and selects graduating seniors from our local high school who demonstrate exceptional dedication both in and out of the classroom. The foundation's scholarship program supports students as they pursue higher education at colleges, universities, and technical schools across the country.

This year's recipients represent a diverse range of talents and interests from future engineers and educators to aspiring medical professionals and entrepreneurs. The scholarships, funded through donations, fundraising events, and the support of the Weston Lakes Women's Association and Weston Lakes community, are intended to help ease the financial burden of tuition and promote continued excellence in learning and leadership.

"Our mission is to support and uplift the next generation of leaders," said Lisa Wollney, president of the Weston Lakes Women's Association Community Foundation. "These young people have already made a difference in their schools and communities. We are honored to invest in their future.

#### GARDEN SOCIAL CLUB

June means that summer is here! School is out, our gardens are growing and hopefully the pace of life is just a little bit slower. Our Garden Social Club activities are a bit slower in the summer, too. We will continue our

recent summer tradition of the Chill at the Grill Meet Ups this month. Plan to join us at the Waterside Grill at 11:00 on the fourth Tuesday of the month, June 24th, for great conversation, cool drinks and the opportunity to stay for lunch. It's a great way to get to know each other better and enjoy the slower pace of summer days. Follow our Facebook page, Weston Lakes Garden Social Club, to find out about summer Meet Ups after June. I'll be sure to let you know in these articles as well.

Our Garden Social Club traveled to see the wonderful Florescence exhibit at the Museum of Fine Arts in April. It was

very inspiring! The florists who participate are challenged to create floral arrangements inspired by an assigned piece of art in the Museum. The

photos included here are from that trip.

Our May meeting was a fun 1960s themed Evening Party on May 8th. I'll be including pictures from that party next month. I know you won't want to miss those photos of your Garden Social Club neighbors in their groovy flower power outfits!

We are a learning club that enjoys coming together in the company of lovely neighbors. No gardening skills required!

We love to learn together and we have fun doing it! As always, when we meet in the clubhouse, we encourage everyone to stay and have lunch together to have time to catch up with friends.

In September we will begin another year of wonderful programs and speakers aimed at helping us all learn and enjoy our gardens more while we also nurture the great friendships we have developed. There are no dues now for the summer Meet Ups.

#### DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
